Monstrous And The Marvelous:

The Monstrous and the Marvelous Rikki Ducornet, 2021-10-20 With the great Renaissance voyages to the New World came the popularity of Wunderkammern or cabinets of wonders in which newly discovered monsters and marvels could be displayed. Like such a cabinet, this collection of essays surveys the monstrous and the marvelous as transmuted in the alembic of Rikki Ducornet's open-hearted vision in literature, art, and film. For her excess, anomaly, and heterodoxy entice the imagining mind to embrace otherness, enlarge the world, and regenerate Eden.

A Cultural History of Fairy Tales in the Long Eighteenth Century Anne E. Duggan, 2021-07-15 How have fairy tales from around the world changed over the centuries? What do they tell us about different cultures and societies? This volume traces the evolution of the genre over the period known as the long eighteenth century. It explores key developments, including the French fairy tale vogue of the 1690s, dominated by women authors including Marie Catherine d'Aulnoy and Marie Jeanne Lezot; the fashion of the oriental tale in the early eighteenth century, launched by Antoine Galland's seminal translation of *The Thousand and One Nights* from Arabic into French; and the birth of European children's literature in the second half of the eighteenth century. Drawing together contributions from an international range of scholars in history, literature, and cultural studies, this volume examines the intersections between diverse national tale traditions through different critical perspectives, producing an authoritative transnational history of the genre. An essential resource for researchers, scholars, and students of literature history and cultural studies, this book explores such themes and topics as forms of the marvelous, adaptation, gender, and sexuality; humans and non-humans; monsters and the monstrous spaces; socialization and power. *A Cultural History of Fairy Tales*, 6 volume set. *A Cultural History of Fairy Tales in Antiquity* is also available as a part of a 6 volume set *A Cultural History of Fairy Tales*, tracing fairy tales from antiquity to the present day, available in print or within a fully searchable digital library accessible through institutions by annual subscription or on perpetual access. See www.bloomsburyculturalhistory.com. Individual volumes for academics and researchers interested in specific historical periods are also available digitally via www.bloomsburycollections.com.

Saracens, Demons, & Jews Debra Higgs Strickland, 2003 These images, which reached a broad and socially varied audience across Western Europe, appeared in virtually all artistic media, including illuminated manuscripts, stained glass, sculpture, metalwork, and tapestry. "*Appropriated Photographs in French Surrealist Periodicals, 1924-1939*" Linda Steer, 2017-07-05 The first monograph to analyze the Surrealist gesture of photographic appropriation, this study examines found photographs in three French Surrealist reviews published in the 1920s and 1930s: *La Révolution surréaliste*, edited by André Breton; *Documents*, edited by Georges Bataille; and *Minotaure*, edited by Breton and others. The book asks general questions about the production and deployment of meaning through photographs but addresses more specifically the construction of a Surrealist practice of photography through the gesture of borrowing and re-contextualization, and reveals something crucial both about Surrealist strategies and about the way photographs operate. The book is structured around

four case studies including scientific photographs of an hysteric in Charcot's clinic at the Salpêtrière hospital positioned as poetry rather than pathology and one of the first crime scene photographs depicting Jack the Ripper's last victim radically transformed into a work of art Linda Steer traces the trajectory of the found photographs from their first location to their location in a Surrealist periodical Her study shows that the act of removal and re framing highlights the instability and mutability of photographic meaning an instability and mutability that has consequences for our understanding both of photography and of Surrealism in the 1920s and 1930s

Monstrosity and the Psychoanalytic Dimensions of the Uncanny Rodrigo Gonsalves, 2025-08-27 This accessible and meticulously researched book is a philosophical study dedicated to the psychoanalytic dimension of the uncanny and the discussions on monstrosity as fundamental concepts to address contemporary experiences of anguish desire suffering and alienation Examining the uncanny in Freud and Lacan the book explores its emergence through psychoanalysis and aesthetics as well as its meta psychological implications Chapters explore the history and connection between the uncanny and monstrosity in both philosophy and psychoanalysis following on from the construction of Freud's *The Uncanny* in 1919 and focusing on these concepts through different perspectives such as Marxism Finally the book argues towards the importance of a monstrous grammar re introduced to psychoanalysis in order to sustain a specific clinical listening of our times Offering new insights and arguments on these fascinating concepts this book will be of interest to philosophers psychoanalysts and psychologists as well as also appealing to professionals and students in the worlds of arts film and history

The Sense of Sound Emma Dillon, 2012-04-27 *The Sense of Sound* is a radical recontextualization of French song 1260 1330 Situating musical sound against sonorities of the city madness charivari and prayer it argues that the effect of verbal confusion popular in music abounds with audible associations and that there was meaning in what is often heard as nonsensical

Anti-Tales David Calvin, Catriona McAra, 2011-05-25 The anti fairy tale has long existed in the shadow of the traditional fairy tale as its flipside or evil twin According to Andr Jolles in *Einfache Formen* 1930 such Antimärchen are contemporaneous with some of the earliest known oral variants of familiar tales While fairy tales are generally characterised by a spirit of optimism Tolkien the anti tale offers us no such assurances for every happily ever after there is a dissenting they all died horribly The anti tale is however rarely an outright opposition to the traditional form itself Inasmuch as the anti hero is not a villain but may possess attributes of the hero the anti tale appropriates aspects of the fairy tale form and its equivalent genres and re imagines subverts inverts deconstructs or satirises elements of these to present an alternate narrative interpretation outcome or morality In this collection Little Red Riding Hood retaliates against the wolf Cinderella's stepmother provides her own account of events and Snow White evolves into a postmodern vampire tale The familiar becomes unfamiliar revealing the underlying structures dynamics fractures and contradictions within the borrowed tales Over the last half century this dissident tradition has become increasingly popular inspiring numerous writers artists musicians and filmmakers Although anti tales abound in contemporary art and popular

culture the term has been used sporadically in scholarship without being developed or defined While it is clear that the aesthetics of postmodernism have provided fertile creative grounds for this tradition the anti tale is not just a postmodern phenomenon rather the postmodern fairy tale is only part of the picture Broadly interdisciplinary in scope this collection of twenty two essays and artwork explores various manifestations of the anti tale from the ancient to the modern including romanticism realism and surrealism along the way

In and Of the Mediterranean Michelle M. Hamilton, Nuria Silleras-Fernandez, 2021-04-30 The Iberian Peninsula has always been an integral part of the Mediterranean world from the age of Tartessos and the Phoenicians to our own era and the Union for the Mediterranean The cutting edge essays in this volume examine what it means for medieval and early modern Iberia and its people to be considered as part of the Mediterranean

Infertilities Robin Truth Goodman, 2001 In today's global market ideas about family femininity and reproduction are traded on as actively as any currency or stock The connection has a history one rooted in a conception of feminine identities invented through a science interwoven with the pursuit of empire the accumulation of goods and the furtherance of power It is this history that Robin Truth Goodman exposes in her analysis of literary and political representations of female infertility from the mid nineteenth century to our day Goodman takes Darwin's studies on sterility between species as her starting point exploring evolutionary science as the intersection of a colonial worldview based on class struggle and the pathologizing of female identities that fall outside of reproductive normalcy She then examines how Joseph Conrad constructs a vision of feminism as a product of miscegenation how Alejo Carpentier and Mario Vargas Llosa deploy female figures of miscegenation to recast Latin American literature as difference and how ecological devastation in the Brazilian Amazon is envisioned through failures in Indian marriage Locating points of conjunction between queer feminist and postcolonial theories *Infertilities* points to the role of lesbian representation and reproductive politics in ongoing critiques of globalism

Jewish Questions Matt Goldish, 2008-07-21 In *Jewish Questions* Matt Goldish introduces English readers to the history and culture of the Sephardic dispersion through an exploration of forty three responsa questions about Jewish law that Jews asked leading rabbis and the rabbis' responses The questions along with their rabbinical decisions examine all aspects of Jewish life including business family religious issues and relations between Jews and non Jews Taken together the responsa constitute an extremely rich source of information about the everyday lives of Sephardic Jews The book looks at questions asked between 1492 when the Jews were expelled from Spain and 1750 Originating from all over the Sephardic world the responsa discuss such diverse topics as the rules of conduct for Ottoman Jewish sea traders the trials of an ex husband accused of a robbery and the rights of a sexually abused wife Goldish provides a sizeable introduction to the history of the Sephardic diaspora and the nature of responsa literature as well as a bibliography historical background for each question and short biographies of the rabbis involved Including cases from well known communities such as Venice Istanbul and

Saloniki and lesser known Jewish enclaves such as Kastoria Ragusa and Nablus Jewish Questions provides a sense of how Sephardic communities were organized how Jews related to their neighbors what problems threatened them and their families and how they understood their relationship to God and the Jewish people **Encyclopedia of Disability** Gary L Albrecht,2006 Presents current knowledge of and experience with disability across a wide variety of places conditions and cultures to both the general reader and the specialist From Amazons to Zombies Persephone Braham,2015-11-19 How did it happen that whole regions of Latin America Amazonia Patagonia the Caribbean are named for monstrous races of women warriors big footed giants and cannibals Through history monsters inhabit human imaginings of discovery and creation and also degeneration chaos and death Latin America s most dynamic monsters can be traced to archetypes that are found in virtually all of the world s sacred traditions but only in Latin America did Amazons cannibals zombies and other monsters become enduring symbols of regional history character and identity From Amazons to Zombies presents a comprehensive account of the qualities of monstrosity the ways in which monsters function within and among cultures and theories and genres of the monstrous It describes the genesis and evolution of monsters in the construction and representation of Latin America from the Ancient world and early modern Iberia to the present **Magical Realism and the History of the Emotions in Latin America** Jerónimo Arellano,2015-05-21 Iconoclastic in spirit Magical Realism and the History of the Emotions in Latin America is the first study of affect and emotion in magical realist literature Against the grain of a vast body of scholarship it argues that magical realism is neither exotic commodity nor postcolonial resistance but an art form fueled by a search for spaces of wonder in a disenchanted world Linking the rise and fall of magical realism and kindred narrative forms to the shifting value of wonder as an emotional experience this thought provoking study proposes a radical new approach to canonical novels such as One Hundred Years of Solitude Received as one of the most convincing manifestations of the turn to affect in contemporary Latin American critical thought Magical Realism and the History of the Emotions draws on affect theory the history of emotions and new materialism to reframe key questions in Latin American literature and culture *Female Circumcision and the Politics of Knowledge* Obioma Nnaemeka,2005-07-30 Heated debates about and insurgencies against female circumcision are symptoms of a disease emanating from a mindset that produced hierarchies of humans conquered colonies and built empires The loss of colonies and empires does not in any way mitigate the ideological underpinnings of empire building and the knowledge construction that subtends it The mindset finds its articulation at points of coalescence Female circumcision provided a point of coalescence and impetus for this articulation Insisting that the hierarchy on which the imperialist project rests is not bipolar but multi layered and more complex the contributions in this volume demonstrate how imperialist discourses complicate issues of gender race and history Nnaemeka gives voice to the silenced and marginalized and creates space for them to participate in knowledge construction and theory making The authors in this volume trace the travels of imperial and colonial discourses from antecedents in anthropology

travel writings and missionary discourse to modern configurations in films literature and popular culture The contributors interrogate foreign or Western modus operandi and interventions in the so called Third World and show how the resistance they generate can impede development work and undermine the true collaboration and partnership necessary to promote a transnational feminist agenda With great clarity and in simple accessible language the contributors present complex ideas and arguments which hold significant implications for transnational feminism and development The Wild Man Timothy Husband, Gloria Gilmore-House, 1980 *Maps of Medieval Thought* Naomi Reed Kline, 2003 Mappa mundi texts and images present a panorama of the medieval world view c 1300 the Hereford map studied in close detail Filled with information and lore mappae mundi present an encyclopaedic panorama of the conceptual landscape of the middle ages Previously objects of study for cartographers and geographers the value of medieval maps to scholars in other fields is now recognised and this book written from an art historical perspective illuminates the medieval view of the world represented in a group of maps of c 1300 Naomi Kline's detailed examination of the literary visual oral and textual evidence of the Hereford mappa mundi and others like it such as the Psalter Maps the Sawley Map and the Ebstorf Map places them within the larger context of medieval art and intellectual history The mappa mundi in Hereford cathedral is at the heart of this study it has more than one thousand texts and images of geographical subjects monuments animals plants peoples biblical sites and incidents legendary material historical information and much more distinctions between real and fantastic are fluid time and space are telescoped presenting past present and future Naomi Kline provides for the first time a full and detailed analysis of the images and texts of the Hereford map which thus deciphered allow comparison with related mappae mundi as well as with other texts and images NAOMI REED KLINE is Professor of Art History at Plymouth State College A Culture of Fact Barbara J. Shapiro, 2000 Shapiro traces the genesis of the fact a modern concept that originated not in natural science but in legal discourse She follows the concept's evolution and diffusion across a variety of disciplines in early modern England

Murder Most Queer Jordan Schildcrout, 2023-06-20 A fascinating look at the shifting meanings of murderous gay characters in American theater over a century **Imagination and Fantasy in the Middle Ages and Early Modern Time** Albrecht Classen, 2020-08-24 The notions of other peoples cultures and natural conditions have always been determined by the epistemology of imagination and fantasy providing much freedom and creativity and yet have also created much fear anxiety and horror In this regard the pre modern world demonstrates striking parallels with our own insofar as the projections of alterity might be different by degrees but they are fundamentally the same by content Dreams illusions projections concepts hopes utopias dystopias desires and emotional attachments are as specific and impactful as the physical environment This volume thus sheds important light on the various lenses used by people in the Middle Ages and the early modern age as to how they came to terms with their perceptions images and notions Previous scholarship focused heavily on the history of mentality and history of emotions whereas here the history of pre modern imagination and fantasy assumes

center position Imaginary things are taken seriously because medieval and early modern writers and artists clearly reveal their great significance in their works and their daily lives This approach facilitates a new deep structure analysis of pre modern culture

Manmade Marvels in Medieval Culture and Literature S. Lightsey, 2007-08-06 This book examines marvels as tangible objects in the literary courtly and artisanal cultures of medieval England but these clever devices neither wholly semiotic nor purely positivist objects are imbued with diverse cultural significance that illuminates in new ways the familiar literature of the Ricardian period
