From Servants of the Empire to Everyday Heroes Tobias Harper,2020-02-13 In the twentieth century the British Crown appointed around a hundred thousand people military and civilian in Britain and the British Empire to honours and titles For outsiders and sometimes recipients too these jumbles of letters are tantalizingly confusing OM MBE GCVO CH KB or CBE Throughout the century this system expanded to include different kinds of people while also shrinking in its imperial scope with the declining empire Through these dual processes this profoundly hierarchical system underwent a seemingly counter intuitive change it democratized Why and how did the British government change this system And how did its various publics respond to it This study addresses these questions directly by looking at the history of the honours system in the wider context of the major historical changes in Britain and the British Empire in the twentieth century In particular it looks at the

evolution of this hierarchical deferential system amidst democratization and decolonization It focuses on the system's largest and most important components the Order of the British Empire the Knight Bachelor and the lower ranks of other Orders By creatively analysing the politics and administration of the system alongside popular responses to it in diaries letters newspapers and memoirs Tobias Harper shows the many different meanings that honours took on for the establishment dissidents and recipients He also shows the ways in which the system succeeded and failed to order and bring together **Churchill's Enemies, 1927** □ **1940** John Harte, 2025-07-10 A revealing account of how Churchill's early battles with fascism and extremism shaped modern geopolitics Remarkably ambitious in scope Harte manages to knit together a social and cultural history of these years including how Churchill both influenced the world and was defined by the issues of the day Harte wants to show when and where the scrawny little twenty year old second lieutenant became a global leader The question is not a new one but it never fails to fascinate International Churchill Society Churchill s Enemies describes Winston Churchill's main challenges when he was out of office from 1929 1939 They were the rise to dictatorship of Benito Mussolini in Italy and the adaptation of his fascist system by the Nazi Party in Germany It also explains the relevance of Hitler's collaboration with the Mufti of Jerusalem in the Middle East who spread Nazi ideology in Jerusalem Gaza and Lebanon and how step by step the two European dictators destroyed democracy This account of the first half of Winston Churchill's life should help readers to understand how today s world crisis began The Cairo Conference was the West s first attempt to bring the Arab world into the twentieth century by solving the Middle East crisis in 1921 It also shows how Churchill changed from an ambitious young politician to an elder statesman as a consequence of his experiences in the changing world with all its complexities paradoxes and ambiguities and how his decisions still impact world politics today The major menaces with which he was confronted throughout his political career were the chaos caused by Islamist terrorists in the Middle East from 1918 and the spread of communism and fascism when he was Minister for War and then Colonial Secretary The author described the first two threats in his previous book Churchill's Challenges Love in a Cold Climate Nancy Mitford, 2000-02-05 Nancy Mitford's Love in a Cold Climate and Other Novels casts a finely gauged net to capture perfectly the foibles and fancies of the English upper class and includes an introduction by Philip Hensher in Penguin Modern Classics Nancy Mitford's brilliantly witty irreverent stories of the upper classes in pre war London and Paris conjure up a world of glamour gossip and decadence In The Pursuit of Love Love in a Cold Climate and The Blessing her extraordinary heroines deal with armies of hilariously eccentric relatives the excitement of love and passion and the thrills of the social Season But beneath the glittering surfaces and perfectly timed comic dialogue Nancy Mitford's novels are also touching hymns to a lost era and to the brevity of life and love from one of the most individual beguiling and creative users of the language Nancy Mitford 1904 1973 was born in London A member of one of the aristocracy s more eccentric families and educated at home with a clutch of siblings Mitford used childhood experience lightly fictionalised in her comic novels

including The Pursuit of Love 1945 She also wrote biographies translated from the French and edited a celebrated symposium on English Aristocrats If you enjoyed Love in a Cold Climate and Other Novels you might like Evelyn Waugh s Brideshead Revisited also available in Penguin Modern Classics Very funny inimitable and irresistible one of the most individual beguiling and creative users of English this century Philip Hensher
