

Pennsylvania Railroad

Don Ball

Pennsylvania Railroad:

The Pennsylvania Railroad, Volume 1 Albert J. Churella, 2012-10-29 Do not think of the Pennsylvania Railroad as a business enterprise Forbes magazine informed its readers in May 1936 Think of it as a nation At the end of the nineteenth century the Pennsylvania Railroad was the largest privately owned business corporation in the world In 1914 the PRR employed more than two hundred thousand people more than double the number of soldiers in the United States Army As the self proclaimed Standard Railroad of the World this colossal corporate body underwrote American industrial expansion and shaped the economic political and social environment of the United States In turn the PRR was fundamentally shaped by the American landscape adapting to geography as well as shifts in competitive economics and public policy Albert J Churella s masterful account certain to become the authoritative history of the Pennsylvania Railroad illuminates broad themes in American history from the development of managerial practices and labor relations to the relationship between business and government to advances in technology and transportation Churella situates exhaustive archival research on the Pennsylvania Railroad within the social economic and technological changes of nineteenth and twentieth century America chronicling the epic history of the PRR intertwined with that of a developing nation This first volume opens with the development of the Main Line of Public Works devised by Pennsylvanians in the 1820s to compete with the Erie Canal Though a public rather than a private enterprise the Main Line foreshadowed the establishment of the Pennsylvania Railroad in 1846 Over the next decades as the nation weathered the Civil War industrial expansion and labor unrest the PRR expanded despite competition with rival railroads and disputes with such figures as Andrew Carnegie and John D Rockefeller The dawn of the twentieth century brought a measure of stability to the railroad industry enabling the creation of such architectural monuments as Pennsylvania Station in New York City The volume closes at the threshold of American involvement in World War I as the strategies that PRR executives had perfected in previous decades proved less effective at guiding the company through increasingly tumultuous economic and political waters *Pennsylvania Railroad System ...* Pennsylvania Railroad, 1916

The Pennsylvania Railroad Edwin P. Alexander, 1967 Here is the story of America s greatest transportation system told principally in pictures Some 330 reproductions show rare prints and photographs of early locomotives equipment and bridges old posters broadsides and tickets as well as later developments

The Pennsylvania Railroad, 1940s-1950s

Don Ball, 1986 Traces the history of the railroad during the height of its success looks at its locomotive and rolling stock and shares employee anecdotes **Information for Employes and the Public** Pennsylvania Railroad, 1917 *Remembering*

the Pennsylvania Railroad Kenneth Springirth, 2017-05-17

Guide for the Pennsylvania Railroad, with an Extensive Map Pennsylvania Railroad, 1855 A detailed narrative of what one would encounter while riding its length beginning in

Philadelphia and ending at Pittsburgh Included are descriptions of all towns passed through the stations and their method of operation and points of local interest and sightseeing value The volume was designed to be used by PRR passengers The

Wallis,2001-03-22 The Pennsylvania Railroad at Bay William Riley McKeen and the Terre Haute Indianapolis Railroad Richard T Wallis The first complete study of William Riley McKeen and the Terre Haute Indianapolis Railroad The Pennsylvania Railroad at Bay is the story of an independent and

creative 19th century Indiana businessman William Riley McKeen and the railroad that he built based in Terre Haute the Terre Haute Indianapolis Railroad It is also the story of a small town entrepreneur who held the mighty Pennsylvania Railroad at bay refusing to sell out before he was ready to do so Until now the TH I has been something of an enigma for historians of the Pennsylvania Railroad They have often ignored or failed to understand the fact that the Terre Haute road remained independent for so long Unlike similar relations with its other western lines such as the Indiana Central and the Pittsburgh Fort Wayne Chicago the Pennsy s early courtship of the TH I did not lead to the usual smothering embrace as author Wallis puts it Instead what he calls an arm s length s partnership endured between the two vastly different organizations This volume is a long overdue look at that partnership and the man who against all odds kept it in balance Wallis has made a fascinating contribution to the railroad history of Indiana to the story of the Pennsylvania Railroad and to the history of Terre Haute and one of its most interesting businessmen Richard T Wallis raised in a Pennsylvania Railroad family in New Jersey studied history before embarking on a career in broadcasting It was in Indiana that he rediscovered his railroad roots and was introduced to the distinctive differences of its Lines West heritage Wallis is a member of the Indiana Historical Society and the Pennsylvania Railroad Technical Historical Society Railroads Past and Present series George M Smerk editor June 2001 208 pages 71 b w photos 11 figs 7 x 10 bibl index cloth 0 253 33872 7 39 95 t 30 50 Contents Introduction Prelude Executive Owner The Strike System Builder Ives The Crash Caretaker Postlude

The Railroad That Never Was Herbert H. Harwood, 2018-11-01 This account of a doomed enterprise is an important contribution to both rail and road history as well as to business history photos and maps included The Lexington Quarterly Stretching over two hundred miles through Pennsylvania s most challenging mountain terrain the South Pennsylvania Railroad would form the heart of a new trunk line from the East Coast to Pittsburgh and the Midwest Conceived in 1881 by William H Vanderbilt Andrew Carnegie and a group of Pittsburgh and Philadelphia industrialists it was intended to break the rival Pennsylvania Railroad s near monopoly in the region But the line was within a year of opening when J P Morgan brokered a peace treaty that aborted the project and helped bolster his position in the world of finance The railroad right of way and its tunnels would sit idle for sixty years before coming to life in the late 1930s as the original section of the Pennsylvania Turnpike Based on original letters documents diaries and newspaper reports The Railroad That Never Was uncovers the truth behind this mysterious railway one of the most infamous construction projects of the late nineteenth century PENNSYLVANIA RAILROAD William B. D. 1905 Sipes, Pennsylvania Railroad Passenger Dept, Joseph Meredith Toner Collection (Librar, 2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United
