Penguin Complete Ghost Stories Of Mr Jones:

Medieval Studies and the Ghost Stories of M. R. James Patrick J. Murphy, 2017-02-28 Montague Rhodes James authored some of the most highly regarded ghost stories of all time classics such as *Oh Whistle and I'll Come to You My Lad* that have been adapted many times over for radio and television and have never gone out of print But while James is best known as a fiction writer and storyteller he was also a provost of King's College Cambridge and Eton College and a legendary and influential scholar whose pioneering work in the study of biblical texts and medieval manuscripts art and architecture is still relevant today In *Medieval Studies and the Ghost Stories of M R James* Patrick J Murphy argues that these twin careers are inextricably linked James's research not only informed his fiction but also reflected his anxieties about the nature of academic life and explored the delicate divide between professional university men and erratic hobbyists or antiquaries Murphy shows how detailed attention to the scholarly inspirations behind James's fiction provides considerable insight into a formative moment in medieval studies as well as into James's methods as a master stylist of understated horror During his life James often claimed that his stories were mere entertainments pleasing distractions from a life largely defined by academic discipline and restraint and readers over the years have been content to take him at his word This intriguing volume however convincingly proves otherwise

How Soon Is Now? Carolyn Dinshaw, 2012-12-14 In this volume medievalist Carolyn Dinshaw offers a powerful critique of modernist temporal regimes through a revelatory exploration of queer ways of being in time as well as the potential queerness of time itself

Curious Warnings M.R. James, 2013-09-03 Montague Rhodes James M R James was an English academic and provost of King's College and Eton He started writing ghost stories to entertain his friends one hundred and fifty years after his birth he is now revered as the father of the modern English ghost story This gorgeous hardback collection contains all thirty five of M R James's highly acclaimed ghost stories including the classics *Oh Whistle and I'll Come to You My Lad* and *Canon Alberic's Scrapbook*

Ramsey Campbell Keith M. C. O'Sullivan, 2023-05-15 This book pays overdue attention to the British writer Ramsey Campbell a key figure in the post 1970s boom in Anglo American horror fiction Despite a huge output and receiving every accolade within his field over a long career Campbell has not yet been accorded anything like the wider critical recognition given to his contemporary Stephen King This study concentrates also on Campbell's neglected novels and novellas rather than the short stories for which he has been better known The book *Ramsey Campbell* establishes the author's unique prose style denoted by a haunted self consciousness about the act of writing and role of readership and his distinctive mediation of the Gothic tradition religiously agnostic politically liberal and ethically humane For the first time Campbell's works are interpreted in the contexts of trends in postmodernist and posthumanist thought and compared explicitly to King's and his contribution to both Gothic studies and wider contemporary literature is appraised

Mark E. Smith and The Fall: Art, Music and Politics Mr Benjamin Halligan, Mr Michael Goddard, 2013-01-28 This volume offers a comprehensive range of approaches to the work of Mark E

Smith and his band The Fall in relation to music art and politics Mark E Smith remains one of the most divisive and idiosyncratic figures in popular music after a recording career with The Fall that spans thirty years Although The Fall were originally associated with the contemporaneous punk explosion from the beginning they pursued a highly original vision of what was possible in the sphere of popular music While other punk bands burned out after a few years only to then reform decades later as their own cover bands The Fall continue to evolve while retaining a remarkable consistency even with the frequent line up changes that soon left Mark E Smith as the only permanent member of the group The key aspect of the group that this volume explores is the invariably creative unfailingly critical and often antagonistic relations that characterize both the internal dynamics of the group and the group's position in the pop cultural surroundings The Fall's ambiguous position in the unfolding histories of British popular music and therefore in the new heritage industries of popular culture in the UK from post punk to anti Thatcher politics to the Factory fiction of Manchester and on into Mark E Smith's current role as ageing enfant terrible of rock illustrates the uneasy relationship between the band their critical commentators and the historians of popular music This volume engages directly with this critical ambiguity With a diverse range of approaches to The Fall this volume opens up new possibilities for writing about contemporary music beyond traditional approaches grounded in the sociology of music Cultural Studies and music journalism an aim which is reflected in the variety of provocative critical approaches and writing styles that make up the volume **Writing Short Stories** Ailsa Cox, 2016-06-17

This new edition of Writing Short Stories has been updated throughout to include new and revised exercises up to date coverage of emerging technologies and a new glossary of key terms and techniques Ailsa Cox a published short story writer guides the reader through the key aspects of the craft provides a variety of case studies and examples of how others have approached the genre and sets a series of engaging exercises to help hone your skills This inspiring book is the ideal guide for those new to the genre or for anyone wanting to improve their technique **The Palgrave Handbook of Steam Age**

Gothic Clive Bloom, 2021-02-03 By the early 1830s the old school of Gothic literature was exhausted Late Romanticism emphasising as it did the uncertainties of personality and imagination gave it a new lease of life Gothic the literature of disturbance and uncertainty now produced works that reflected domestic fears sexual crimes drug filled hallucinations the terrible secrets of middle class marriage imperial horror at alien invasion occult demonism and the insanity of psychopaths It was from the 1830s onwards that the old gothic castle gave way to the country house drawing room the dungeon was displaced by the sewers of the city and the villains of early novels became the familiar figures of Dr Jekyll and Mr Hyde Dracula Dorian Grey and Jack the Ripper After the death of Prince Albert 1861 the Gothic became darker more morbid obsessed with demonic lovers blood sucking ghouls blood stained murderers and deranged doctors Whilst the gothic architecture of the Houses of Parliament and the new Puginesque churches upheld a Victorian ideal of sobriety Christianity and imperial destiny Gothic literature filed these new spaces with a dread that spread like a plague to America France

Germany and even Russia From 1830 to 1914 the period covered by this volume we saw the emergence of the greats of Gothic literature and the supernatural from Edgar Allan Poe to Emily Bronte from Sheridan Le Fanu to Bram Stoker and Robert Louis Stevenson Contributors also examine the fin de siècle dreamers of decadence such as Arthur Machen M P Shiel and Vernon Lee and their obsession with the occult folklore spiritualism revenants ghostly apparitions and cosmic annihilation This volume explores the period through the prism of architectural history urban studies feminism hauntology and much more Horror as Poe teaches us is the soul of the plot

Contemporary Women's Ghost Stories Gina Wisker, 2022-06-02 This book offers new insights on socially and culturally engaged Gothic ghost stories by twentieth century and contemporary female writers including Shirley Jackson Angela Carter Toni Morrison Ali Smith Susan Hill Catherine Lim Kate Mosse Daphne du Maurier Helen Dunmore Michele Roberts and Zheng Cho Through the ghostly body possessions and visitations women's ghost stories expose links between the political and personal genocides and domestic tyrannies providing unceasing reminders of violence and violations Women like ghosts have historically lurked in the background incarcerated in domestic spaces and roles by familial and hereditary norms They have been disenfranchised legally and politically sold on dreams of romance and domesticity Like unquiet spirits that cannot be silenced women's ghost stories speak the unspeakable revealing these contradictions and oppressions Wisker's book demonstrates that in terms of women's ghost stories there is much to point the spectral finger at and much to speak out about

Contemporary Gothic and Horror Film Keith McDonald, Wayne Johnson, 2021-06-15 This book looks at contemporary Gothic cinema within a transnational approach With a focus on the aesthetic and philosophical roots which lie at the heart of the Gothic the study invokes its literary as well as filmic forebears by exploring how these styles informed strands of the modern filmic Gothic the ghost narrative folk horror the vampire movie cosmic horror and finally the zombie film In recent years the concept of transnationalism has transcended its original boundaries perhaps excessively in the minds of some Originally defined in the wake of the rise of globalisation in the 1990s as a way to study cinema beyond national boundaries where the look and the story of a film reflected the input of more than one nation or region or culture It was considered too confining to study national cinemas in an age of internationalization witnessing the fusions of cultures and post colonialism exile and diasporas The concept allows us to appreciate the broader range of forces from a wider international perspective while at the same time also engaging with concepts of nationalism identity and an acknowledgement of cinema itself

Short Story Writers and Their Work Brad Hooper, 1992 Brad Hooper on the staff of the Booklist magazine brings the reader his insight on short story writers he holds esteem The brief biographical essays usually no longer than a well developed paragraph focus on over 100 contemporary writers and masters of the past The accomplished writers highlighted here are from various ethnic groups of both genders and are of interest to a diverse audience The succinct entry for each author describes writing style subject matter settings common themes and critical opinion on the author's work Citations are given to one or two examples of the author's best

work The Routledge Handbook to the Ghost Story Scott Brewster, Luke Thurston, 2017-11-14 The Handbook to the Ghost Story sets out to survey and significantly extend a new field of criticism which has been taking shape over recent years centring on the ghost story and bringing together a vast range of interpretive methods and theoretical perspectives The main task of the volume is to properly situate the genre within historical and contemporary literary cultures across the globe and to explore its significance within wider literary contexts as well as those of the supernatural The Handbook offers the most significant contribution to this new critical field to date assembling some of its leading scholars to examine the key contexts and issues required for understanding the emergence and development of the ghost story **Understanding Kristeva, Understanding Modernism** Maria Margaroni, 2022-11-03 Julia Kristeva has revolutionized the study of modernism by developing a theoretical approach that is uniquely attuned to the dynamic interplay between on the one hand linguistic and formal experimentation and on the other hand subjective crisis and socio political upheaval Inspired by the contestatory spirit of the late 1960s in which she emerged as a theorist Kristeva has defended the project of the European avant gardes and has systematically attempted to reclaim their legacy in the new societal structures produced by a global spectacle dominated capitalism Understanding Kristeva Understanding Modernism brings together essays that take up the threads in Kristeva's analyses of the avant garde offering an appreciation of her overall contribution the intellectual and political horizon within which she has produced her seminal works as well as of the blind spots that need to be acknowledged in any contemporary examination of her insights As with other volumes in this series this volume is structured in three parts The first part provides new readings of key texts or central aspects in Kristeva's oeuvre The second part takes up the task of showing the impact of Kristeva's thought on the appreciation of modernist concerns and strategies in a variety of fields literature philosophy the visual arts and dance The third part is a glossary of some of Kristeva's key terms with each entry written by an expert contributor *Edith Wharton and the Visual Arts* Emily J. Orlando, 2007 This work explores Edith Wharton's career long concern with a 19th century visual culture that limited female artistic agency and expression Wharton repeatedly invoked the visual arts as a medium for revealing the ways that women's bodies have been represented as passive sexualized infantilized sickly dead Well versed in the Italian masters Wharton made special use of the art of the Pre Raphaelite Brotherhood particularly its penchant for producing not portraits of individual women but instead icons onto whose bodies male desire is superimposed **Haunted Seasons** Derek Johnston, 2015-08-10 This book explores the literary and cultural history behind certain Christmas and Halloween traditions and examines the way that they have moved into broadcasting It demonstrates how these horror traditions have become more domestic and personal and how they provide a necessary seasonal pause for reflection on our fears Space, Haunting, Discourse Maria Holmgren Troy, Elisabeth Wennö, 2009-05-27 This anthology reflects the current interest in the concept of space as a revitalising approach to literary social mental political and discursive phenomena The contributions which examine novels films art and cultures invite the reader to

consider the function of space in human constructions as symbolic representation analytical tool discursive strategy and haunting effect In a wider context they demonstrate the extent to which spatiality impacts on our lives and has ethical political historical and cultural implications The contributors represent a wide range of disciplines in the Humanities Literature Photography Art Human Geography Ethnic Studies and Cultural Studies Maria Holmgren Troy and Elisabeth Wenn are Associate Professors in English Literature at Karlstad University Sweden

Victorian Gothic Andrew Smith, 2014-05-21 The first multi disciplinary scholarly consideration of the Victorian Gothic These 14 chapters each written by an acknowledged expert in the field provide an invaluable insight into the complex and various Gothic forms of the nineteenth century Covering a range of diverse contexts the chapters focus on science medicine Queer theory imperialism nationalism and gender Together with further chapters on the ghost story realism the fin de siècle pulp fictions sensation fiction and the Victorian way of death the Companion provides the most complete overview of the Victorian Gothic to date The book is an essential resource for students and scholars working on the Gothic Victorian literature and culture and critical theory Key Features First multi authored thorough exploration of the Victorian Gothic Original research in all chapters Sets the agenda for future scholarship in the field Pedagogically aware Key Words Victorian Gothic Science Gender Nationalism Death Supernatural Ghost Death

Extreme Asia Daniel Martin, 2015-06-24 From Japanese horror to South Korean revenge thrillers and from the new Hong Kong crime film to Thailand's boundary breaking ghost stories Western audiences have been stunned by a boom in challenging cult cinema from East Asia over the last decade But how did this cycle of Extreme Asian films gain such notoriety How did distribution companies journalists critics and censors contribute to the rise of a new genre of forbidden foreign cinema Extreme Asia The Rise of Cult Cinema from the Far East charts the history of the recent cult Asian film invasion covering a five year period and focusing on the activities of the distribution company Tartan Films and their incredibly influential Asia Extreme brand Through a series of case studies of individual releases and other exhibition events this book examines strategies of film promotion and consumption in the context of differing theories about horror cinema movie marketing reception studies and Orientalism Covering the rise and fall of the Asia Extreme label and the enduring legacy of an unforgettable wave of cult cinema this is a comprehensive study of a film movement that has provoked passion and outrage in equal measure

Narrative Theory, Literature, and New Media Mari Hatavara, Matti Hyvärinen, Maria Mäkelä, Frans Mäyrä, 2015-06-19 Offering an interdisciplinary approach to narrative this book investigates storyworlds and minds in narratives across media from literature to digital games and reality TV from online sadomasochism to oral history databases and from horror to hallucinations It addresses two core questions of contemporary narrative theory inspired by

recent cognitive scientific developments what kind of a construction is a storyworld and what kind of mental functioning can be embedded in it Minds and worlds become essential facets of making sense and interpreting narratives as the book asks how story internal minds relate to the mind external to the storyworld that is the mind processing the story With essays from social scientists literary scholars linguists and scholars from interactive media studies answering these topical questions the collection brings diverse disciplines into dialogue providing new openings for genuinely transdisciplinary narrative theory The wide ranging selection of materials analyzed in the book promotes knowledge on the latest forms of cultural and social meaning making through narrative necessary for navigating the contemporary mediatized cultural landscape The combination of theoretical reflection and empirical analysis makes this book an invaluable resource for scholars and advanced students in fields including literary studies social sciences art media and communication

Excavating Modernity Eleanor Dobson, Gemma Banks, 2018-07-11 This book scrutinizes physical temporal and psychological strata across early twentieth century literature focusing on geological and archaeological tropes and conceptions of the stratified psyche The essays explore psychological perceptions from practices of envisioning that mimic looking at a painting photograph or projected light to the comprehension of the palimpsestic complexities of language memory and time This collection is the first to see early twentieth century physical temporal and psychological strata interact across a range of canonical and popular authors working in a variety of genres from theatre to ghost stories children's literature to modernist magna opera
