Putting The Fun In Fund Raising:

Putting the Fun in Fundraising Robin Thompson, 2020-07-30 This book is an easy to read overview of what you need to know to be an important part of a nonprofit organization It outlines simple ideas for creating and implementing a successful fundraising strategy Included are fundraising myths and realities and the common mistakes of nonprofit organizations It shares concepts for success that are fun exciting and doable by any nonprofit organization Putting the Fun in Fund Raising Phillip T. Drotning, 1979 *FUNdraising* Frank Sennett, 2008 Focuses on fundraising the easy way I definitely recommend that every school facing financial difficulties or just wanting to add to their school resources purchase this book Joen Painter Education Consultant A wonderful resource The author covers all aspects of effective fundraising provides practical advice and identifies precautions that should be taken to make fundraising successful This book makes fundraising beneficial for schools and adds a level of enjoyment to the planning implementation and positive results Gerard A Dery Director Zone 1 National Association of Elementary School Principals Even for school administrators who have been involved in many fundraisers over the years there is always a need for fresh ideas and new approaches Having a resource such as this book for a PTO to review could lead to new synergy around a reinvigorated fundraiser Bonnie Tryon Principal Golding Elementary School Cobleskill NY Creative new approaches and clever twists on classic fundraising events The author presents an abundance of creative and cost effective fundraising strategies designed to engage the community and bring in significant dollars Offering real life examples of administrators teachers parents students and local supporters who have pulled off popular and lucrative fundraisers in schools across the country this book Provides savvy organizing tips Offers guidance on ethical issues Gives advice for avoiding fundraising mishaps Contains lists of potential outside partners and sponsors Includes resources about online fundraising and grantwriting If you want to host events that raise spirits along with money and if you want to look back at your school s revenue raising efforts with pride rather than relief that they re over then this may be the book you ve been waiting for *Citizenville* Gavin Newsom, 2013-02-07 *Citizenville* offers both an impassioned plea for more tech enabled government and a tour d horizon of the ways some governments have begun using technology to good effect a fast paced and engaging read San Francisco Chronicle A rallying cry for revolutionizing democracy in the digital age *Citizenville* reveals how ordinary Americans can reshape their government for the better Gavin Newsom the lieutenant governor of California argues that today s government is stuck in the last century while in both the private sector and our personal lives absolutely everything else has changed The explosion of social media the evolution of Internet commerce the ubiquity of smart phones that can access all the world s information in the face of these extraordinary advances our government appears increasingly irrelevant and out of touch Drawing on wide ranging interviews with thinkers and politicians Newsom s *Citizenville* shows how Americans can transform their government taking matters into their own hands to dissolve political gridlock even as they produce tangible changes in the real world When local Web designers

wanted to prevent muggings in Chicago and Oakland they created innovative crime mapping tools using public police data When congressional representatives wanted citizens input on new legislation they used interactive blogging tools to invite public comments and changes When a town in Texas needed to drum up civic engagement officials invented a local digital currency to reward citizens for participating in government making small town politics suddenly as fun and addictive as online games such as Farmville Surveying the countless small advances made by ordinary Americans in reinventing government for the twenty first century Newsom unveils a path for American prosperity and democratic vitality Newsom explains how twenty first century problems are too big and too expensive for the government simply to buy solutions instead Americans must innovate their way out Just as the post office and the highway system provide public infrastructure to channel both personal and private enterprise a platform upon which citizens can grow so too could a modern digital government house the needs concerns information and collaboration of an enlightened digital citizenry A vision for better government that truly achieves the ancient goal of commonwealth and a triumphant call for individuals to reinvigorate the country with their own two hands Citizenville is a timely road map for restoring American prosperity and for reinventing citizenship in today s networked age
