The Plays of Henry Fielding Albert J. Rivero,1989 Henry Fielding was one of the most interesting playwrights of his time because of his historical position similar to that of George Bernard Shaw and his awareness of what it meant to be a playwright at a time when the native dramatic tradition appeared to have settled down for a long sleep and when the only hope for an awakening lay in such low crowd pleasers as farces puppet shows laughing tragedies and ballad operas By focusing on the plays themselves Rivero tells the story of Fielding's dramatic career without burdening the reader with an exhaustive history of contemporary plays and playwrights He provides us with a clear critical account of Fielding's dramatic career in terms of trends in contemporary dramatic affairs that help to account for his artistic choices in individual plays

A TRUE AND EXACT CATALOGUE OF ALL THE PLAYS ,1732 Henry Fielding H. Pagliaro,1998-05-11 Henry Fielding A Literary Life characterizes Fielding's complex personality in some ways full of contradiction and yet resolved both by a deep knowledge of human nature including his own and by his innate social constructiveness and his gift for friendship and love The book also details ways in which Fielding's complex attitudes contribute to the subject matter of his plays and novels and to the rhetorical strategies that control their shape as well It further shows that his work as lawyer London magistrate and social and political essayist was similarly informed
