Pope John Paul II and the Church Peter Hebblethwaite, 1995 The National Catholic Reporter editors have selected the most significant of Peter Hebblethwaite's articles on the life and times and church of Pope John Paul II They were stirring years of world change and papal trips and not a little controversy Witness to Hope George Weigel, 2009-10-13 This definitive biography of Pope John Paul II explores his historic influence on the world stage Magnificent A tremendous achievement Washington Post As head of the Catholic Church from 1978 until his death in 2005 John Paul II was one of the world's most transformational figures With unprecedented cooperation from the Pope as well as the people who knew and worked with him throughout his life George Weigel offers a groundbreaking portrait of him as a man a thinker and a leader whose religious convictions defined a new approach to world politics and changed the course of history The Pope played a crucial yet underexplored role in some of the most momentous events of his time including the collapse of European communism the quest for peace in the Middle East and the democratic transformation of Latin America With an updated preface this edition of *Witness to Hope* explains how this man from a far country did all of that and much more and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world *The End and the Beginning* George Weigel, 2011-11-01 As March gave way to April in the spring of 2005 and the world kept vigil outside the apostolic palace in Rome the pontificate of Pope John Paul II then drawing to a poignant end was already being described as one of the most consequential in two millennia of Christian history With these words world renowned author and NBC Vatican analyst George Weigel begins his long awaited sequel to the international bestseller *Witness to Hope* The Biography of Pope John Paul II More than ten years in the making *The End and the Beginning* Pope John Paul II The Victory of Freedom the Last Years the Legacy tells the dramatic story of the Pope's battle with communism in light of new and recently disclosed information and brings to a close Weigel's landmark portrait of a man who not only left an indelible mark on the Catholic Church but also changed the course of world history When he was elected pope in the fall of 1978 few people had ever heard of the charismatic Karol Wojtya But in a very short time he would ignite a revolution of conscience in his native Poland that would ultimately lead to the collapse of European communism and death of the Soviet Union What even fewer people knew was that the KGB the Polish Secret Police and the East German Stasi had been waging a dangerous decades long war against Wojtya and the Vatican itself Weigel with unprecedented access to many Soviet era documents chronicles John Paul's struggle against the dark forces of communism Moreover Weigel recounts the tumultuous last years of John Paul's life as he dealt with a crippling illness as well as the new world disorder and revelations about corruption within the Catholic Church Weigel's thought provoking biography of John Paul II concludes with a probing and passionate assessment of a man who lived his life as a witness to hope in service to the Christian ideals he embraced Pope John Paul II Edward Renehan, 2006 Pope John Paul II led the Catholic Church during a time of great upheaval During his pontificate
