Terence Prittie

Portrait Of A Statesman:

Portrait of a Statesman Dennis Bardens, 1955 Salisbury, 1830-1903, Portrait of a Statesman, by A. L. Kennedy,...
Aubrey Leo Kennedy, 1953 **Willy Brandt; Portrait of a Statesman** Terence Prittie, 1974 Portrait of a Statesman
Aubrey Leo Kennedy, 1953 **The Philosopher in Plato's Statesman** Mitchell H. Miller, 2012-12-06 others in his discipline
tend not to bring their studies to bear on the substance of the dialogues Conversely philosophical interpreters have generally
felt free to approach the extensive logical and ontological cosmological and political doctrines of the later dialogues without
concern for questions of literary style s and form Given moreover the equally sharp distinction between the diSciplines of
philosophy and cultural history it has been too easy to treat this bulk of doctrine without a pointed sense of the specific
historical audience to which it is addressed As a result the pervasive tendency has been the reverse of that which has
dominated the reading of the early dialogues here we tend to neglect drama and pedagogy and to focus exclusively on
philosophical substance Both in general and particularly in regard to the later dialogues the difficulty is that our
predispositions have the force of self fulfilling prophecy Are we sure that the later Plato s apparent loss of interest in the
dramatic is not on the contrary a reflection of our limited sense of the integrity of drama and sub stance form and content
What we lack eyes for of course we will not see The basic purpose of this essay is to develop eyes as it were for that integrity
The best way to do this I think is to take a later dialogue and to try to read it as a whole of form content and communicative
function *Philosopher in Plato's Statesman* Mitchell Miller, 2004-09-15 In the Statesman Plato brings together only to
challenge and displace his own crowning contributions to philosophical method political theory and drama In his 1980 study
reprinted here Mitchell Miller employs literary theory and conceptual analysis to expose the philosophical political and
pedagogical conflict that is the underlying context of the dialogue revealing that its chaotic variety of movements is actually a
carefully harmonized act of realizing the mean The original study left one question outstanding what specifically in the
metaphysical order of things motivated the nameless Visitor from Elea to abandon bifurcation for his consummating non
bifurcatory division of fifteen kinds at the end of the dialogue Miller addressed in a separate essay first published in 1999 and
reprinted here In it he opens the horizon of interpretation to include the new metaphysics of the Parmenides the Philebus
and the unwritten teachings *The Nobel Peace Prize and the Laureates* Irwin Abrams, 2001 Presents brief biographical
portraits of the 106 recipients of the Nobel Peace Prize during its 100 year history **Legislative Documents** Iowa.
General Assembly, 1898 Contains the reports of state departments and officials for the preceding fiscal biennium
