**The Book of 500 Curious Puzzles** ,1859 **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also

includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *Puzzled Indemnity* Parnell Hall,2015-01-20 It s been a cold lonely winter for Cora Felton Long distance has cooled the Puzzle Lady s on again off again affair with Sergeant Crowley and the only case Chief Harper has for her to investigate is a routine liquor store robbery So when her attorney friend Becky asks her to explore the possibility that her client Brittney s philandering husband is planning to murder her for the insurance money Cora jumps at the chance She brings in her loathsome ex husband Marvin to play blackmailer and prove the affair But when Brittney s husband is killed by a car bomb right outside the Bakerhaven police station and it turns out she had insurance on him the police arrest her for murder To save Becky s clueless client from the clutches of the law Cora will manipulate a TV reporter cast suspicion on an innocent man crack crossword and Sudoku clues solve the liquor store robbery and enlist the aid of both Sergeant Crowley and his girlfriend in this outrageous new entry in the Puzzle Lady Mystery series featuring Sudoku by Will Shortz
