People And Environment In Africa:

People and Environment in Africa Tony Binns, Human Impact on Environment and Sustainable Development in Africa Michael B.K. Darkoh, 2018-12-20 This title was first published in 2003 Based on a blend of knowledge and perspectives from a variety of disciplines this volume examines the human environment interaction in Africa with a focus on the economic social and political processes that generate environmental change and problems in this region Currently there are controversies over and challenges to such concepts and issues as environment human relationships ecological resilience decertification sustainable development globalization and North South dialogue This book draws upon past and present research findings to discuss these issues It features an examination of the characteristics processes and patterns of environmental crises an analysis of the principal issues and challenges facing policy makers and implementers and the promotion of awareness of theoretical empirical and comparative research The volume not only seeks to answer some of the old questions but also open up new ones for further discussion

Human Rights and the Environment in Africa Jean-Claude N. Ashukem, Semie M. Sama, 2023-11-24 The relationship between human rights and the environment as evidenced by the 2022 UN Resolution on the human right to a healthy environment is a topical fascinating uneasy and increasingly urgent one This timely collection explores the inextricable relationship between human rights and the environment as a critical lens for understanding and addressing key human rights and environmental issues confronting Africa The work explores theoretical philosophical and doctrinal research to interrogate and provide clarity on how and whether the human rightsbased approach to environmental protection and policy implications has been effective in enhancing environmental protection and sustainability in Africa It brings together an elite group of African and international experts to investigate the increasing connectivity and problems with African human rights environmental governance and the quest for sustainability The book is divided into thematic clusters including the right of vulnerable communities to sustainability climate change the right to development and natural resource governance corporate environmental responsibility and sustainability the philosophy of environmental ethics and theories of human rights approaches to environmental governance procedural environmental rights the role of the judiciary in environmental protection and desertification These themes provide a structure to investigate and clarify specific fundamental questions on Africa s environmental governance paradigm This innovative contribution provides an interdisciplinary approach to the philosophical interrelationship and use of human rights approaches to ensure and enhance environmental protection and sustainability As such the book will be of interest to African scholars researchers and students in human rights law environmental studies political science ecology and conservation and development studies It will also be a valuable resource for policymakers governments NGOs practitioners and all those interested in African environmental governance

East Africa's Human Environment Interactions Rob Marchant, 2022-01-13 This book is an ambitious integration of ecological archaeological anthropological land use sciences drawing on human geography demography and

economics of development across the East Africa region It focuses on understanding and unpicking the interactions that have taken place between the natural and unnatural history of the East African region and trace this interaction from the evolutionary foundations of our species c 200 000 years ago through the outwards and inwards human migrations often associated with the adoption of subsistence strategies new technologies and the arrival of new crops The book will explore the impact of technological developments such as transitions to tool making metallurgy and the arrival of crops also involved an international dimension and waves of human migrations in and out of East Africa Time will be presented with a widening focus that will frame the contemporary with a particular focus on the Anthropocene last 500 years to the present day Many of the current challenges have their foundations in precolonial and colonial history and as such there will be a focus on how these have evolved and the impact on environmental and human landscapes Moving into the Anthropocene era there was increasing exposure to the International drivers of change such as those associated with Ivory and slave trade These international trade routes were tied into the ensuing decimation of elephant populations through to the exploitation of natural mineral resources have been sought after through to the present day The book will provide a balanced perspective on the region the people and how the natural and unnatural histories have combined to create a dynamic region These historical perspectives will be galvanized to outline the future changes and the challenges they will bring around such issues as sustainable development space for wildlife and people and the position of East Africa within a globalized world and how this is potentially going to evolve over the coming decades

The African Neogene - Climate, Environments and People Jürgen Runge, 2017-10-12 During the Neogene covering the last 23 Million years the evolution of the environmental setting in Africa was subject to considerable changes Natural shifts slow and rapid evidenced by modifications in palaeogeography geodynamics climate and vegetation have caused repeated and strong changes of ecosystems in the lower latitudes Using a variety of proxy data researched and applied by many authors from numerous disciplines an attempt is made to reconstruct African landscapes over space and time Besides such spatio temporal oscillations in recently humid semi humid and dry areas of Africa this volume of Palaeoecology of Africa PoA focuses on long term interrelationships between ecosystem dynamics and climate change not ignoring the ever growing and ongoing influence of humans on natural ecosystems since the Quaternary Regionally this volume lays a strong focus on Nigeria Niger Delta Facing the omnipresent challenges of Global Change an increasing number of African scientists is involved in palaeoenvironmental and palaeoclimatic research both theoretical and applied PoA systematically supports established as well as junior African scientists in the field of sustainable cooperation and academic capacity building This book will be of interest to all concerned with or interested in up to date research on Neogene to Quaternary low latitudes ecosystem changes and their respective interpretation in the framework of natural climate and vegetation change evidenced by a variety of methods that allow to read and learn from the past by following the motto The geologic foretime as the key to the present and possibly to the future Palynologists Geologists

Geographers Archaeologists and Geomorphologists will find this edition equally useful for their work

African Environmental and Human Security in the 21st Century Helen E. Purkitt, 2009

Human Rights, Race, and Resistance in Africa and the African Diaspora Toyin Falola, Cacee Hoyer, 2016-10-04

Africans and their descendants have long been faced with abuse of their human rights most frequently due to racism or racialized issues Consequently understanding shifting conceptualizations of race and identity is essential to understanding how people of color confronted these encounters This book addresses these issues and their connections to social justice discrimination and equality movements From colonial abuses or their legacies black people around the world have historically encountered discrimination and yet they do not experience injustice opaquely The chapters in this book explore and clarify how Africans and their descendants struggled to achieve agency despite long histories of discrimination Contributors draw upon a range of case studies related to resistance and examine these in conjunction with human rights and the concept of race to provide a thorough exploration of the diasporic experience Human Rights Race and Resistance in Africa and the African Diaspora will appeal to students and scholars of Ethnic and Racial Studies African History and Diaspora Studies

The African Charter of Human and Peoples' Rights Fatsah Ouguergouz, 2021-11-22 This work reveals the true dimension of the African Charter through a systematic analysis of its real or apparent innovations and a detailed assessment of the commitments of the States parties It also analyzes the effectiveness of the mechanism put in place to monitor compliance with those commitments examining the practice of the African Commission on Human and Peoples Rights from its establishment in 1987 It incorporates major recent achievements in the field of the protection of human rights in Africa including the creation of the African Court of Human and Peoples Rights and the establishment of the African Union This work is the expanded and updated English version of La Charte africaine des droits de l'homme et des peuples Une approche juridique des droits de l'homme entre tradition et modernité Presses Universitaires de France Paris

Human Rights and the Environment under African Union Law Michael Addaney, Ademola Oluborode Jegede, 2020-08-21 This book brings together original and novel perspectives on major developments in human rights law and the environment in Africa Focusing on African Union law the book explores the core concepts and principles theory and practice accountability mechanisms and key issues challenging human rights law in the era of global environmental change It thus extends the frontier of understanding in this fundamental area by building on existing scholarship on African human rights law and the protection of the environment divulging concerns on redressing environmental and human rights protection issues in the context of economic growth and sustainable development It further offers unique insight into the development domestication and implementation challenges relating to human rights law and environmental governance in Africa This long overdue interdisciplinary exploration of human rights law and the environment from an African perspective will be an indispensable reference point for academics policymakers practitioners and advocates of international human rights and environmental law in particular and international law

environmental politics and philosophy and African studies in general It is clear that there is much to do study and share on this timely subject in the African context

Exploring the link between poverty and human rights in Africa Edited by Ebenezer Durojaye and Gladys Mirugi-Mukundi, 2020-01-01 About the publication This book addresses poverty one of the important issues confronting Africa from a multi disciplinary approach With contributions from eminent scholars from diverse backgrounds the book explores poverty from a human rights perspective Its central message is that poverty is not necessarily a failure on the part of an individual but rather caused by the actions or inactions of governments which are often exacerbated by structural inequalities in many African societies This in turn requires a more pragmatic approach grounded in respect for human rights Exploring the link between poverty and human rights in Africa will be useful to researchers policymakers students activists and others interested in addressing poverty

The Environmental Crunch in Africa Jon Abbink, 2018-05-31 This book discusses the problems and challenges of environmental ecological conditions in Africa amidst the current craze of economic growth and development Africa's significant economic dynamics and growth trajectories are marked by neglect of the environment reinforcing ecological crises Unless environmental ecological and population growth problems are addressed as an integral part of developmental strategies and growth models the crises will accelerate and lead to huge costs in later years Chapters examine multiple emerging tension points all across the continent including the potential benefits and harm of growing urban based ecotourism the trajectory of labour saving technologies and the problems facing agro pastoralism Although environmental management and sustainability features of African rural societies should not be idealized functional traditional economies interests and management practices are often bypassed seen by state elites as inefficient and inhibiting growth In many regions the seeds are now sown for lasting environmental crises that will affect local societies that have rarely been given opportunity to claim accountability from the state regimes and donors driving these changes

Governance, Human Rights, and Political Transformation in Africa Michael Addaney, Michael Gyan Nyarko, Elsabé Boshoff, 2019-11-19 This edited volume examines the development and challenges of governance democracy and human rights in Africa It analyzes the emerging challenges for strengthening good governance in the region and explores issues related to civil political economic cultural and social rights highlighting group rights including women girls and other minority groups The project presents a useful study of the democratization processes and normative developments in Africa exploring challenges in the form of corruption conflict political violence and their subsequent impact on populations The contributors appraise the implementation gap between law and practice and the need for institutional reform to build strong and robust mechanisms at the domestic regional and international levels

Environment and Sustainable Development in Eastern and Southern Africa Abdel Ghaffar M. Ahmed, Wilfred Mlay, 2016-07-27 This book sheds light on the sources of environmental concerns in Africa It shows that not all environmental issues command the same priority interest and thus emphasis must be laid on those that are

of pressing concern to the continent as a whole and to the Eastern and Southern African regions in particular The case studies address this topic in detail

Sustainable Utilization and Conservation of Africa's Biological Resources and Environment Sylvester Chibueze Izah,Matthew Chidozie Ogwu,2023-04-17 This edited book highlights the potential and actual contributions of the sustainable management and utilization of indigenous biological resources and environment for the development of Africa The book centers on documenting current trends and issues in the field of resource use and conservation with the view of emphasizing their benefits to the pursuit of development within the region By documenting the array of natural resources and environment in Africa this book addresses the topical knowledge and understanding gaps that characterize conservation rationale for sustainable resource exploration utilization patterns and conservation challenges including policy status environmental threats impacts of tourism reduction in food resources etc and their effects on the sustainable development of Africa Through an integrated approach the book focuses on below and above ground biological resources and the diverse scales of environment that characterize Africa This collection of works is very helpful for natural and social scientists policymakers strategists researchers government and non government organizations biodiversity and environmental managers climate change scientists practitioners activists conservationists academics ecologists undergraduate and postgraduate students and others who want to learn about and understand the best way to use and protect Africa s resources and heritage sustainably

God and the Human Environment Osunkwo Jude Thaddeus Ikenna,2015-07-02 *God and the Human Environment* Catholic Principles of Environmental Stewardship as a Template for Action in Nigeria brings into conversation the Churchs theological reflection on the mandate to care for Gods creation and the circumstances of the environment in Nigeria In vivid terms and with systemic thinking Fr Jude Osunkwo a theologian who specializes in Environmental Studies and Pastoral Catechesis explores the biblical theological magisterial and doctrinal bases that underlie a faithful response to contemporary environmental challenges After setting the stage with a summation of the issues and a survey of significant ecclesiastical statements on the topic of the environment *God and the Human Environment* addresses Catholic theological principles of stewardship Christian responsibility and the ethics of development Then the discussion turns to the environment of Nigeria assessing its current state and reviewing the causes and consequences of environmental challenges before proposing pastoral responses for the Church Finally some chapters address likely developments in Nigeria and the Church An extensive bibliography and several appendices provide additional support *God and the Human Environment* is a rigorously researched and passionately presented exploration of the issues growing out of the environmental circumstances Nigerians currently face Whether you live in Nigeria or count yourself as a member of the Catholic Church and live somewhere else *God and the Human Environment* explores a topic that promises to make a difference in your life and to protect the part of the environment that God has created for you to tend

Local Environmental Change and Society in Africa M.A. Salih,2012-12-06 The Organization for Social Science Research in

Eastern and Southern Africa OSSREA is a network of social scientists in the sub region established in 1980 Its main objectives are to encourage and promote interest to engage in collaborative research to facilitate scholarly exchange of ideas and publication between individuals and institutions engaged in the study and research in the social sciences OSSREA also aims to promote the training of social scientists from the sub region in the study of and research in the social sciences and to encourage establishment of institutions dedicated to this goal In pursuance of and consistent with its objectives OSSREA established a fund to provide research grants and training fellowships to social scientists from the sub region Every year OSSREA offers on a competitive basis two limited types of research grants the first on topics related to the social sciences in general and the second on gender issues in particular The grants assist the social scientists to conduct field research in an eastern or southern African country society institutions sector or problem area The objectives of the social science competition are intended to encourage and promote upcoming scholars from the sub region to conduct research in the social economic political or other problems Moreover it aims to strengthen and raise the capacity of faculty members and students in field research and promote the subsequent availability of research findings for teaching as well as to inform individuals and institutions

Socio-economic Rights in South Africa Danie Brand, Christof H. Heyns, 2005

Environmental Humanities of Extraction in Africa James Ogude, Tafadzwa Mushonga, 2022-08-17 This book brings together perspectives on resource exploitation to expose the continued environmental and socio political concerns in post colonial Africa The continent is host to a myriad of environmental issues largely resulting from its rich diversity of natural resources that have been historically subjected to exploitation Colonial patterns of resource use and capital accumulation continue unabated making environmental and related socio political problems a dominant feature of African economies The book pursues the manifestation of these problems through four themes environmental justice violent capitalocenes indigenous knowledge and climate change The editors locate the book within the broad fields of political ecology and environmental geopolitics to highlight the intricate geographies of resource exploitation across Africa It uniquely focuses on the socio political and geopolitical dynamics associated with the exploitation of Africa s natural resources and its people The case studies from different parts of Africa tell a compelling story of resource exploitation related issues of environmental degradation in a continent particularly vulnerable to climate change and the continued plundering of its natural resources The book will be of great interest to scholars and students from the interdisciplinary fields of the environmental humanities and environmental studies more broadly as well as those studying political ecology environmental policy and natural resources with a specific focus on Africa

Regional Environmental Law Werner Scholtz, Jonathan Verschuuren, 2015-04-30 The core focus of this timely volume is to ascertain how regional environmental law may contribute to the pursuit of global sustainable development Leading scholars critically analyze the ways in which states may pool sovereignty to find solutions to

The Southern African Environment Sam Moyo, Michael Sill, 2014-06-03 The Southern African Environment provides a

comprehensive and up to date description of the countries of the SADC region Angola Botswana Lesotho Malawi Mozambique Namibia Swaziland Tanzania Zambia and Zimbabwe The area is one of rapid political economic and social change and each of the 10 country profiles in this book provides full and detailed information on the physical and human geography environmental problems resource base institutional structures for environmental management and the issues associated with institutional change Each profile was drafted by local environmental experts and is based on extensive fieldwork and research originally commissioned by the Dutch government The report provides a unique synthesis of this richly endowed but troubled region

People And Environment In Africa Introduction

In today's digital age, the availability of People And Environment In Africa books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of People And Environment In Africa books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of People And Environment In Africa books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing People And Environment In Africa versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, People And Environment In Africa books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing People And Environment In Africa books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for People And Environment In Africa books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, People And Environment In Africa books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of People And Environment In Africa books and manuals for download and embark on your journey of knowledge?

FAQs About People And Environment In Africa Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. People And Environment In Africa is one of the best book in our library for free trial. We provide copy of People And Environment In Africa in digital format, so the resources that you find are reliable. There are also many Ebooks of related with People And Environment In Africa. Where to download People And Environment In Africa online for free? Are you looking for People And Environment In Africa PDF? This is definitely going to save you time and cash in something you should think about.
