

PUŠKIN TODAY

Edited by David M. Bethea

Puskin Today

Catherine O'Neil

Puskin Today:

Puškin Today David M. Bethea, 1993 Since the nineteenth century the great Russian writer Alexander Pushkin has been a cultural myth a figure absolutely central to Russian culture even to Russianness itself In this volume distinguished American Slavists address Pushkin s writings from a multiplicity of contemporary literary perspectives and investigate some of the most puzzling issues in the poet s life and work **Two Hundred Years of Pushkin, Volume I**, 2021-12-28 From his earliest publications onwards Pushkin has been the source of inspiration and imitation for other writers as well as composers painters and more recently film makers This book seeks to explore the different relationship his followers have sought with the founding father of modern Russian culture Pushkin s Secret Russian Writers Reread and Rewrite Pushkin takes a variety of approaches Some contributors to the collection trace the way Pushkin s works provided the template for the characters and stories which were produced in the first decades after his untimely death in 1837 Others reveal the impact the myths surrounding Pushkin s tragic life were used and abused by followers as well as governments of various hues Yet other studies explore the very precise ways Pushkin s successors used his texts as source material for their own works Pushkin s Secret Russian Writers Reread and Rewrite Pushkin offers a series of fascinating insights into the impact that Alexander Pushkin has had on Russian culture over the last 200 years Pushkin s Secret Russian Writers Reread and Rewrite Pushkin will be followed by two further volumes devoted to Pushkin within the SSLP series Pushkin Myth and Monument and Pushkin s Legacy *From Pushkin to Popular Culture* Catharine Theimer Nepomnyashchy, 2024-04-16 This volume includes many of the best essays by Catharine Theimer Nepomnyashchy 1951-2015 one of the most original scholars of Russian culture of her generation Nepomnyashchy s broad interests ranged from Pushkin to contemporary Russian popular culture Her work speaks to issues that remain central to Slavic studies today including imperialist impulses and rhetoric in Russian culture the resiliency and post Soviet afterlife of Stalinist mythic and cultic formulas and problems connected with dissent censorship and displacement In addition to some of Nepomnyashchy s best previously published scholarly work this volume includes excerpts from *The Politics of Tradition Rerooting Russian Literature After Stalin* the book manuscript that Nepomnyashchy was working on in the last years of her life *Two Hundred Years of Pushkin: Alexander Pushkin : myth and monument* Joe Andrew, Robert Reid, 2003 Puskin s poetry prose and drama frequently draw upon myths of classical antiquity myths of modern European culture grand narratives such as the Don Juan legend and Dante s Inferno as well as uniquely Russian myths The contributors to this volume explore these myths from a variety of critical viewpoints and highlight the specific ways in which Pushkin uses myth among these his recurrent emphasis on the symbolism of monuments and statuary **Two Hundred Years of Pushkin, Volume III**, 2021-11-01 Pushkin s status as Russia s national poet rests as much on the breadth of his cultural influence as on the intrinsic quality of his works Pushkin s Legacy reflects in various ways the areas in which this influence has been felt Part I considers some of the key factors in defining Pushkin for posterity in particular the crucial role

played by the critic Belinskii and the problematics of periodising Pushkin Part II examines the richness of Pushkin's poetics including the ways in which his work challenged the established boundaries between poetry and prose Part III examines Russian music's debt to Pushkin and vice versa Russian music's role in popularising his works Part IV examines Pushkin's influence abroad via studies of his influence on Melville and Henry James and on a more personal level through his descendants in England Pushkin's Legacy offers a variety of approaches to Pushkin and his oeuvre and to the nature of his complex impact on Russian and European culture Pushkin's Legacy is the third volume devoted to Pushkin to be published in the SSLP series under the general title Two Hundred Years of Pushkin It follows volume I Pushkin's Secret Russian Writers Reread and Rewrite Pushkin and volume II Alexander Pushkin Myth and Monument

Pushkin and the Genres of Madness Gary Rosenshield, 2003 In 1833 Alexander Pushkin began to explore the topic of madness a subject little explored in Russian literature before his time The works he produced on the theme are three of his greatest masterpieces the prose novella The Queen of Spades the narrative poem The Bronze Horseman and the lyric God Grant That I Not Lose My Mind Gary Rosenshield presents a new interpretation of Pushkin's genius through an examination of his various representations of madness Pushkin brilliantly explored both the destructive and creative sides of madness a strange fusion of violence and insight In this study Rosenshield illustrates the surprising valorization of madness in The Queen of Spades and God Grant That I Not Lose My Mind and analyzes The Bronze Horseman's confrontation with the legacy of Peter the Great a cornerstone figure of Russian history Drawing on themes of madness in western literature Rosenshield situates Pushkin in a greater framework with such luminaries as Shakespeare Sophocles Cervantes and Dostoevsky providing an insightful and absorbing study of Russia's greatest writer

Pushkin and his Sculptural Myth Roman Jakobson, 2019-01-29 No detailed description available for Pushkin and his Sculptural Myth

Tragic Encounters Maksim Hanukai, 2023-05-16 Literary scholars largely agree that the Romantic period altered the definition of tragedy but they have confined their analyses to Western European authors Maksim Hanukai introduces a new illuminating figure to this narrative arguing that Russia's national poet Alexander Pushkin can be understood as a tragic Romantic poet although in a different mold than his Western counterparts Many of Pushkin's works move seamlessly between the closed world of traditional tragedy and the open world of Romantic tragic drama and yet they follow neither the cathartic program prescribed by Aristotle nor the redemptive mythologies of the Romantics Instead the idiosyncratic and artistically mercurial Pushkin seized upon the newly unstable tragic mode to develop multiple overlapping tragic visions Providing new innovative readings of such masterpieces as The Gypsies Boris Godunov The Little Tragedies and The Bronze Horseman Hanukai sheds light on an unexplored aspect of Pushkin's work while also challenging reigning theories about the fate of tragedy in the Romantic period

Two Hundred Years of Pushkin, Volume II, 2021-11-01 Pushkin's status as the founding father of Russian literature owes much to his stylistic and linguistic innovations across a wide range of literary genres But equally important is the influence he exerted on

his successors via his exploitation of myth in its widest sense His poetry prose and drama frequently draw upon myths of classical antiquity myths of modern European culture grand narratives such as the Don Juan legend and Dante's Inferno as well as uniquely Russian myths particularly those associated with St Petersburg and its founder Peter the Great It was through the elaboration of such myths that Russia attained to a sense of both its cultural uniqueness and its inscription in the broader context of European culture The contributors to Alexander Pushkin Myth and Monument explore these myths from a variety of critical viewpoints and highlight the specific ways in which Pushkin uses myth among these his recurrent emphasis on the symbolism of monuments and statuary famously referred to by Roman Jakobson as Pushkin's sculptural myth Alexander Pushkin Myth and Monument is the second volume devoted to Pushkin published in the SLP series the first being Pushkin's Secret Russian Writers Reread and Rewrite Pushkin A third volume Pushkin's Legacy will follow

Пушкинский Журнал, 1994 **The Pushkin Project** David Bethea, 2023-09-26 Bethea's book conveys the story of an amazingly ambitious attempt to preserve the humanities while also saving the future of disadvantaged high school students in Chicago Highly recommended Library Journal starred review The Pushkin Project tells the story of how a Russian studies professor changes course late in his career by reeducating himself in evolutionary thought and founding a summer institute that partners with inner city high schools to implement a new set of learning strategies for underserved youth These cognitive cross training strategies involve introducing students from Hispanic and Black neighborhoods in the west and south sides of Chicago to the Russian culture and language with an emphasis on poet playwright and novelist Alexander Pushkin Through the lens of modern evolutionary thought students adopt not only a new and different language and culture but also a different sort of literary hero one whose African heritage within the majority culture speaks to them directly This inspiring and compelling story provides fascinating insights into Russia's national poet brings the sciences and humanities together and provides new directions in teaching young people from historically disadvantaged backgrounds **With Shakespeare's Eyes** Catherine O'Neil, 2003 With Shakespeare's Eyes is the first monograph to focus exclusively on the relationship between the Russian poet Alexander Pushkin and Shakespeare Taking into account contemporary perceptions of Shakespeare in print and on the Russian stage O'Neil examines all levels of poetic influence of Shakespeare on Pushkin In addition to untangling the central presence of Shakespeare on Pushkin's historical tragedy Boris Godunov O'Neil examines Shakespeare's influence in many other works by Pushkin an influence that ranges from the textual to the conceptual The Shakespeare plays addressed most closely in this book are Othello Measure for Measure and Julius Caesar all of which interact in a dynamic way with Pushkin's creative development This book will help English readers understand better what it means to say Pushkin is the Shakespeare of Russia Catherine O'Neil is Assistant Professor of Russian at the University of Denver **A Plot of Her Own** Sona Stephan Hoisington, 1995 A Plot of Her Own presents compelling new readings of major texts in the Russian literary canon all of which are readily available in translation The female protagonists in the works examined are inextricably

linked with the fundamental issues raised by the novels they inform the interpretations offered strive not to be reductive or doctrinaire not to be imposed from the outside but to arise from the texts themselves and the historical circumstances in which they were written Authors discussed include Pushkin Dostoevsky Tolstoy and Bulgakov and the novels considered range from *Fathers and Children* to *Zamyatin's anti Utopian We* Throughout the contributors new visions expand our understanding of the words and reveal new significance in them **Realizing Metaphors** David M. Bethea,1998-11-24

Readers often have regarded with curiosity the creative life of the poet In this passionate and authoritative new study David Bethea illustrates the relation between the art and life of nineteenth century poet Alexander Pushkin the central figure in Russian thought and culture Bethea shows how Pushkin on the eve of his two hundredth birthday still speaks to our time He indicates how we as modern readers might realize that is not only grasp cognitively but feel experience the promethean metaphors central to the poet's intensely sculpted life The Pushkin who emerges from Bethea's portrait is one who long unknown to English language readers closely resembles the original both psychologically and artistically Bethea begins by addressing the influential thinkers Freud Bloom Jakobson and Lotman to show that their premises do not by themselves adequately account for Pushkin's psychology of creation or his version of the life of the poet He then proposes his own versatile model of reading and goes on to sketches the tangled connections between Pushkin and his great compatriot the eighteenth century poet Gavrila Derzhavin Pushkin simultaneously advanced toward and retreated from the shadow of his predecessor as he created notions of poet in history and inspiration new for his time and absolutely determinative for the tradition thereafter **The American Bibliography of Slavic and East European Studies** Patt Leonard,Rebecca Routh,2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology *Two Hundred Years of Pushkin* Joe Andrew,Robert Reid,2003

Pushkin's status as Russia's national poet rests as much on the breadth of his cultural influence as on the intrinsic quality of his works Pushkin's Legacy reflects in various ways the areas in which this influence has been felt Part I considers some of the key factors in defining Pushkin for posterity in particular the crucial role played by the critic Belinskii and the problematics of periodising Pushkin Part II examines the richness of Pushkin's poetics including the ways in which his work challenged the established boundaries between poetry and prose Part III examines Russian music's debt to Pushkin and vice versa Russian music's role in popularising his works Part IV examines Pushkin's influence abroad via studies of his influence on Merimee and Henry James and on a more personal level through his descendants in England **Pushkin's Tatiana** Olga Peters Hasty,1999 ONE OF THE most discussed and elusive female characters in the Russian literary tradition Pushkin's Tatiana Larina is the progenetrix of an impressive list of heroines ranging from Tolstoy's Anna Karenina to Pasternak's Lara Guishar in *Doctor Zhivago* In this provocative new book Olga Hasty offers the first study of Pushkin's novel in verse Eugene

Onegin that focuses systematically on Tatiana A major revisionist reading of one of the central texts of the Russian canon Hasty's Tatianacentric approach to Eugene Onegin revitalizes our understanding of both Pushkin's heroine and the novel in which she appears Hasty shows with elegance and psychological insight how Tatiana is able to realize her imaginative potential in a context full of real risk and constraint Tatiana emerges as a new literary psychological and cultural model who enacts precisely those creative tensions and possibilities on which Pushkin himself drew Pushkin's Tatiana recovers the erotic energy self control and expressivity of Pushkin's most beloved heroine freeing her from the clichéd image of self-sacrificial woman Hasty concludes with an insightful exploration of Tatiana's subsequent role in the self-presentations of the Russian poets Karolina Pavlova and Marina Tsvetaeva

The Soul of Russia Morris Berman, 2023-07-31 Ecstasy witchcraft bewilderment these ten loving vignettes on scandalous corners of Russian culture by one of our most seasoned cultural critics are a tribute to imperishable art even in our catastrophic time Caryl Emerson Professor Emerita of Slavic Languages and Literatures Princeton University In terms of literature music and film it would be hard to outdo the sheer genius and creativity of Russia These things constitute the soul of the nation and it is this that Morris Berman explores in his latest work The Soul of Russia His central argument is that at the heart of this brilliance lies a particular idiosyncratic theme the peasant shamanic folkloric tradition of the Russian people which these artists from Pushkin to Tarkovsky drew upon for their inspiration It was a Dionysian source a nonrational one and it endowed Russian creative work with what we would have to call vibrancy Berman presents ten Russian artists who have left their indelible imprint on our collective consciousness Pushkin offers a supernatural puzzle that Russian scholars are still trying to solve to this day Gogol tells a tale of a man who wakes up to discover he has lost his nose and goes in search of it while his nose has simultaneously taken on a life of its own Andrei Bely in Petersburg explains the revolution of 1905 not through traditional sociological or historical analysis but by means of a surreal panorama of Oedipal events Chekhov wittily explores the erotic properties of food while Diaghilev shocks Europe with the great Vaslav Nijinsky and the Ballets Russes Composing for this radical dance company Stravinsky manages to alter the face of music forever Mikhail Bulgakov offers one of the greatest novels of the twentieth century The Master and Margarita and Tarkovsky responds to Stanley Kubrick's famous 2001 A Space Odyssey by coming up with Solaris a film based not on superficial American techno fetishism but on questions of love reality and human identity The Soul of Russia is a feast for the mind but also for the senses a book that readers will want to delve into more than once

The American Bibliography of Slavic and East European Studies for 1994 Patt Leonard, Rebecca Routh, 1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs

A Nation Astray Ingrid Anne Kleespies, 2012-11-15 The metaphor of the nomad may at first seem surprising for Russia given its history of serfdom travel restrictions and strict social hierarchy But as the imperial center struggled to

tame a vast territory with ever expanding borders ideas of mobility motion travel wandering and homelessness came to constitute important elements in the discourse about national identity For Russians of the nineteenth century national identity was anything but stable This rootlessness is at the core of *A Nation Astray* Here Ingrid Anne Kleespies traces the image of the nomad and its relationship to Russian national identity through the debates and discussion of literary works by seminal writers like Karamzin Pushkin Chaadaev Goncharov and Dostoevsky Appealing to students of Russian Romanticism nationhood and identity as well as general readers interested in exile and displacement as elements of the human condition this interdisciplinary work illuminates the historical and philosophical underpinnings of a basic aspect of Russian self determination the nomadic constitution of the Russian nation

Reviewing **Puskin Today**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Puskin Today Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Puskin Today free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Puskin Today free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Puskin Today free PDF files is convenient, its important to note that copyright laws must be

respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Puskin Today. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Puskin Today any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Puskin Today Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Puskin Today is one of the best book in our library for free trial. We provide copy of Puskin Today in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Puskin Today. Where to download Puskin Today online for free? Are you looking for Puskin Today PDF? This is definitely going to save you time and cash in something you should think about.
