Portrait Of A President:

Portrait of a President, 1976 *Ilham Portrait of a President* Graeme H. Wilson, 2013 In October 2003 Ilham Aliyev became President of Azerbaijan After a career as a scholar and historian businessman and oil executive his sudden rise to political power caught many by surprise Yet eight years on Azerbaijan is on the crest of an economic wave despite the global recession The newly independent nation is building a robust civil society democracy has taken root poverty rates have dropped dramatically and Azerbaijan is winning international plaudits for transparency and good governance Ilham Portrait of a President is the first English language biography of this intriguing statesman *Lyndon B. Johnson* Robert Dallek, 2004-01-08 Robert Dallek's brilliant two volume biography of Lyndon Johnson has received an avalanche of praise Michael Beschloss in The Los Angeles Times said that it succeeds brilliantly The New York Times called it rock solid and The Washington Post hailed it as invaluable And Sidney Blumenthal in The Boston Globe wrote that it was dense with astonishing incidents Now Dallek has condensed his two volume masterpiece into what is surely the finest one volume biography of Johnson available Based on years of research in over 450 manuscript collections and oral histories as well as numerous personal interviews this biography follows Johnson the human dynamo from the Texas hill country to the White House We see LBJ in the House and the Senate whirl his way through sixteen and eighteen hour days talking urging demanding reaching for influence and power in an uncommonly successful congressional career Then in the White House we see Johnson as the visionary leader who worked his will on Congress like no president before or since enacting a range of crucial legislation from Medicare and environmental protection to the most significant advances in civil rights for black Americans ever achieved And we see the depth of Johnson's private anguish as he became increasingly ensnared in Vietnam In these pages Johnson emerges as a man of towering intensity and anguished insecurity of grandiose ambition and grave self doubt a man who was brilliant crude intimidating compassionate overbearing driven A tornado in pants Gracefully written and delicately balanced this **Portrait of a President** William Manchester, 2017-01-10 An up close look at John F Kennedy by one of his closest confidants a New York Times bestselling biographer Written by a prize winning historian and biographer of such giants as Winston S Churchill and Douglas MacArthur this intimately detailed account provides a rare personal glimpse into the emotions behind the Kennedy administration from the elation of victory to the frustrating challenges facing a young president at a pivotal turning point in US history Originally published in 1962 before the assassination of JFK Portrait of a President is William Manchester's first biography of the thirty fifth president of the United States In addition to firsthand encounters with JFK the biography draws from over forty interviews conducted in the first year of his presidency In speaking with those closest to the commander in chief both in his administration and his family Manchester captures a complete portrait of one of the most highly regarded figures of the twentieth century This edition includes a new introduction and epilogue written by Manchester in the aftermath of November 1963 adding to the mythos by documenting not just how
