Ruben Dario:

Ruben Dario Centennial Studies Miguel Gonzalez-Gerth, George D. Schade, 2014-07-03 Ruben Dario 1867 1916 the undisputed standard bearer of the Modernist movement in Hispanic letters was born in Nicaragua In 1886 he went to Chile where he published *Azul* 1888 his first important book of poems and stories Later he lived for extended periods in Argentina Spain and France and in these countries produced his best work compelling poems of beauty style and dignity especially *Cantos de vida y esperanza* 1905 The perfection of form exotic essences and rich ornamentation of his earlier work give way in his most mature poems to self probings and doubts the anguish so characteristic of twentieth century literature But the hedonistic note the quenchless appetite for life dominating *Azul* and *Prosas profanas* 1896 never die out and are magnificently present in *El poema del otoño* 1910 Dario has had a tremendous impact on Hispanic literature He is one of the best examples of the poet who is true to his art as determined by his innermost impulses His poetry has fertilized a whole generation of writers in Spanish America and in Spain and even now his influence continues to be felt Eleven Poems of Rubén Darío Rubén Darío, 1916 Selected Poems of Ruben Dario Rubén Darío, 1973 Ruben Dario in New York Eliot G. Fay, 1972 *Selections from the prose and poetry of Ruben Dario* Rubén Darío, 1947 Critical Approaches to Rubén Darío Keith Ellis, 1974-12-15 Ruben Dario 1867 1916 of Nicaragua was the leader of the important Latin American literary movement known as Modernism He is considered by many to be the greatest poet in Latin American literature and the volume of writings devoted to his work since 1884 is perhaps greater than that on any other writer in the history of Spanish American literature The celebration in 1967 of the centenary of his birth gave rise to a formidable number of new analyses increasing the need for the classification and assessment of the many studies In this book Professor Ellis examines and evaluates the wide range of methods and perspectives available to the reader of Dario's works He considers the biographical approach social and political questions influences and sources structural analysis providing three structural studies of his own and in an appendix Dario's own concept of the role of the literary critic His book is comprehensive both in time and in range and includes an up to date bibliography This is the first systematic study of the critical works on a Spanish American writer It is significant not only in its treatment of the work on an individual author but also as a reflection on and an indication of the trends methods and preoccupations of modern appraisals of Latin American writing Eleven Poems of Rubén Darío Rubén Darío, 1916 **Modernism, Rubén Darío, and the Poetics of Despair** Alberto Acereda, Rigoberto Guevara, 2004 Modernism Ruben Dario and the Poetics of Despair presents a detailed study of a neglected facet of Ruben Dario and in general of Hispanic Modernism metaphysical and existential dimensions as preludes to Modernity Alberto Acereda and J Rigoberto Guevara approach the life and death issues in Dario's works with special emphasis on his poetry The authors demonstrate how the Nicaraguan poet takes the first steps towards poetic modernity The tragic component of Dario's works are examined in the light of Nineteenth Century philosophy especially the work of Arthur Schopenhauer Various thematic

proposals are also formulated for the study of the works of Ruben Dar o **Rubén Darío and the Romantic Search for Unity** Cathy Login Jrade,2012-10-03 Modernism was the major Spanish American literary movement of the late nineteenth and early twentieth centuries Leader of that influential movement was Rub n Dar o the Nicaraguan now recognized as one of the most important Hispanic poets of all time Like the Romantics in England and the Symbolists on the Continent Dar o and other Modernists were strongly influenced by occultist thought But as the poet Octavio Paz has written academic criticism has preferred to close its eyes to the stream of occultism that runs throughout Dar o s work This silence damages our comprehension of his poetry Cathy Login Jrade s groundbreaking study corrects this critical oversight Her work clearly demonstrates that esoteric tradition is central to Modernism and that an understanding of this centrality clarifies both the nature of the movement and its relationship to earlier European literature After placing Modernism in a broad historical and literary perspective Jrade examines the impact of esoteric beliefs upon Dar o s view of the world and the role of poetry in it Through detailed and insightful analyses of key poems she explores the poet s quest for solutions to the nineteenth century crisis of belief The movement that Ruben Dar o headed brought Hispanic poetry into the mainstream of the modern tradition with its sense of fragmentation and alienation and its hope for integration and reconciliation with nature Rub n Dar o and the Romantic Search for Unity enriches our understanding of that movement and the work of its leading poet *Ruben Dario and the Romantic Search for Unity* Cathy L. Jrade, **Selected Poems of Rubén Darío** Rubén Darío,2010-06-28 Toward the close of the last century the poetry of the Spanish speaking world was pallid feeble almost a corpse It needed new life and a new direction The exotic erratic revolutionary poet who changed the course of Spanish poetry and brought it into the mainstream of twentieth century Modernism was F lix Rub n Garc a Sarmiento 1867 1916 of Nicaragua who called himself Rub n Dar o Since its original publication in 1965 this edition of Dar o s poetry has made English speaking readers better acquainted with the poet who as Enrique Anderson Imbert said divides literary history into before and after The selection of poems is intended to represent the whole range of Dar o s verse from the stinging little poems of Thistles to the dark brooding lines of Songs of the Argentine and Other Poems Also included in the Epilogue is a transcript of a radio dialogue between two other major poets Federico Garc a Lorca of Spain and Pablo Neruda of Chile who celebrate the rich legacy of Rub n Dar o *Poet-errant: a Biography of Rubén Darío* Charles Dunton Watland,1965 **The Intellectual and Cultural Worlds of Rubén Darío** Kathleen T. O'Connor-Bater,2022-12-29 Nicaraguan poet Rub n Dar o 1867 1916 has had a foundational influence on virtually all Spanish language writers and poets of the twentieth century and beyond Yet while he is a household name among Hispano phone readers the seminal modernista remains virtually unknown to an English readership This book examines the writings of Rub n Dar o as both poet and chronicler as he renovates language drawing lessons from ancient mythologies to embrace the ideal of art for art s sake all the while opposing United States aggression in the hemisphere along with the pseudo Bohemian European bourgeoisie in poetry and prose at the cusp of the Great War

Exceptional Booklist starred review Heartfelt Thoughtful and effective The Horn Book Engle s lyrical poetry emotionally conveys the reality of being a greatly gifted passionate and deeply ambitious young man in a turbulent time BCCB From acclaimed author Margarita Engle comes a gorgeous novel in verse about Rub n Dar o the Nicaraguan poet and folk hero who initiated the literary movement of Modernismo As a little boy Rub n Dar o loved to listen to his great uncle a man who told tall tales in a booming larger than life voice Rub n quickly learned the magic of storytelling and discovered the rapture and beauty of verse A restless and romantic soul Rub n traveled across Central and South America seeking adventure and connection As he discovered new places and new loves he wrote poems to express his wild storm of feelings But the traditional forms felt too restrictive He began to improvise his own poetic forms so he could capture the entire world in his words At the age of twenty one he published his first book Azul which heralded a vibrant new literary movement called Modernismo that blended poetry and prose into something magical In gorgeous poems of her own Margarita Engle tells the story of this passionate young man who revolutionized world literature **Eleven Poems of Ruben Darío** Rubén Darío,1916 **Short Stories from the Spanish** ,1920 **World Literature** ,2010 *A Bilingual Anthology of Poems by Ruben Dario (1867-1916)* Rubén Darío,2015 True to the mission to respect the imagery sonority and evenness of the metric whenever possible O Connor Bator successfully brings Dario s own brand of modernism to a wider audience Dr Nancy Bird Soto Universty of Wisconsin Madsion *Selected Poems of Ruben Dario* Lysander Kemp,1965
