The Right-aim School Bible ,1834 **The Holy Bible, Containing the Old Testament and the New, Etc** ,1638 The Minister's Life of Obedience Phillip Gary Richards,2005-04 Written from the heart and in easy to understand language The Minister s Life of Obedience will inspire you and challenge you to greater obedience in your daily walk with God A commentary upon the holy Bible Matthew Henry,1834 **The Holy Bible Containing the Old and New Testaments, Together with the Apocrypha** ,1839 **Israel, A Different Version** Eljay King,2008-04 Have you ever wondered what the future holds for the United States and also for Israel Surely a righteous God will not allow this country to continue in the downward spiral that is prevalent now The bible gives a good foretelling of the events that await both of these countries But there are so many different verses to contend with and they are scattered all through the bible Also there are so many different speakers who give an intelligent guess of what these events predict I just don t understand They all cannot be correct Question if THE WHOLE HOUSE OF ISRAEL will return how will the people know that they are members How will Israel feed the whole world Will the sicknesses that the whole world is experiencing at this time ever be cured How will the false messiah fool so many people into accepting him as a god In 1953 I started listening to different preacher on the radio Those messages on Israel seemed to have more guessing of future events than fact The messages also changed with the preacher In 1986 I started reading the bible and making notes of the verses that referred to Israel in the latter days I ended up with ten pages front and back of scripture verses I bought my first computer with an orange screen and started compiling and writing In 1993 I sent a copy to a publisher but never heard anything back My time for studying ceased due to my outside workload My house burned in 2001 with a complete loss of everything including my orange computer I started reading and compiling notes again The book that you are reading is the end results of the four following years **Through Minds' Eyes** Ryan J. Hite,2013-03-27 This is a book of history ethics and philosophy It is a record of teachings passed down through the generations from the East and the West It contains the fullness of the sealed covenant established between man and the laws of the universe As we evolve as a race we take things out of our lives because we better understand who we are and what we have achieved The divine refers to the laws of nature and the universe that guide us in our everyday lives The creator that guides our everyday lives is not something that we should worship or pray to out of fear or love it is something that remains unseen and works in natural forces to explain all the events that happen on Earth It is merely a force and it is not necessary to belong to a group to experience the light The path to the light is straight and broad The creator of the universe is a divine and intellectual force by which all things came into being

The sealed covenant is a pact between all of humanity to the world around us and the universal laws that guide our everyday lives to come together and love one another and come to make the world a better place for all people This shall usher in the evolution of religious traditions and humanity to a new age of prosperity **The Holy Bible, Containing the Old and New Testaments** ,1832 The Holy Bible ,1853 *Zikarown Say'fer* J.
