Peoples Of The Soviet North:

Peoples of the Soviet North Vasilii Nikolaevich Uvachan,1960 *Indigenous Peoples of the Soviet North* ,1990

Documents translated from Russian of the Congress of the Small Peoples of the Soviet North held in Moscow March 30 31 1990 to create the Association of the Small Peoples of the Soviet North and to provide the 26 groups involved with a voice in matters relating to self government preservation of their language and culture development of their home regions and the impact of industrial activities on the traditional ways of life **Native Peoples of the World** Steven L. Danver,2015-03-10

This work examines the world s indigenous peoples their cultures the countries in which they reside and the issues that impact these groups Polar Peoples Hugh Beach,Ian Creery,Fae L. Korsmo,Mark Nutall,Nikolai Vakhtin,1994-01-01 The northern regions of the globe were populated by indigenous peoples long before explorers gold diggers missionaries bureaucrats and others discovered their land Polar Peoples describes the sometimes catastrophic effect these incomers and the changing world in general have had on native ways of life in this vast geographical area It also outlines the awakening of native political activism and some of the most important steps taken towards self determination by the indigenous peoples of the North Greenland Emergence of an Inuit Homeland by Mark Nuttall Unusual because of Home Rule from Denmark Native Peoples of the Russian Far North by Nikolai Vakhtin Little known outside Russia these minority groups face an uncertain future The Alaska Natives by Fae L Korsmo Highly significant because of the Alaska Native Claims Act The Inuit of Canada by Ian Creery Dene and Nunavut claims have been the subject of much political activity in recent months The Saami of Lapland by Hugh Beach Currently dealing with many different issues from the ongoing effects of Chernoby on their reindeer herds to the disintegration of the Soviet Union With each section written by a recognized expert in his or her field Polar Peoples gives a fascinating look at this politically and environmentally changing area on the roof of the world Please note that the terminology in the fields of minority rights and indigenous peoples rights has changed over time MRG strives to reflect these changes as well as respect the right to self identification on the part of minorities and indigenous peoples At the same time after over 50 years work we know that our archive is of considerable interest to activists and researchers Therefore we make available as much of our back catalogue as possible while being aware that the language used may not reflect current thinking on these issues *Indigenous Peoples and Borders* Sheryl Lightfoot,Elsa Stamatopoulou,2023-12-04

The legacies of borders are far reaching for Indigenous Peoples This collection offers new ways of understanding borders by departing from statist approaches to territoriality Bringing together the fields of border studies human rights international relations and Indigenous studies it features a wide range of voices from across academia public policy and civil society The contributors explore the profound and varying impacts of borders on Indigenous Peoples around the world and the ways borders are challenged and worked around From Bangladesh s colonially imposed militarized borders to resource extraction in the Russian Arctic and along the Colombia Ecuador border to the transportation of toxic pesticides from the United States

to Mexico the chapters examine sovereignty power and obstructions to Indigenous rights and self determination as well as globalization and the economic impacts of borders Indigenous Peoples and Borders proposes future action that is informed by Indigenous Peoples voices needs and advocacy Contributors Tone Bleie Andrea Carmen Jacqueline Gillis Rauna Kuokkanen Elifuraha Laltaika Sheryl Lightfoot David Bruce MacDonald Toa Elisa Maldonado Ruiz Binalakshmi Bina Nepram Melissa Z Patel Manoel B do Prado Junior Hana Shams Ahmed Elsa Stamatopoulou Liubov Suliandziga Rodion Sulyandziga Yifat Susskind Erika M Yamada Islamic Peoples Of The Soviet Union Shirin Akiner, 2013-09-05 First published in 1987 The aim of this historical and statistical handbook is to answer three basic questions about the Islamic peoples of the USSR who they are where they are and how many of them there are It is convenient to speak of them as Soviet Muslims grouping them all together under a single collective heading but they are in fact quite disparate For this reason it was decided to treat each ethnic group individually here *USSR Information Bulletin* ,1951 Soviet Life ,1973 *Biomapping Indigenous Peoples* ,2012-01-01 Where do our distant ancestors come from and which routes did they travel around the globe as hunter gatherers in prehistoric times Genomics provides a fascinating insight into these questions and unlocks a mass of information carried by strands of DNA in each cell of the human body For Indigenous peoples scientific research of any kind evokes past and not forgotten suffering racial and racist taxonomy and finally dispossession Survival of human cell lines outside the body clashes with traditional beliefs as does the notion that DNA may tell a story different from their own creation story Extracting and analysing DNA is a new science barely a few decades old In the medical field it carries the promise of genetically adapted health care However if this is to be done genetic identity has to be defined first While a narrow genetic definition might be usable by medical science it does not do justice to Indigenous peoples cultural identity and raises the question of governmental benefits where their genetic identity is not strong enough People migrate and intermix and have always done so Genomics trace the genes but not the cultures Cultural survival or revival and Indigenous group cohesion are unrelated to DNA explaining why Indigenous leaders adamantly refuse genetic testing This book deals with the issues surrounding biomapping the Indigenous seen from the viewpoints of discourse analysts historians lawyers anthropologists sociologists museum curators health care specialists and Native researchers **Khanty, People of the Taiga** Andrew Wiget, Olga Balalaeva, 2011-05-15 Drawing on nearly twenty years of fieldwork as well as ethnohistory politics and economics this volume takes a close look at changes in the lives of the indigenous Siberian Khanty people and draws crucial connections between those changes and the social cultural and political transformation that swept Russia during the transition to democracy Delving deeply into the history of the Khanty who were almost completely isolated prior to the Russian revolution the authors show how the customs traditions and knowledge of indigenous people interact with and are threatened by events in the larger world **Routledge Handbook of Indigenous Peoples in the Arctic** Timo Koivurova, Else Grete Broderstad, Dorothée Cambou, Dalee Dorrough, Florian Stammler, 2020-12-03 This handbook brings together the expertise of

Indigenous and non Indigenous scholars to offer a comprehensive overview of issues surrounding the well being self determination and sustainability of Indigenous peoples in the Arctic Offering multidisciplinary insights from leading figures this handbook highlights Indigenous challenges approaches and solutions to pressing issues in Arctic regions such as a warming climate and the loss of biodiversity It furthers our understanding of the Arctic experience by analyzing how people not only survive but thrive in the planet s harshest climate through their innovation ingenuity and agency to tackle rapidly changing environments and evolving political social economic and cultural conditions The book is structured into three distinct parts that cover key topics in recent and future research with Indigenous Peoples in the Arctic The first part examines the diversity of Indigenous peoples and their cultural expressions in the different Arctic states It also focuses on the well being of Indigenous peoples in the Arctic regions The second part relates to the identities and livelihoods that Indigenous peoples in Arctic regions derive from the resources in their environments This interconnection between resources and people s identities underscores their entitlements to use their lands and resources The third and final part provides insights into the political involvement of Indigenous peoples from local all the way to the international level and their right to self determination and some of the recent related topics in this field This book offers a novel contribution to Arctic studies empowering Indigenous research for the future and rebuilding the image of Indigenous peoples as proactive participants signaling their pivotal role in the co production of knowledge It will appeal to scholars and students of law political sciences geography anthropology Arctic studies and environmental studies as well as policy makers and professionals

Handbook of Research on International Collaboration, Economic Development, and Sustainability in the Arctic Erokhin, Vasilii, Gao, Tianming, Zhang, Xiuhua, 2018-12-28 Global interest in the exploration of the Arctic has been growing rapidly As the Arctic becomes a global resource base and trade corridor between the continents it is crucial to identify the dangers that such a boom of extractive industries and transport routes may bring on the people and the environment The Handbook of Research on International Collaboration Economic Development and Sustainability in the Arctic discusses the perspectives and major challenges of the investment collaboration and development and commercial use of trade routes in the Arctic Featuring research on topics such as agricultural production environmental resources and investment collaboration this book is ideally designed for policymakers business leaders and environmental researchers seeking coverage on new practices and solutions in the sphere of achieving sustainability in economic exploration of the Arctic region

Engineering Earth Stanley D. Brunn, 2011-03-19 This is the first book to examine the actual impact of physical and social engineering projects in more than fifty countries from a multidisciplinary perspective The book brings together an international team of nearly two hundred authors from over two dozen different countries and more than a dozen different social environmental and engineering sciences Together they document and illustrate with case studies maps and photographs the scale and impacts of many megaprojects and the importance of studying these projects in historical contemporary and postmodern perspectives This

pioneering book will stimulate interest in examining a variety of both social and physical engineering projects at local regional and global scales and from disciplinary and trans disciplinary perspectives *IWGIA* Jens Dahl,2009 Traces the founding of IWGIA International Work Group for Indigenous People in 1968 and its subsequent development into a professional organization concerned with human rights activities empowerment projects publishing and information dissemination etc Decolonizing the Spirit in Education and Beyond Njoki Nathani Wane,Miglena S. Todorova,Kimberly L. Todd,2019-12-14 This multidisciplinary collection probes ways in which emerging and established scholars perceive and theorize decolonization and resistance in their own fields of work from education to political and social studies to psychology medicine and beyond In this time of renewed global spiritual awakening indigenous communities are revisiting ways of knowing and evoking theories of resistance informed by communal theories of solidarity Using an intersectional lens chapter authors present or imagine modes of solidarity resistance and political action that subvert colonial and neocolonial formations Placing emphasis on the importance of theorizing the spirit a discourse that is deeply embedded in our unique cultures and ancestries this book is able to capture and better understand these moments and processes of spiritual emergence re emergence **Anthropologica** ,2006 Cultural and Linguistic Minorities in the Russian Federation and the European Union Heiko F. Marten,Michael Rießler,Janne Saarikivi,Reetta Toivanen,2015-01-06 This is the first comprehensive volume to compare the sociolinguistic situations of minorities in Russia and in Western Europe As such it provides insight into language policies the ethnolinguistic vitality and the struggle for reversal of language shift language revitalization and empowerment of minorities in Russia and the European Union The volume shows that even though largely unknown to a broader English reading audience the linguistic composition of Russia is by no means less diverse than multilingualism in the EU It is therefore a valuable introduction into the historical backgrounds and current linguistic social and legal affairs with regard to Russia s manifold ethnic and linguistic minorities mirrored on the discussion of recent issues in a number of well known Western European minority situations Arctic Challenges Nordic Council.
