Montana Moon Lady:

Montana Moon Lady Virginia B. Clark, Gina Beth Clark, 2000-03-01 Molly Galloway is shocked to find her fifteen year marriage smashed when she catches her husband out on the Kansas City Turnpike with another woman She looks for help in getting over her divorce trauma from the only person she feels she can trust and goes to Montana to visit her step grandmother Katherine a frontier woman who helped to settle Montana Katherine Gray tells Molly of her own tragic experiences in losing a husband who was murdered She also tells Molly about the man who made life difficult for her as a widow Jim Snow Katherine s marriage to Douglas Rigger her knight in western garb brings about a new mystery as her second husband is accused of the murder of her first husband This fast reading novel not only brings to the reader some true facts as the author at the tender age of eleven met such a pioneer woman in Montana while visiting that state with her parents this woman left such an impression on her that she vowed to someday write about her as one of the many brave women who went out to that state during the homesteading days to help build it and bring about its great prosperity Her books in audio can be found in both cassettes and CD s under G B C Audio Book Publisher web site www.gbcbooks.com

A Woman's View Jeanine Basinger, 2013-09-04 Now Voyager Stella Dallas Leaver Her to Heaven Imitation of Life Mildred Pierce Gilda these are only a few of the hundreds of women s films that poured out of Hollywood during the thirties forties and fifties The films were widely disparate in subject sentiment and technique they nonetheless shared one dual purpose to provide the audience of women primarily with temporary liberation into a screen dream of romance sexuality luxury suffering or even wickedness and then send it home reminded of reassured by and resigned to the fact that no matter what else she might do a woman s most important job was to be a woman Now with boundless knowledge and infectious enthusiasm Jeanine Basinger illuminates the various surprising and subversive ways in which women s films delivered their message Basinger examines dozens of films exploring the seemingly intractable contradictions at the convoluted heart of the woman s genre among them the dilemma of the strong and glamorous woman who cedes her power when she feels it threatening her personal happiness and the self abnegating woman whose selflessness is not always as noble as it appears Basinger looks at the stars who played these women and helps us understand the qualities the right off screen personae the right on screen attitudes the right faces that made them personify the woman s film and equipped them to make believable drama or comedy out of the crackpot plots the conflicting ideas and the exaggerations of real behavior that characterize these movies In each of the films the author discusses whether melodrama screwball comedy musical film noir western or biopic a woman occupies the center of her particular universe Her story in its endless variations of rags to riches boy meets girl battle of the sexes mother love doomed romance inevitably sends a highly potent mixed message Yes you women belong in your proper place that is content with the Big Three of the women s film world men marriage and motherhood but meanwhile and paradoxically see what fun glamour and power you can enjoy along the way A Woman s View deepens our

Complicated Women Mick LaSalle,2014-08-05 Between 1929 and 1934 women in American cinema were modern For five short years women in American cinema were modern They took lovers had babies out of wedlock got rid of cheating husbands enjoyed their sexuality led unapologetic careers and in general acted the way many think women only acted after 1968 Before then women on screen had come in two varieties good or bad sweet ingenue or vamp Then two stars came along to blast away these common stereotypes Garbo turned the femme fatale into a woman whose capacity for love and sacrifice made all other human emotions seem pale Meanwhile Norma Shearer succeeded in taking the ingenue to a place she d never been the bedroom Garbo and Shearer took the stereotypes and made them complicated In the wake of these complicated women came others a deluge of indelible stars Constance Bennett Ruth Chatterton Mae Clarke Claudette Colbert Marlene Dietrich Kay Francis Ann Harding Jean Harlow Miriam Hopkins Dorothy Mackaill Barbara Stanywyck Mae West and Loretta Young all came into their own during the pre Code era These women pushed the limits and shaped their images along modern lines Then in July 1934 the draconian Production Code became the law in Hollywood and these modern women of the screen were banished not to be seen again until the code was repealed three decades later Mick LaSalle film critic for the San Francisco Chronicle takes readers on a tour of pre Code films and reveals how this was the true golden age of women s films and how the movies of the pre Code are still worth watching The bold pioneering and complicated women of the pre Code era are about to take their place in the pantheon of film history and America is about to reclaim a rich legacy
