**Quackers the Troublesome Duck, Single Copy, First Chapters** Leslie Ellen, 1999      **Quackers, the Troublesome Duck 6 Pack**, 1999 Includes titles Animal Champions Quackers the Troublesome Duck Digging Dinosaurs The Day the Sky Turned Green and Chasing Tornadoes      Guided Reading Mary Browning Schulman, Carleen daCruz Payne, 2000 Ideas resources and a list of childrens books that can be used to implement guided reading      The Quiet Duck and a Noisy Chicken Dandy Ahuruonye, 2024-09-20 High up in the leafy canopy of Connemara's Cloosh Valley lived gb a Peregrine falcon with a nest that was more like a twiggy fortress on the tallest oak She had a bird's eye view of everything below With her were her two chicks Otti and Oza who were basically feathered bundles of energy with appetites that could rival a dragon gb spent her days soaring through the skies hunting for food But even a top notch hunter could be brought to her knees by picky kids Otti and Oza were the ultimate food snobs To them shrews were unpalatable dung beetles were disgusting and fish had to be just right gb would return home talons full of prey only to be met with a chorus of complaints Mother this fish is too big or Mother this snake is too slimy One day gb had enough She announced that whatever she brought back would be the only meal If they didn't like it tough luck gb found a tiny fish and brought it home To her surprise the chicks gobbled it up Maybe she thought they were finally learning a lesson But no the chicks appetites grew and their demands became even more ridiculous They wanted the juiciest insects the freshest fish the tastiest frogs and the plumpest birds gb was exhausted but kept providing gb was a skilled hunter but she was powerless to satisfy her children's insatiable appetites It was a humbling realisation Despite her frustrations she remained determined to provide for her offspring She knew her kids were still little and their preferences would change over time As the day ended gb came back home She was tired but she felt determined She knew her kids were relying on her and she wouldn't disappoint them Lessons from Cloosh Valley As the adventures in Cloosh Valley drew to a close it was time to reflect on the journey and the valuable lessons learned along the way The lush woodlands had been a backdrop for many trials triumphs and tender moments each contributing to the growth and understanding of gb and her chicks Calm Observation vs Noisy Drama The quiet duck observed events with a calm demeanour understanding that patience and observation often lead to better outcomes In contrast the noisy chicken reacted to every situation with alarm demonstrating that constant drama can be a sign of weakness and unnecessary stress Lesson Calm observation is a strength while noisy drama often leads to confusion and poor decisions Parental Sacrifices gb the devoted mother falcon faced numerous challenges and dangers to provide for her chicks From hunting tirelessly to enduring harsh weather her dedication never wavered She taught her chicks the importance of perseverance patience and resourcefulness even when the odds were against her Lesson Parents make countless sacrifices for the welfare of their children often facing life threatening situations to ensure their young ones are safe and well fed Appreciation for Parents Otti and Oza learned to appreciate their mother's efforts and the challenges she faced daily They realised that her love and

dedication were the driving forces behind her relentless pursuit of food happiness and safety for them Lesson Children should appreciate everything their parents do for them recognising the hard work and sacrifices made out of love and care Avoiding Snobbery The chicks initially displayed picky and snobbish behaviour rejecting the food their mother brought Over time they learned to be more grateful and less demanding Lesson Being snobbish and ungrateful can lead to unnecessary hardships It s important to be appreciative and considerate of others efforts And so the story of gb and her chicks came to a close leaving behind a legacy of love sacrifice and the enduring bond between a mother and her children The lessons learned in Cloosh Valley would stay with them forever guiding them through the trials and triumphs of life
