Putting The Past Behind Biblical Solutions To Your Unmet Needs:

Deborah L. Jones-Allen, 2009-11 This book is an Emotional Experience to Unleash Pain Hope and Determination When I wrote this book the thought never occurred to me that so many people shared similar if not the same exact experiences as I At first it was very difficult for me to express in words especially in writing deep secrets that were embedded with shame guilt and internal fears Before divine intervention helped me understand that childhood hurts are just that childhood hurts I was continuously engulfed in a battle that raged war between my spirit soul and body If these hurts are left untreated or unaddressed these childhood hurts have the potential of developing into an array of unwelcomed personality disorders emotional problems and physical illnesses that interferes with one s education relationships finances and spirituality Sadly human behaviors are often altered by society ills toxic environments and learned behaviors which deepens internal conflicts When a person recognizes that good is within them they are able to see themselves differently In order for many of us to move forward we will have to journey back a trip that goes far beyond one s immediate family circumstances and painful memories As recorded in Genesis the journey oftentimes must go back to the footsteps of the first family it is there that one will find blame guilt and shame in the midst of paradise a place of peace and love It is here where we can accept and understand the meaning of being created in God s image to mirror His presence in the earth Despite life adversities you can live a victorious life by knowing that Christ is in control of your life In this book Mirrored Reflection you will discover my personal pain and my personal determination to love and to be loved all embraced the Blessed Hope

and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person s behavior personal growth and spiritual maturity We are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome psychological behavioral and relational dysfunction and sin Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts As a result of Looking upon the Heart the Lord reigns and leads us to a life of victory in Jesus The Shortfall Christopher J. H. Wright,James Cousins,John Stott,2021-01-31 Inadequate funding remains one of the most significant challenges facing Christian ministries around the world Yet who bears responsibility for this deficiency Chris Wright in conversation with James Cousins challenges Christians to recognize that the problem of insufficient funding does not belong to those experiencing the shortfall but to those entrusted by God with the means to alleviate it Combining John Stott s The Grace of Giving and Chris Wright s The Gift of Accountability two classics on generosity and financial integrity along with a brand new reflection this book encourages readers to think critically about the problem itself Together these three works form a powerful treatise on Christian generosity stewardship and financial responsibility questioning and transforming long held beliefs around Christian giving The Shortfall serves as a reminder that our resources belong to God and we will be held accountable for how we choose to steward them
