impact on or even to shock the public And they wanted to measure up to or surpass their elders This complex and rich environment is presented here the grand old men and the young turks encounter each other the Salon pontificates and the new generation moves fitfully ahead benignly but always with determination Origins of Impressionism gives a day by day year by year study of the genesis of an epoch making style Bibliographies and provenances are provided for each of the almost two hundred works in the exhibition and there is an illustrated chronology With more than two hundred superb colorplates this informative survey is an essential work for both the general reader and the scholar BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      *Erik Satie: Music, Art and Literature* Caroline Potter, 2016-05-13 Erik Satie 1866 1925 was a quirky innovative and enigmatic composer whose impact has spread far beyond the musical world As an artist active in several spheres from cabaret to religion from calligraphy to poetry and playwriting and collaborator with some of the leading avant garde figures of the day including Cocteau Picasso Diaghilev and Ren Clair he was one of few genuinely cross disciplinary composers His artistic activity during a tumultuous time in the Parisian art world situates him in an especially exciting period and his friendships with Debussy Stravinsky and others place him at the centre of French musical life He was a unique figure whose art is immediately recognisable whatever the medium he employed Erik Satie Music Art and Literature explores many aspects of Satie s creativity to give a full picture of this most multifaceted of composers The focus is on Satie s philosophy and psychology revealed through his music Satie s interest in and participation in artistic media other than music and Satie s collaborations with other artists This book is therefore essential reading for anyone interested in the French musical and cultural scene of the late nineteenth and early twentieth century      **Aristocracy and the Modern Imagination** Charles A.
