the new Republic about their rights and attacking those who he believed were infringing on those rights In the midst of the controversy in which he was so often involved he also found time to write a small body of poetry whose sensitivity and beauty mark him as the poetic equal of his European contemporaries and in fact as a precursor of the new Romantic movement In Philip Freneau Champion of Democracy Jacob Axelrad provides a detailed biography of this pensman of the Revolution and early Republic He gives a sympathetic imaginative perceptive yet objective interpretation of Freneau and his place in history and at the same time he presents a delightfully readable and clear picture of the period during which the poet lived These pages not only re create the battles between Whig and Tory federalist and democrat but they also are alive with the activities and philosophies of the men who made American history James Madison Thomas Jefferson Alexander Hamilton George Washington John Adams James Monroe go about the business of creating and shaping a new country and as they do they move into and out of the life of the poet of Monmouth influencing him in a variety of ways Above all Axelrad brings to life for the reader the man Freneau simple direct often uncritical in his devotion to the cause he believed in courageous in sustaining his stand against strong opposition disillusioned and pessimistic about human nature yet boldly optimistic about the future of humanity and of his country And always behind the furor the reader is aware of the man struggling to provide a living for himself and his family and never quite succeeding

*The New Town Square* Robert R. Archibald, 2004-05-17 In this lyrical volume Robert R Archibald explores a growing crisis of modern America the dissolution of place that leads to a dangerous rupture of community Community\_born historically within the collective space of the town square where citizens come together to share stories and make meaning of their common histories\_is dissipating as Americans are increasingly isolated from that shared space and are being submerged into an individualistic consumer monoculture with disregard for the common good This volume examines how public history museums and historians can help

restore community by offering a source of identity for people and their places becoming a wellspring of community and an incubator of democracy a consciousness of connection with a responsibility to those in our past and future The New Town Square offers its readers a space to understand and celebrate the shared space of community and is a vital resource for public historians and those interested in restoring the meaning of community **The Dream and the Deal** Jerre

Mangione,1996-11-01 Operating in every state in the union for eight turbulent years the New Deal s Federal Writers Project provided needed jobs for more than 10 000 writers and would be writers among them Saul Bellow Ralph Ellison and Richard Wright and produced some 1 200 published books and pamphlets including the magnificent American Guide Series which gave the nation its first self portrait Nominated for the National Book Award in history The Dream and the Deal is available to a new generation of readers and includes a selected checklist of 400 Writers Project publications **The Ephrata**

**Commune** E.G. Alderfer,2011-10-24 E G Alderfer has chosen a dramatic story to tell the founding and subsequent history of Ephrata a mystical religious community that flourished in eastern Pennsylvania in the mid eighteenth century The history of the commune is inseparable from that of its leader Conrad Beissel a German Pietist who came to America in 1720 seeking spiritual peace and solitude When he settled in the virgin forest of Lancaster County his talents and charisma attracted other German settlers who shared his vision of a community built in the image of apostolic Christianity In its heyday from about 1735 to 1765 the community at Ephrata numbered some two hundred people the celibate members living in simple wooden buildings noted for the harmony and serenity of their architecture The cultural achievements of the group were exceptional They produced an extensive body of mystical literature and constructed the most complete printing establishment in the colonies at that time They were also adept at the art of Fraktur and many exquisitely decorated manuscripts survive Music was a particular interest of Beissel s and the choral music performed at Ephrata was well known and much admired Mr Alderfer who has written widely on colonial Pennsylvania shows the relationship of the Ephrata commune to other experiments at withdrawal from the world and in particular to the many strands of Old World mysticism and the German Pietist movement He also discusses American religious and communal movements of later times in the light of the Ephrata experience His is the first history of the community to provide extensive documentation including analysis of many surviving manuscripts and books written at Ephrata Although the commune died out in the nineteenth century the site and many of the buildings survived Today the Ephrata Cloisters Park is operated by the Pennsylvania Historical and Museum Commission
