## **Pursuit Of Happiness In Times Of War:**

**The Pursuit of Happiness in Times of War** Carl M. Cannon, 2005-09-15 The Founders wrote in 1776 that life liberty and the pursuit of happiness are unalienable American rights In *The Pursuit of Happiness in Times of War* Carl M Cannon shows how this single phrase is one of almost unbelievable historical power It was this rich rhetorical vein that New York Mayor Rudolph Giuliani and President George W Bush tapped into after 9 11 when they urged Americans to go to ballgames to shop to do things that made them happy even in the face of unrivaled horror From the Revolutionary War to the current War on Terrorism Americans have lived out this creed They have been helped in this effort by their elected leaders who in times of war inevitably hark back to Jefferson s soaring language If the former Gotham mayor and the current president had perfect pitch in the days after September 11 so too have American presidents and other leaders throughout our nation s history In this book Mr Cannon a Pulitzer Prize winning journalist traces the roots of Jefferson s powerful phrase and explores how it has been embraced by wartime presidents for two centuries Mr Cannon draws on original research at presidential libraries and interviews with Gerald R Ford Jimmy Carter George H W Bush and Bill Clinton among others He discussed with the presidents exactly what the phrase means to them Mr Cannon charts how Americans understanding of the pursuit of happiness has changed through the years as the nation itself has changed In the end America s political leaders have all come to the same conclusion as its spiritual leaders True happiness either for a nation or an individual does not come from conquest or fortune or even from the attainment of freedom itself It comes in the pursuit of happiness for the benefit of others This may be one truth that contemporary liberals and conservatives can agree on John McCain and Jimmy Carter both envision happiness as a sacrifice to a higher calling embodied in everything from McCain s time as a prisoner of war to the N

**The Kabbalah of Time** Bonder Nilton Bonder, Nilton Bonder, 2009-11 The Kabbalah of Time is an interactive investigation of two fundamental mysteries the Absolute God and the Infinite time space Everything that has form was shaped by the transitory nature of time God devoid of form as presented in the Biblical text is a God that does not belong to time Using mystical teachings within Judaism to learn from the perspective of beyond time Rabbi Nilton Bonder presents some intriguing questions and mysterious answers that can contribute to a better intimacy with reality Viewing Creation as the Creation of time itself he proposes a countdown for the establishment of sequential time as we know it Day 1 The Everlasting produces the Now Day 2 The Now produces existence Day 3 Existence produces death Day 4 Death produces feelings Day 5 Feelings produce intelligence Day 6 Intelligence produces the past Day 7 The past produces the future Why would a Creator by nature be hidden and invisible Can something exist without being inside time Where did we come from and where do we go when we leave time What if time could be understood as a place a place that has no direction
