People The Train:

The People's Train Thomas Keneally, 2012-09-27 Artem Samsurov a protégé of Lenin makes an extraordinary escape from Tsarist Russia to reach sanctuary in Australia but soon discovers that repression and injustice exist there too Though distracted by an infatuation with a beautiful female lawyer he throws himself back into the socialist cause only to be imprisoned then accused of murdering an informer But he never loses his belief that the revolution will come and in 1917 he returns to Russia alongside an Australian journalist to fight for it Based on a true story Keneally's enthralling novel takes us to the heart of the Russian Revolution through the dramatic exploits of one inspiring man Once again he illuminates a seismic period of history from an intimate unusual perspective as he captures the ideals and passions behind a movement that changed the world

Dr. Martin Luther King Jr. and the Poor People's Campaign of 1968 Robert Hamilton, 2020-12 This book introduces new audiences to Dr Martin Luther King Jr's final initiative the multiracial Poor People's Campaign PPC of 1968 Robert Hamilton depicts the experience of poor people who traveled to Washington in May 1968 to dramatize the issue of poverty by building a temporary city Resurrection City His narrative allows us to hear their voices and understand the strategies objectives and organization of the campaign In addition he highlights the campaign's educational aspect showing that significant social movements are a means by which societies learn about themselves and framing the PPC as an initiative whose example can teach and inspire current and future generations The study thus situates Dr Martin Luther King Jr's legacy and teachings in relation to current events and further solidifies Dr King's cultural and sociopolitical relevance In the decades since 1968 we have seen increasing global inequality leading to greater social polarization including in the United States Hamilton offers the insight that the radical politics of Dr King as represented in the civil rights and human rights agendas of the PPC can help us understand and address the challenges of this polarization Hamilton highlights Dr King's commitment to ending poverty and explains why Dr King's ideas on this and related issues should be brought to the attention of a wider public who often view him almost exclusively as a civil rights but not a human rights leader

in England This anonymous publication had the author s name written simply as A Bengali Lady It is not a travel narrative per se as Das was also trying to educate fellow Indians about different aspects of British life such as the English race and their nature the English lady English marriage and domestic life religion and celebration British labour and trade Though Hindu women did not observe the purdah as Muslim women did they had until then remained largely invisible confined within their homes and away from the public gaze Their rightful place was within the domestic sphere and it was quite uncommon for a middle class Indian woman to expose herself to the outside world or participate in activities and debates in the public domain This self ordained mission of educating people back home with the ground realities in England is what makes Krishnabhabini s narrative unique The narrative offers a brilliant picture of the colonial interface between England and India and shows how women travellers from India to Europe worked to shape feminized personae characterized by conventionality conservatism and domesticity even as they imitated a male dominated tradition of travel and travel writing
