American Postmodernist Fiction and the Past T. Savvas, 2011-10-24 Through a close reading of the work of five prominent American postmodernist writers this book re-evaluates the role of the past in recent American fiction outlines the development of the postmodernist historical novel and considers the waning influence of postmodernism in contemporary American literature

The Pursuit of Pleasurable Work Trevor H. J. Marchand, 2021-11-01 Against the backdrop of an alienating technologizing and ever accelerating world of material production this book tells an intimate story one about a community of woodworkers training at an historic institution in London's East End during the present renaissance of craftsmanship The animated and scholarly accounts of learning achievement and challenges reveal the deep human desire to create with our hands the persistent longing to find meaningful work and the struggle to realise dreams In its penetrating explorations of the nature of embodied skill the book champions greater appreciation for the dexterity ingenuity and intelligence that lie at the heart of craftwork

Finding God on the Indian Road Chad Johnson, 2023-09-15 Drawing on the long and arduous history between the Indigenous people of North America and the Christian church that colonists brought to them the harmful relationship of the past must be addressed To move forward so that Native American spiritual practices have much to offer the Christian world of spiritual living a way a spirit of respect

and reverence must be established For centuries these two deeply spiritual worlds were told that they could not and would not coexist Drawing deep attention to ways Native American spiritual practices have been misappropriated and trivialized over the years through a lack of reverence draws us into a deeper sense of respect and appreciation for non Native persons and offers a new sense of hope and beginning for Native peoples that continue to struggle with the voices of the past telling them that being fully Native and fully Christian are incompatible There is a new reality that these two worlds very much can and should coexist and it is a good and joyful thing for all people to begin to explore where Native American cultures and faith intersect

Long Sixties Tom Hayden, 2015-11-17 In this unique and compelling book Tom Hayden argues that Barack Obama would not have been able to mount a successful presidential campaign without the movements of the 1960s The Long Sixties shows that movements throughout history triumph over Machiavellians gaining social reforms while leaving both revolutionaries and reactionaries frustrated Hayden argues that the 1960s left a critical imprint on America from civil rights laws to the birth of the environmental movement and forced open the political process to women and people of colour He urges President Obama to continue this legacy with a popular programme of economic recovery green jobs and health care reform The Long Sixties is a carefully researched history which will be of interest to activists journalists and historians as the fiftieth anniversary of the 1960s begins

A Brief Guide to Celtic Myths and Legends Martyn Whittock, 2013-10-03 A very readable guide which fills the gap between academic analysis and less critical retellings of the myths and legends Marytn Whittock provides an accessible overview while also assessing the current state of research regarding the origins and significance of the myths Since all records of the myths first occur in the early medieval period the focus is on the survival of pre Christian mythology and the interactions of

the early Christian writers with these myths A wide ranging and enthralling introduction to Celtic mythology from the Irish gods before gods the Fomorians to the children of Llyr the sea deity from the hunter warrior Fionn mac Cumhaill whose exploits are chronicled in the Fenian Cycle to C Chulainn the Hound of Ulster and from the Welsh heroes of the Mabinogion to Arthur King of Britain though the mythical Welsh version who predates the medieval legends *National Geographic*,2005-08 *Reengineering India* Carol Upadhyia,2016-07-07 The march towards a new India began with its entry onto the global stage as a rising economic power impelled by liberalization policies and the forces of globalization The success of India s information technology IT industry symbolizes these larger developments yet we lack a critical understanding of the wider social and cultural reverberations of this phenomenon *Reengineering India* explores India s post liberalization transformation through the lens of the software industry This book views the IT industry as a key site where new identities aspirations and social imaginaries are being created and circulated It examines the origins and organization of software capital the production of the Indian IT workforce the introduction of new forms of work and management and the connections between software and the new middle class The author argues that the software industry has been central to India s post liberalization refashioning yet it remains deeply embedded in older structures of inequality and modes of accumulation An anthropological account of the relationship between work class capital and culture in India s new economy this book is essential reading for thinking about the future of the post IT revolution nation [Mirrors of Heaven Or Worldly Theaters?](#) Jonathan E. Glixon,2017 *Mirrors of Heaven or Worldly Theaters* Venetian Nunneries and Their Music explores the dynamic role of music performance and patronage in the convents of Venice and its lagoon from the sixteenth century to the fall of Venice around 1800 Examining sacred music performed by the nuns themselves and by professional musicians they employed author Jonathan E Glixon considers the nuns as collective patrons of both musical performances by professionals in their external churches primarily for the annual feast of the patron saint a notable attraction for both Venetians and foreign visitors and of musical instruments namely organs and bells The book explores the rituals and accompanying music for the transitions in a nun s life most importantly the ceremonies through which she moved from the outside world to the cloister as well as liturgical music within the cloister performed by the nuns themselves from chant to simple polyphony and the rare occasions where more elaborate music can be documented Also considered are the teaching of music to both nuns and girls resident in convents as boarding students and entertainment musical and theatrical by and for the nuns *Mirrors of Heaven* the first large scale study of its kind contains richly detailed appendices featuring a calendar of musical events at Venetian nunneries details on nunnery organs lists of teachers and inventories of musical and ceremonial books both manuscript and printed A companion website supplements the book s musical examples with editions of complete musical works which are brought to life with accompanying audio files [Undernutrition and Public Policy in India](#) Sonalde Desai,Lawrence Haddad,Deepti Chopra,Amit Thorat,2015-12-14 Despite substantial economic growth India has one of the highest undernutrition rates in the

world it is home to almost 40 per cent of the world's stunted children. This volume assesses the status and causes of undernutrition in the country and examines the effectiveness of policies designed to address undernutrition. The essays tackle wide-ranging themes and challenging issues including nutrition, water, sanitation and hygiene (WASH), maternal, neonatal and child health, Integrated Child Development Services (ICDS), Public Distribution System (PDS), crop procurement and National Food Security Act 2013. With contributions from leading academic researchers, policymakers as well as civil society representatives, this volume will be indispensable to scholars, teachers and students of public policy, development economics, development sociology and Indian economy. It will also be useful to government institutions, think tanks and NGOs.

The Book Joseph Heskell Koukou, 2015-04-28 Joseph Heskell Koukou Born in Basra Joseph Heskell Koukou was ten years old when his family settled in Iran. As a businessman, his life was intertwined with that of his Jewish community and the rapport of friendship he held with all groups independently of their religion, of their culture and their ethnic affiliation. When Khomeini took power and established the Islamic regime, he was imprisoned as a Jew and passed over four years behind bars. He reread and meditated upon the Tanakh, the Jewish Bible. In his autobiographical work, he recounts his incarceration and describes the life of the Jews under the regime of the mullahs. The book is also a precious document on the history of the Jews and that of the Middle East. Joseph Heskell Koukou transmits profound reflections on his reading of the Book and on his life experience. A magnificent work. Nam Kattan Adieu Babylone Mmoires dun juif de Bagdad transl Farewell to Babylon Coming of Age in Jewish Baghdad Knight of the Order of Canada Knight of the Order of Quebec Arts and Letters of France Knight of the Legion of Honour Like the Biblical Joseph, Joseph Koukou emerged from the darkness of an unjust imprisonment to offer precious guiding light. An inspiring and remarkable work of devotion, the moving stories, testimonies and wise commentaries enlighten the mind while touching the heart. Schachar Orenstein Rabbi Spanish Portuguese Synagogue of Montreal Nothing seemed to predestine businessman Joseph Koukou to be immersed in the study of the biblical Scriptures. Unjustly imprisoned for close to five years in the impregnable Iranian prison of Evin, from which one rarely comes out alive, he discovers inside him this faith that moves mountains, which allows him to study and decode the Jewish Bible. It is the spiritual food he shares with other prisoners, seeing in their midst a light in the corridor of their despair. Such a gift of compassion is only given to a man inhabited by an exceptional spirituality to a point of destabilizing judges and executioners solely by his countenance, his serene voice and his composure in the darkest moments under the menace of imminent execution. Joseph Koukou, Orpheus charming the guardian dog of Hades. A steadfast heart and soul that simply embraced his faith in the fate of Humankind. The book's third chapter runs a chill down the spine: we plunge into the deaf terror of the politico-religious apparatus of the Iranian regime, one through which Sandra, the prisoners' daughter, weaves in and out of fearlessly armed solely with the determination and love of a 23-year-old girl for her father, Raphael Levy. L'Homme qui voulait changer le monde From a spiritual point of view, all that time spent discussing the Bible with Mr Koukou helped in some way to have saved my soul. It

was very effective if there was an opportunity to help someone Mr Koukou would always be the first to do so My memories of Mr Koukou are enough to fill a book I will forever remember his bravery loyalty understanding and general knowledge Dear Mr Koukou I will forever respect you and never forget you Firouz Farokhzad Photographer Tribute from a Cellmate New York January 2014 **The National Geographic** ,2005 **The High Window** Raymond Chandler,2005-07-07 A CLASSIC NOVEL BY THE MASTER OF HARD BOILED CRIME THE HIGH WINDOW IS RAYMOND CHANDLER S THIRD STORY FEATURING LACONIC PI PHILIP MARLOWE He lay crumpled on his back Very lonely very dead The safe door was wide open A metal drawer was pulled out It was empty now There may have been money in it once Los Angeles PI Philip Marlowe s on a case his client a dried up husk of a woman wants him to recover a rare gold coin called a Brasher Doubloon missing from her late husband s collection That s the simple part It becomes more complicated when Marlowe finds that everyone who handles the coin suffers a run of very bad luck they always end up dead That s also unlucky for a private investigator because leaving a trail of corpses around LA puts cops noses seriously out of joint If Marlowe doesn t wrap this one up fast he s going to end up either in jail or in a wooden box in the ground Chandler s books should be read and judged not as escapist literature but as works of art W H Auden Chandler grips the mind from the first sentence Daily Telegraph One of the greatest crime writers who set standards others still try to attain Sunday Times Chandler is an original stylist creator of a character as immortal as Sherlock Holmes Anthony Burgess Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004

Damascus After the Muslim Conquest Nancy A. Khalek,2011-09-16 Unlike other histories of the early Islamic period which focus on the political and military aspects of the conquests this book is about narrative history and the constitution of identity in the changing and dynamic landscape of the early Islamic world provided by publisher **World Wide Mind** Michael Chorost,2011-02-15 What if digital communication felt as real as being touched This question led Michael Chorost to explore profound new ideas triggered by lab research around the world and the result is the book you now hold Marvelous and momentous World Wide Mind takes mind to mind communication out of the realm of science fiction and reveals how we are on the verge of a radical new understanding of human interaction Chorost himself has computers in his head that enable him to hear two cochlear implants Drawing on that experience he proposes that our Paleolithic bodies and our Pentium chips could be physically merged and he explores the technologies that could do it He visits engineers building wearable computers that allow people to be online every waking moment and scientists working on implanted chips that would let paralysis victims communicate Entirely new neural interfaces are being developed that let computers read and alter neural activity in unprecedented detail But we all know how addictive the Internet is Chorost explains the addiction he details the biochemistry of what makes you hunger to touch your iPhone and check your email He proposes how we could design a mind to mind technology that would let us reconnect with our bodies and enhance our relationships With such technologies we could achieve a collective consciousness a World Wide Mind And it would be humankind s next evolutionary step With daring

and sensitivity Chorost writes about how he learned how to enhance his own relationships by attending workshops teaching the power of touch He learned how to bring technology and communication together to find true love and his story shows how we can master technology to make ourselves more human rather than less World Wide Mind offers a new understanding of how we communicate what we need to connect fully with one another and how our addiction to email and texting can be countered with technologies that put us literally in each other s minds
