Women Through Anti-Proverbs Anna T. Litovkina, 2018-10-01 This book examines stereotypical traits of women as they are reflected in Anglo American anti proverbs also known as proverb transformations deliberate proverb innovations alterations parodies variations wisecracks fractured proverbs and proverb mutations Through these sayings and witticisms the author delineates the image of women that these anti proverbs reflect her qualities attributes and behavior The book begins with an analysis of how women s role in the family their sexuality and traditional occupations are presented in proverbs and presents an overview of the genre of the anti proverb The author then analyses how this image of women is transformed in anti proverbs sometimes subverting but often reinforcing the sexist bias of the original This engaging work will appeal to students and scholars of humour studies paremiology gender studies cultural studies folklore and sociolinguistics alike

Anti-Proverbs in Five Languages Anna T. Litovkina, Hrisztalina Hrisztova-Gotthardt, Péter Barta, Katalin Vargha, Wolfgang Mieder, 2022-01-11 This book is the first comparative study of English German French Russian and Hungarian anti proverbs based on well known proverbs Proverbs are by no means fossilized texts but are adaptable to different times and changed values While anti proverbs can be considered as variants of older proverbs they can also become new proverbs reflecting a more modern worldview Anti proverbs are therefore a lingo cultural phenomenon that deserves the attention of cultural and literary historians folklorists linguists and general readers interested in language and wordplay

The Proverbial "Pied Piper" Kevin J. McKenna, 2009 With more than one hundred fifty books and three hundred published articles on proverb studies that have attracted wide attention of folklorists around the world it is little wonder that international scholars look upon Wolfgang Mieder as the modern day Pied Piper of paremiology For this festschrift some of the world s leading proverb and folklore scholars have come together to commemorate Mieder s sixty fifth birthday Authors from Russia Eastern and Western Europe Israel and the United States have contributed essays representative of the scope and breadth of Mieder s own impressive scholarship The Proverbial Pied Piper honors Wolfgang Mieder s legendary contributions to the study of proverbs and contains new scholarship by some of the best paremiologists in the world

Proverbs within Cognitive Linguistics Sadia Belkhir, 2024-06-15 The volume presents an innovative set of researches featuring theoretical and practical discussions of the proverb in cognition and culture To date there seems to be a need for state of the art research into this subject matter This volume aims at responding to this need The chapters contribute from a Cognitive Linguistics interdisciplinary perspective to the existing body of literature on the proverb The book begins with a first part containing three chapters concerned with theoretical discussions of proverbs in cognition and culture The three chapters in the second part ponder proverbs within a cognitive cross cultural perspective

The third part of the volume includes three chapters that deal with the proverbs of individual languages and cultures. The three chapters in the fourth part study proverbs and or related phenomena from a cognitive and cultural perspective snowclones idioms and proverbial phrases. This book will be of interest to academics interested in proverbs within a cognitive linguistic framework and to scholars in the areas of language studies applied linguistics language teaching and learning and Cognitive Linguistics in general and to those researchers who wish to refine their knowledge about the cognitive activities featuring proverb use and their interaction with sociocultural contextual variables. Marriage Seen through Proverbs and Anti-Proverbs Anna T. Litovkina, Wolfgang Mieder, 2019-11-04. This book explores various aspects of marriage and the ways it is viewed and conceptualized in the body of Anglo American anti proverbs or proverb transformations. It also depicts those who contribute to the institution of marriage that is husbands and wives and analyses their nature qualities attributes and behaviours as revealed through such anti proverbs. In addition the text investigates those who remain single and do not belong to the institution of marriage but contribute to the institution of marriage. It will appeal to a wide range of readers from the casually interested general reader to the paremiologist paremiographer lexicographer and anthropologist.
