Johnny Cash Greg Laurie, 2019-08-20 Join Greg Laurie pastor and bestselling author of Steve McQueen The Salvation of an American Icon as he takes you on a personal journey into the life and legend of Johnny Cash At the peak of his career Cash had done it all living the ultimate rags to riches story of growing up on a cotton farm in the Deep South to becoming a Nashville and Hollywood sensation singing alongside heroes like Elvis Presley and performing for several American presidents But through all of this Cash was troubled By the time he released the iconic Man in Black album in 1971 the middle aged icon was broken down hollow eyed and wrung out In his search for peace Cash became embroiled in controversy He was arrested five times in seven years His drug and alcohol induced escapades led to car accidents and a forest fire that devastated 508 acres His time was divided between Jesus and jail gospel tunes and the Cocaine Blues But by the end of his life Cash was speaking openly about his unshakeable faith What caused the superstar to

turn from his conflicting passions to embrace a life in Christ Johnny Cash The Redemption of an American Icon dives deep into the singer's inner demons triumphs and gradual return to faith Laurie interviews Cash's family friends and business associates to reveal how the singer's true success came through finding the only Person whose star was bigger than his own
