of us never imagined we would see such abuse against our human rights nor did we expect to see how quickly most of the world would comply with tyranny disguised as public health The same astounding escalation happens to abuse targets in relationships families workplaces and other social systems Abuse doesn't start where it ends And it's always framed as for your own good Becoming Whole is an essential holistic guide for understanding how a psychological neurological and spiritual state of captivity was induced during COVID in order to carry out the crimes against humanity It's also an exploration of where we are now and where we will go both as individuals and as a society if we don't recognize these patterns and make new choices Meredith Miller encourages true empowerment providing tactical and practical ways to not only recognize abuse dynamics but also shift out of the powerlessness of victimhood The liberation of souls from captivity is key for imagining and creating the kind of future where we thrive With Becoming Whole you'll gain new perspectives for understanding our greatest challenges in the 2020s as well as how we can use this opportunity to learn from and integrate the past In doing so we will prevent this burden from being passed on to future generations instead passing forward a legacy of resilience wisdom and strength
