

THE PORTABLE DICKENS

Edited and with an Introduction
by Angus Wilson

Portable Charles Dickens

Walt Whitman

Portable Charles Dickens:

The Portable Dickens Charles Dickens, 1983 Portable Modernisms Emily Ridge, 2017-06-23 Luggage is an overlooked detail in the stock sketch of the expatriated modernist writer from the valise fashioned desks of both James Joyce and Vladimir Nabokov to the lost manuscript laden cases of Ernest Hemingway and Walter Benjamin While the trope of modernist exile has long been spotlighted little attention has been given to the material meaning of this condition What things and objects do modernism's exiles and emigres carry with them and how does the act of carriage enter into the modernist picture more broadly What are the implications and historical resonances of a portable outlook particularly from the angles of gender wartime conflict and character conception Above all how far does such an outlook impact upon artistic vision Portability represents the simultaneous transportation and repudiation of domesticity and the home those key frames of reference in the nineteenth century novel This book examines the multifarious ways in which the emergence of a modern culture of portability prompts a radical if often problematic departure from Victorian architectural conceptions of fiction towards more movable understandings of form and character **The Portable Theater** Alan Louis Ackerman, 2002 In *The Portable Theater* Alan Ackerman investigates the crucial importance of theater in the works of Walt Whitman Herman Melville William Dean Howells Louisa May Alcott and Henry James Whether as drama critics playwrights amateur actors or simply as avid theatergoers each of these authors thought deeply about the theater and represented it in literature **The Portable Edgar Allan Poe** Edgar Allan Poe, 2006-10-03 *The Portable Edgar Allan Poe* compiles Poe's greatest writings tales of fantasy terror death revenge murder and mystery including *The Pit and the Pendulum* *The Fall of the House of Usher* *The Cask of Amontillado* *The Masque of the Red Death* and *The Murders in the Rue Morgue* the world's first detective story In addition this volume offers letters articles criticism visionary poetry and a selection of random opinions on fancy and the imagination music and poetry intuition and sundry other topics For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Portable Prose** Jarrad Cogle, N. Cyril Fischer, Lydia Saleh Rofail, Vanessa Smith, 2018-11-09 *Portable Prose The Novel and the Everyday* examines the novel as a privileged site for representing the everyday as well as a physical object that occupies public and private space This collection interrogates the relationships between these differing aspects of the novel's existence negotiating the boundaries between the material world subjective experience and strategies of representation This collection offers a wide array of innovative novelistic explorations with a focus ranging from nineteenth century fiction to contemporary literary theory and explores the portability of novels as both physical things and virtual hermeneutic devices While mimetic qualities of prose remain an integral consideration for literary interpretation this

collection argues for more diverse frameworks ones that see aesthetic components of the novel in close connection with reading practices shared structures of feeling and the corporeal In this capacity this volume will argue for readings of texts that consider the capacity for literary culture to move through the world but also to make it or re make it new *The Portable Henry James* Henry James,2003-12-30 Henry James wrote with an imperial elegance of style whether his subjects were American innocents or European sophisticates incandescent women or their vigorous suitors His omniscient eye took in the surfaces of cities the nuances of speech dress and manner and above all the microscopic interactions hesitancies betrayals and self betrayals that are the true substance of relationships The entirely new Portable Henry James provides an unparalleled range of this great body of work seven major tales including Daisy Miller The Turn of the Screw The Beast in the Jungle and The Jolly Corner a sampling of revisions James made to some of his most famous work travel writing literary criticism correspondences autobiography descriptions of the major novels and parodies by famous contemporaries including T S Eliot Ezra Pound Virginia Woolf and Graham Greene For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Portable Property John Plotz,2008 What fueled the Victorian passion for hair jewelry and memorial rings When would an everyday object metamorphose from commodity to precious relic In Portable Property John Plotz examines the new role played by portable objects in persuading Victorian Britons that they could travel abroad with religious sentiments family ties and national identity intact In an empire defined as much by the circulation of capital as by force of arms the challenge of preserving Englishness while living overseas became a central Victorian preoccupation creating a pressing need for objects that could readily travel abroad as personifications of Britishness At the same time a radically new relationship between cash value and sentimental associations arose in certain resonant mementoes in teacups rings sprigs of heather and handkerchiefs but most of all in books Portable Property examines how culture bearing objects came to stand for distant people and places creating or preserving a sense of self and community despite geographic dislocation Victorian novels because they themselves came to be understood as the quintessential portable property tell the story of this change most clearly Plotz analyzes a wide range of works paying particular attention to George Eliot s Daniel Deronda Anthony Trollope s Eustace Diamonds and R D Blackmore s Lorna Doone He also discusses Thomas Hardy and William Morris s vehement attack on the very notion of cultural portability The result is a richer understanding of the role of objects in British culture at home and abroad during the Age of Empire

The Portable Frederick Douglass Frederick Douglass,2016-09-27 A new collection of the seminal writings and speeches of a legendary writer orator and civil rights leader This compact volume offers a full course on the remarkable diverse career of Frederick Douglass letting us hear once

more a necessary historical figure whose guiding voice is needed now as urgently as ever Edited by renowned scholar Henry Louis Gates Jr and Pulitzer Prize nominated historian John Stauffer *The Portable Frederick Douglass* includes the full range of Douglass's works the complete *Narrative of the Life of Frederick Douglass* as well as extracts from *My Bondage and My Freedom* and *Life and Times of Frederick Douglass* The *Heroic Slave* one of the first works of African American fiction the brilliant speeches that launched his political career and that constitute the greatest oratory of the Civil War era and his journalism which ranges from cultural and political critique including his early support for women's equality to law history philosophy literature art and international affairs including a never before published essay on Haitian revolutionary Toussaint L Ouverture *The Portable Frederick Douglass* is the latest addition in a series of African American classics curated by Henry Louis Gates Jr First published in 2008 the series reflects a selection of great works of fiction nonfiction and poetry by African and African American authors introduced and annotated by leading scholars and acclaimed writers in new or updated editions for Penguin Classics In his series essay *What Is an African American Classic* Gates provides a broader view of the canon of classics of African American literature available from Penguin Classics and beyond Gates writes These texts reveal the human universal through the African American particular all true art all classics do this this is what art is a revelation of that which makes each of us sublimely human rendered in the minute details of the actions and thoughts and feelings of a compelling character embedded in a time and place For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Portable Hannah Arendt Hannah Arendt, 2003-07-29 A collection of writings by a groundbreaking political thinker including excerpts from *The Origins of Totalitarianism* and *Eichmann in Jerusalem* She was a Jew born in Germany in the early twentieth century and she studied with the greatest German minds of her day Martin Heidegger and Karl Jaspers among them After the rise of the Nazis she emigrated to America where she proceeded to write some of the most searching hard hitting reflections on the agonizing issues of the time totalitarianism in both Nazi and Stalinist garb Zionism and the legacy of the Holocaust federally mandated school desegregation and civil rights in the United States and the nature of evil *The Portable Hannah Arendt* offers substantial excerpts from the three works that ensured her international and enduring stature *The Origins of Totalitarianism* *The Human Condition* and *Eichmann in Jerusalem* Additionally this volume includes several other provocative essays as well as her correspondence with other influential figures

The Portable Walt Whitman Walt Whitman, 2003-12-30 A comprehensive collection of Whitman's most beloved works of poetry prose and short stories When Walt Whitman self published *Leaves of Grass* in 1855 it was a slim volume of twelve poems and he was a journalist and poet from Long Island little known but full of ambition and poetic fire To give a

new voice to the new nation shaken by civil war he spent his entire life revising and adding to the work but his initial act of bravado in answering Ralph Waldo Emerson's call for a national poet has made Whitman the quintessential American writer This rich cross section of his work includes poems from throughout Whitman's lifetime as published on his deathbed edition of 1891 short stories his prefaces to the many editions of *Leaves of Grass* and a variety of prose selections including *Democratic Vistas* *Specimen Days* and *Slang in America* For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
