People Population And Policy In Indonesia:

People, Population, and Policy in Indonesia Terence H. Hull, 2005 Since its inception in 1945 the Republic of Indonesia has experienced a series of profound social changes The spread of schooling the transformation of the economy and the consolidation of a unified state have transformed the lives of Indonesian citizens It is seldom recognized however that the most fundamental changes have occurred in the family sphere Marriages that used to be arranged by parents are now more likely to be determined by couples Unions occur when the couples are much older The adoption of birth control practices has reduced fertility from large families to a two child norm in just over thirty years These changes have molded the lives of individual women described here through a series of personal case studies and shaped the size and structure of the national population as seen in the statistics produced by the government on a regular basis The story that emerges gives strong hints about where the Indonesian population will be heading in the next fifty years with a growing proportion of aged citizens Most importantly People Population and Policy in Indonesia shows the importance of collaborations between Indonesian leaders and their foreign colleagues in the efforts to reshape the Indonesian population and improve its social and economic welfare

Adolescents in Contemporary Indonesia Lyn Parker, Pam Nilan, 2013-07-18 The youth demographic is a large and growing cohort in Indonesia and adolescents embody the currents of social change Throughout the twentieth century they were significant agents of social protest leading to social and political transformation This book looks at the importance of adolescents in contemporary Indonesia and how they are spearheading not just globalisation and a growing consumer youth culture but also the Islamisation movement The book explores both the inner worlds and social selves of Indonesian adolescents It presents an in depth knowledge of Indonesian society and culture in various parts of Indonesia and discusses national patterns and trends Grounded in two field sites the book enables an analysis of young people's local ethnic and religious identities and their commitment to the Indonesian nation state It goes on to look at the physical age bracket of youth the definitions used by the Indonesian state and other agencies and the perceptions of youth themselves about adolescence and adulthood Providing a comprehensive study of young people in contemporary Indonesia the book addresses gender relations the importance of education for youth and youth engagement with popular culture and the moral issue concerning the sexual propriety of young people It is a useful contribution for students and academics of Asian Studies Sociology and Cultural Studies

World and Its Peoples, 2007 Most of what is known about the outside world remains superficial and stereotypical World and Its Peoples Eastern and Southern Asia brings a long rich story to light about ethnic groups the impact of terrain and natural resources and the influence of history This unique reference work maps out how the nations of the modern world became what they are today through photographs of the geography and people of foreign lands through discussion of ancient and contemporary works of art and events and through scores of maps detailing geographical features historic and modern places natural habitats rainfall locations of ethnic and linguistic groups natural resources and

centers of industry and transportation No single resource assembles such comprehensive insight into the world and the people who live in it **State Management of Religion in Indonesia** Myengkyo Seo,2013-07-18 Although Indonesia is generally considered to be a Muslim state and is indeed the world s most populous Muslim majority nation it has a sizeable Christian minority as a legacy of Dutch colonialism with Christians often occupying relatively high social positions This book examines the management of religion in Indonesia It discusses how Christianity has developed in Indonesia how the state though Muslim in outlook and culture is nevertheless formally secular and how the principal Christian church the Java Christian Church has adapted its practices to fit local circumstances It examines religious violence and charts the evolution of the state s religious policies analysing in particular the impact of the 1974 Marriage Law showing how it enabled extensive state regulation but how in practice rather than reinforcing religious divisions inter religious marriage involving the conversion of one party is widespread Overall the book shows how Indonesia is developing its own brand of secularism neither a full blooded Islamic state like Saudi Arabia nor an outright secular state like Turkey Companion Encyclopedia of Geography Ian Douglas,Richard Huggett,Chris Perkins,2018-10-24 This revised edition takes the theme of place as the unifying principle for a full account of the discipline at the beginning of the twenty first century The work comprises sixty four substantial essays addressing human and physical geography and exploring their inter relations The Encyclopedia does full justice to the enormous growth of social and cultural geography in recent years Leading international academics from ten countries and four continents have contributed ensuring that differing traditions in geography around the world are represented In addition to references the essays also have recommendations for further reading As with the original work the new Companion Encyclopedia of Geography provides a state of the art survey of the discipline and is an indispensable addition to the reference shelves of libraries supporting research and teaching in geography Southeast Asia: The Long Road Ahead (2nd Edition) Chong Yah Lim,2004-02-04 Latest Edition Southeast Asia The Long Road Ahead 3rd Edition Southeast Asia is going through tremendous changes The market oriented economies of Brunei Indonesia Malaysia the Philippines Singapore and Thailand have been showing robust growth particularly before the Asian financial crisis of 1997 98 The transitional economies of Cambodia Laos Myanmar and Vietnam are also exhibiting signs of economic awakening and revival after years of internal political and social turmoil Despite these encouraging signs the region still has a long road ahead to achieve developed nation status Southeast Asia The Long Road Ahead is a serious and concise study on various important economic aspects of Southeast Asia Existing economic studies on the region are mainly topical in nature Most of the publications only attempt to offer a partial treatment of the issues and fail to examine these issues in a holistic manner The objective of this book is to provide a more complete cross country discussion on the economic issues and problems facing Southeast Asia Besides critically examining the multiple facets of changes and problems that have been and will be encountered by Southeast Asia the book also presents a lucid exposition on the prospects of the region However it does not

stop there It moves on to provide pointers and suggestions on how Southeast Asian countries should proceed with their development options and processes The book should be of interest to economists graduate students on Southeast Asia and all those who want to have a better knowledge and understanding of the important Southeast Asian region World Refugee Report ,1986 **Catastrophe and Regeneration in Indonesia's Peatlands** Kosuke Mizuno,Motoko S. Fujita,Shuichi Kawai,2016-02-26

The serious degradation of the vast peatlands of Indonesia since the 1990s is the proximate cause of the haze that endangers public health in Indonesian Sumatra and Borneo and also in neighbouring Singapore Malaysia and Thailand Moreover peatlands that have been drained and cleared for plantations are a major contributor to greenhouse gas emissions This new book explains the degradation of peat soils and outlines a potential course of action to deal with the catastrophe looming over the region Concerted action will be required to reduce peatland fires and a successful policy needs to enhance social welfare and economic survival support natural conservation and provide a return on investment if there is to be a sustainable society in the peatlands This book argues that regeneration is possible through a new policy of people s forestry that includes reforestation and rewetting peat soils The data come from a major long term research effort the humanosphere project that coordinates work done by researchers from the physical natural and human or social sciences

Indonesia ,1987 **Cultural Psychology of Immigrants** Ramaswami Mahalingam,2013-12-19 This new volume provides an interdisciplinary perspective on how intersections of race class gender sexuality and culture shape the cultural psychology of immigrants It demonstrates the influence transnational ties and cultural practices and beliefs play on creating the immigrant self Distinguished scholars from a variety of fields examine the cultural psychological consequences of displacement among different immigrant communities Cultural Psychology of Immigrants opens with a variety of theoretical perspectives on immigration and a historical overview of sociological research on immigrants It then examines the racial discrimination of immigrants and the multifaceted influences on the creation of immigrant identities The final section documents the pivotal role of family contexts in shaping identity Each chapter illustrates the commonalities and differences among immigrants in the ways in which they make sense of their newfound selves in a displaced context Intended for advanced students and researchers in the fields of psychology social work marriage and family therapy public health anthropology sociology education and ethnic studies the book also serves as a resource in courses on cultural psychology immigrant studies minority groups race and ethnic relations self and identity culture and human development and immigrants and mental health The Politics of Migration in Indonesia and Beyond Riwanto Tirtosudarmo,2019-01-22

This book examines the social and political dimensions of migration from a perspective between the realms of demography and politics It approaches the issue of migration by highlighting the important power relations that have previously been neglected in studies in the area The book starts by investigating Indonesian migration to provide an understanding of internal migration It then looks beyond its national borders for a wider understanding of Asia and showcases several case

studies both in Indonesia and beyond to illustrate the intricate politics of migration Further it considers the politics of migration from the sending country perspective and unravels the link between migration and security The book provides reviews of the wider literature relating to population mobility and distribution and shows readers how to adopt a new perspective in the study of movement of people an issue that is becoming increasingly important as movement of people unfolds globally in terms of both volume and direction This book is a valuable resource for students academics and researchers in the area of demography and social politics especially those interested in migration and refugees It also offers insights for those interested in understanding decentralization in greater depth General Technical Report WO. ,1984

International Perspectives and Strategies for Managing an Aging Workforce Ince, Fatma,2022-03-11 Older employees are often seen as an obstacle and not as an opportunity for companies especially regarding the transfer of knowledge and experience Effective development and utilization of older professional and managerial employees is an important issue as most organizations are not prepared to tailor their training methods to the needs and preferences of these employees due to negative stereotypes Managing a rapidly aging workforce and sustaining economic dynamism calls for systematic research to prevent age discrimination due to an incomplete knowledge of older workers and politically challenging policy choices that require strong political commitments robust management leadership and social consensus International Perspectives and Strategies for Managing an Aging Workforce examines the differences in stereotypes of older employees compared to younger employees in companies analyzes the impact of the aging workforce on retention productivity and well being and investigates organizational systems processes and practices for managing older workers Covering a range of topics such as retention and retirement this reference work is ideal for researchers academicians practitioners business owners managers human resource workers instructors and students *Gender, Islam and Democracy in Indonesia* Kathryn Robinson,2008-10-27 This book explores the relationship between gender religion and political action in Indonesia examining the patterns of gender orders that have prevailed in recent history and demonstrating the different forms of social power this has afforded to women It sets out the part played by women in the nationalist movement and the role of the women s movement in the structuring of the independent Indonesian state the politics of the immediate post independence period and the transition to the authoritarian New Order It analyses in detail the gender relations of the New Order regime focused around the unitary family form supposed by the family system expounded in the New Order ideology and the contradictory implications of the opening up of the economy to foreign capital and ideas for gender relations It examines the forms of political activism that were possible for the women s movement under the New Order and the role it played in the fall of Suharto and the transition to democracy The relationship between Islam and women in Indonesia is also addressed with particular focus on the way in which Islam became a critical focus for political dissent in the late New Order period Overall this book provides a thorough investigation of the relationship between gender religion and democracy in

Indonesia and is a vital resource for students of gender studies and Indonesian affairs **Anthropologica** ,2005 Includes reports of meetings of the institute Approaches to the Qur'an in Contemporary Indonesia Abdullah Saeed,2005-11-10

Indonesia is the world's most populous Muslim country but much of its scholarly work on Islam is not available to a wider readership This volume brings together a wide range of Muslim intellectuals from traditionalists to modernists and makes their varied approaches to the Qur'an accessible to an English speaking audience for the first time Topics covered range from textual interpretation and religious pluralism to debates on polygamy within the Indonesian Muslim women's movement and the use of Qur'anic verses in contemporary Indonesian politics **Building a People-Oriented Security Community the ASEAN way** Alan Collins,2013-05-07 ASEAN has declared its intention to create a security community in Southeast Asia that is people orientated This book evaluates ASEAN's progress and in doing so examines three matters of concern The book firstly looks at the importance of constitutive norms to the workings of security communities by identifying ASEAN's constitutive norms and the extent to which they act as a help or hindrance in establishing a security community It then moves on to how ASEAN has interpreted people orientated as empowering civil society organisations to be community stakeholders The book discusses the uncertainty between how ASEAN envisages their role and the role they themselves expect to have Civil society actors are seeking to influence what sort of community evolves and their ability to interact with the state elite is evaluated to determine what interpretation of people oriented is likely to emerge Thirdly in order to make progress ASEAN has sought to achieve cooperation among its member states in functional areas The book examines this interest in functional cooperation through case studies on human rights HIV AIDS and disaster management By discussing the notion of ASEAN being people orientated and how it engages with the people the book provides important insights into what type of community ASEAN is building as well as furthering our understanding on security communities more broadly **Surabaya Press Summary** ,1964 Law and Religion in Indonesia Melissa Crouch,2013-11-12 Understanding and managing inter religious relations particularly between Muslims and Christians presents a challenge for states around the world This book investigates legal disputes between religious communities in the world's largest majority Muslim democratic country Indonesia It considers how the interaction between state and religion has influenced relations between religious communities in the transition to democracy The book presents original case studies based on empirical field research of court disputes in West Java a majority Muslim province with a history of radical Islam These include criminal court cases as well as cases of judicial review relating to disputes concerning religious education permits for religious buildings and the crime of blasphemy The book argues that the democratic law reform process has been influenced by radical Islamists because of the politicization of religion under democracy and the persistence of fears of Christianization It finds that disputes have been localized through the decentralization of power and exacerbated by the central government's ambivalent attitude towards radical Islamists who disregard the rule of law Examining the challenge facing governments to accommodate minorities and manage religious

pluralism the book furthers understanding of state religion relations in the Muslim world This accessible and engaging book is of interest to students and scholars of law and society in Southeast Asia as well as Islam and the state and the legal regulation of religious diversity
