Mark L. Strauss

Portrait Of Paul Making Disciples Of All Nations:

A Portrait of Paul David J. Valleskey, 2002-01-01 Explores Paul's life and mission work and applies his missionary methods to present day churches *A Portrait of Paul* James Alexander Findlay, 1936 Portraits of the Church Donald Rhody, 2011-09 To serve the church is as close as we are able to come on this earth to physically serving Christ himself The church is the presence of Christ on earth today I have fallen in love with the church One of the most misunderstood of God's works is what He means to accomplish through His church Why is it that God values His church so much Why is it that He has invested so much in what we often see as an unreliable and self-serving organization Despite the fact that in the church today we see merely a shadow of the promise of what God intends we do have a great deal written in the Bible both about the present state of the church and of its future In *Portraits of the Church* author Donald Rhody explores the present state of the church and how our misunderstanding of what God is doing often causes us to act in ways that do not harmonize with His plan If we would better understand the Lord's ultimate goal for the church we could better serve Him in this work In so doing we will also better see what God is accomplishing and we will be amazed *The Portrait of St Paul: or, the true model for Christians and Pastors. Translated by J. Gilpin from a French Manuscript of ... J. W. de la F. ... To which is added, some account of the author by the Rev. J. Gilpin, etc* John Fletcher, 1807 **The Portrait of St. Paul; Or the True Model for Christians and Pastors** John Fletcher, 1830 Four Portraits, One Jesus Laminated Sheet Mark L. Strauss, 2019-04-23 This laminated sheet accompanies Mark L. Strauss's *Four Portraits One Jesus* Following the textbook's structure this quick study tool offers summaries important definitions dates and concepts designed to support the student's learning experience and enhance their comprehension of what can be known from the Gospels about the central defining subject of Christianity Jesus of Nazareth *Four Portraits One Jesus* is a thorough yet accessible introduction to the four biblical Gospels and their subject the life and person of Jesus Like different artists rendering the same subject using different styles and points of view the Gospels paint four highly distinctive portraits of the same remarkable Jesus With clarity and insight Mark Strauss illuminates these four books first addressing their nature origin methods for study and historical religious and cultural backgrounds He then moves on to closer study of each narrative and its contribution to our understanding of Jesus investigating things such as plot characters and theme Finally he pulls it all together with a detailed examination of what the Gospels teach about Jesus ministry message death and resurrection with excursions into the quest for the historical Jesus and the historical reliability of the Gospels *The Portrait of Saint Paul* John Fletcher, 1804 *Jesus, Paul, and the Early Church* Eckhard J. Schnabel, 2018-07-24 This volume contains seventeen essays written by Eckhard J. Schnabel written over the past 25 years The essays focus on the realities of the work of Jesus Paul John and the early church exploring aspects of the history missionary expansion and theology of the early church including lexical ethical and ecclesiological questions Specific subjects discussed include Jesus' silence at his trial the introduction of foreign deities to Athens the understanding of Rom 12:1 Paul's

ethics the meaning of baptize in the realities of persecution Christian identity and mission in Revelation and singing and instrumental music in the early church The Portraits of Jesus Christ in the New Testament Henry Sloane Coffin, 1925

Reflexivity in Love A Self-Reflexive Portrait of the Little Flower of Jesus Fr. Emmanuel Javert Nnadozie

OCD, 2024-09-19 This book focuses particularly on the self reflexive elements of the divine and human transformation in the Christian life which we find in St Therese especially her ability to wonder and question herself about the mysteries of God as they relate to her spiritual life and growth It studies Therese s spirit of critical listening and profound spiritual reflection on the things of her experience and explores her self reflective and interrogative self understanding of her call to sanctity of life The author also discusses how the Saint appropriated God s Word and God s grace hidden in the events of her life The book shows how through self reflexivity and meditation on God s Word she discovered her vocation as love in the heart of the Church following which she desired to sing of the mercies of the Lord with her whole life by loving God and neighbor in ordinary things in an extraordinary way and by leading a legion of souls through this Little Way of love which has a general or universal application to all who desire to attain perfection by a straight and short route While it is recognized that God s grace works in individuals according to their personal vocations the author believes that spiritual self reflexivity helps the faithful to integrate meaningfully like St Therese the general principles of the spiritual life and the example of the Saints into each individual s spiritual life in the events of daily life irrespective of their individual vocations And this is why the Little Way as a spiritual path can be lived by all who commit themselves to following the example found in St Therese s simple humble and confident way of spiritual childhood and of loving God and neighbor in the ordinary life and events of every day with reflexivity in love as the key
