Cadwallader, LuElla D'Amico, 2020-05-13 This collection is the first of its kind to interrogate both literal and metaphorical transatlantic exchanges of culture and ideas in nineteenth century girls fiction As such it initiates conversations about how the motif of travel in literature taught nineteenth century girl audiences to reexamine their own cultural biases by offering a fresh perspective on literature that is often studied primarily within a national context Women and children in nineteenth century America are often described as being tied to the home and the domestic sphere but this collection challenges this categorization and shows that girls in particular were often expected to go abroad and to learn new cultural frames in order to enter the realm of adulthood those who could not afford to go abroad literally could do so through the

stories that traveled to them from other lands or the stories they read of others travels Via transatlantic exchange then authors readers and the characters in the texts covered in this collection confront the idea of what constitutes the self Books examined in this volume include Adeline Trafton s An American Girl Abroad 1872 Johanna Spyri s Heidi 1881 and Elizabeth W Champney s eleven book Vassar Girl Series 1883 92 among others *Murder in Postscript* Mary Winters,2023-03-28 When one of her readers asks for advice following a suspected murder Victorian countess Amelia Amesbury who secretly pens the popular Lady Agony column has no choice but to investigate in this first book in a charming new historical mystery series Amelia Amesbury widow mother and countess has a secret Amelia writes for a London penny paper doling out advice on fashion relationships and manners under the pen name Lady Agony But when a lady s maid writes Amelia to ask for advice when she believes her mistress has been murdered and then ends up a victim herself Amelia is determined to solve the case With the help of her best friend and a handsome marquis Amelia begins to piece together the puzzle but as each new thread of inquiry ends with a different suspect the investigation grows ever more daunting From London s docks and ballrooms to grand country houses Amelia tracks a killer putting her reputation and her life on the line *Homer: The Odyssey, Book 5-24. Postscript* Homer,1837 **The Bookman** ,1892 **Celtic Linguistics, 1700-1850: pt. 3. A postscript to the origin of language and nations** Daniel R.
