Quaker Nantucket The Religious Community Behind The Whaling Empire:

Quaker Nantucket Robert J. Leach, 1999 **Quaker Nantucket** Katrina Sigsbee Fischer, Robert J. Leach, Peter Gow, Alexander Anthony Hurst, 1984 In 1702 Nantucket Island was swept by a spiritual tidal wave called Quakerism In the following century and a half Nantucket's Religious Society of Friends created not only one of the world's most successful Quaker communities but also a whaling empire that was the envy of the world Quakerism in the Atlantic World, 1690-1830 Robynne Rogers Healey, 2021-03-22 This third installment in the New History of Quakerism series is a comprehensive assessment of transatlantic Quakerism across the long eighteenth century a period during which Quakers became increasingly sectarian even as they expanded their engagement with politics trade industry and science The contributors to this volume interrogate and deconstruct this paradox complicating traditional interpretations of what has been termed Quietist Quakerism Examining the period following the Toleration Act in England of 1689 through the Hicksite Orthodox Separation in North America this work situates Quakers in the eighteenth century British Atlantic world Three thematic sections exploring unique Quaker testimonies and practices tensions between Quakerism in community and Quakerism in the world and expressions of Quakerism around the Atlantic world broaden geographic understandings of the Quaker Atlantic experience to determine how local events shaped expressions of Quakerism The authors challenge oversimplified interpretations of Quaker practices and reveal a complex Quaker world one in which prescription and practice were more often negotiated than dictated even after the mid eighteenth century reformation and tightening of the Discipline on both sides of the Atlantic Accessible and well researched Quakerism in the Atlantic World 1690 1830 provides fresh insights and raises new questions about an understudied period of Quaker history In addition to the editor the contributors to this volume include Richard C Allen Erin Bell Erica Canela Elizabeth Cazden Andrew Fincham Sydney Harker Rosalind Johnson Emma Lapsansky Werner Jon Mitchell and Geoffrey Plank *The Puritan Origins of American Patriotism* George McKenna, 2008-10-01 In this absorbing book George McKenna ranges across the entire panorama of American history to track the development of American patriotism That patriotism shaped by Reformation Protestantism and imbued with the American Puritan belief in a providential errand has evolved over 350 years and influenced American political culture in both positive and negative ways McKenna shows The germ of the patriotism an activist theology that stressed collective rather than individual salvation began in the late 1630s in New England and traveled across the continent eventually becoming a national phenomenon Today American patriotism still reflects its origins in the seventeenth century By encouraging cohesion in a nation of diverse peoples and inspiring social reform American patriotism has sometimes been a force for good But the book also uncovers a darker side of the nation's patriotism a prejudice against the South in the nineteenth century for example and a tendency toward nativism and anti Catholicism Ironically a great reversal has occurred and today the most fervent believers in the Puritan narrative are the former outsiders Catholics and Southerners McKenna offers an interesting

new perspective on patriotism's role throughout American history and he concludes with trenchant thoughts on its role in the post 9/11 era

Quakers and Abolition Brycchan Carey, Geoffrey Plank, 2014-03-30 This collection of fifteen insightful essays examines the complexity and diversity of Quaker antislavery attitudes across three centuries from 1658 to 1890. Contributors from a range of disciplines, nations, and faith backgrounds show Quaker's beliefs to be far from monolithic. They often disagreed with one another and the larger antislavery movement about the morality of slaveholding and the best approach to abolition. Not surprisingly, contributors explain this complicated and evolving antislavery sensibility left behind an equally complicated legacy. While Quaker antislavery was a powerful contemporary influence in both the United States and Europe, present-day scholars pay little substantive attention to the subject. This volume faithfully seeks to correct that oversight, offering accessible yet provocative new insights on a key chapter of religious, political, and cultural history. Contributors include Dee E. Andrews, Kristen Block, Brycchan Carey, Christopher Densmore, Andrew Diemer, J. William Frost, Thomas D. Hamm, Nancy A. Hewitt, Maurice Jackson, Anna Vaughan Kett, Emma Jones Lapsansky, Werner Gary B. Nash, Geoffrey Plank, Ellen M. Ross, Marie Jeanne Rossignol, James Emmett Ryan, and James Walvin.

Encyclopedia of African American History, 1619-1895 Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans. In nearly seven hundred entries, the *Encyclopedia of African American History, 1619-1895* documents the full range of the African American experience during that period, from the arrival of the first slave ship to the death of Frederick Douglass, and shows how all aspects of American culture, history, and national identity have been profoundly influenced by the experience of African Americans. The *Encyclopedia* covers an extraordinary range of subjects. Major topics such as Abolitionism, Black Nationalism, the Civil War, the Dred Scott case, Reconstruction, Slave Rebellions, and Insurrections, the Underground Railroad, and Voting Rights are given the in-depth treatment one would expect. But the *encyclopedia* also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre, Black Seafarers, Buffalo Soldiers, the Catholic Church, and African Americans' Cemeteries and Burials. Gender, Midwifery, New York African Free Schools, Oratory, and Verbal Arts, Religion, and Slavery, the Secret Six, and much more. In addition, the *Encyclopedia* offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history, from Crispus Attucks, John Brown, and Henry Ward Beecher to Olaudah Equiano, Frederick Douglass, Sarah Grimké, Sojourner Truth, Nat Turner, Phillis Wheatley, and many others. All of the *Encyclopedia's* alphabetically arranged entries are accessibly written and free of jargon and technical terms. To facilitate ease of use, many composite entries gather similar topics under one headword. The entry for Slave Narratives, for example, includes three subentries: The Slave Narrative in America from the Colonial Period to the Civil War, Interpreting Slave Narratives, and African and British Slave Narratives. A headnote detailing the various subentries introduces each composite entry. Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the *Encyclopedia* and to primary sources and

scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness

The Movement of Stars Amy Brill,2013-04-18 Gorgeous Sings with insights about love work and how we create our own families Oprah com Amy Brill shines in her sparkling debut novel Vanity Fair Brill s rich detail and research are hugely impressive it s easy to envision the scenes she sees USA Today Beautifully written and richly characterized Kirkus starred review A terrifically poised and captivating debut Paula McLain author of The Paris Wife A love story set in 1845 Nantucket between a female astronomer and the unusual man who understands her dreams It is 1845 and Hannah Gardner Price has lived all twenty four years of her life according to the principles of the Nantucket Quaker community in which she was raised where simplicity and restraint are valued above all and a woman s path is expected to lead to marriage and motherhood But up on the rooftop each night Hannah pursues a very different and elusive goal discovering a comet and thereby winning a gold medal awarded by the King of Denmark something unheard of for a woman And then she meets Isaac Martin a young dark skinned whaler from the Azores who like herself has ambitions beyond his expected station in life Drawn to his intellectual curiosity and honest manner Hannah agrees to take Isaac on as a student But when their shared interest in the stars develops into something deeper Hannah s standing in the community begins to unravel challenging her most fundamental beliefs about work and love and ultimately changing the course of her life forever Inspired by the work of Maria Mitchell the first professional female astronomer in America The Movement of Stars is a richly drawn portrait of desire and ambition in the face of adversity

Our Beloved Friend Gary B. Nash,Emily M. Teipe,2024-09-17 Born into one of the wealthiest families in Philadelphia and raised and educated in that vital center of eighteenth century American Quakerism Anne Emlen Mifflin was a progressive force in early America This detailed and engaging biography which features Mifflin s collected writings and selected correspondence revives her legacy Anne grew up directly across the street from the Pennsylvania statehouse where the Continental Congress was leading the War of Independence A Quaker minister whose busy pen agile mind and untiring moral energy produced an extensive corpus of writings Anne was an ardent abolitionist and social reformer decades before the establishment of women s anti slavery societies And at a time when most Americans never ventured beyond their own village hamlet or farm Anne journeyed thousands of miles She traveled to settlements of Friends on the frontier and met with Native Americans in the rough country of northwestern Pennsylvania New York and Canada Our Beloved Friend provides a unique window onto the lives of Quakers during the pre Revolutionary era the establishment of the New Republic and the War of 1812

[The Light Before Day \(Nantucket Legacy Book #3\)](#) Suzanne Woods Fisher,2018-10-02 After three years on a whaling voyage Henry Macy returns to Nantucket to news that his grandmother has passed bequeathing her vast fortune to him and his sister Hitty And it was truly vast But Lillian Coffin was no fool The inheritance comes with a steep cost including when they should marry and whom a Quaker in good standing of course But if they relinquish the inheritance it all goes to Tristram Macy their father s thieving

business partner As Hitty and Henry seek a way to satisfy the will's conditions they'll be faced with obstacles on every side and it may be that Lillian Coffin will have the last word after all Bestselling author Suzanne Woods Fisher surprises and delights with this story of hope and renewal love and redemption arriving just when most needed *Surviving the Essex* David O. Dowling, 2016-04-12 Do cannibals get second acts **Historical Dictionary of the Friends (Quakers)** Margery Post Abbott, Mary Ellen Chijioke, Pink Dandelion, John William Oliver, 2011-12-01 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful Thomas and Charity Rotch Barbara K. Wittman, 2015-10-13 This first full length study of Quakers Charity and Thomas Rotch early New England settlers to northeast Ohio 1811 1824 explores their role in the transformation of the frontier environment from wilderness to a prosperous market town The book utilizes a wide selection of archival sources to provide insights into early community building in Ohio The letters of Charity Rotch suggest that Quaker women forged particular sorts of relationships that encouraged their interconnections and interdependence Women also recognized the significance of gender in their lives as they defined themselves collectively as women The vocabulary and the cultural grammar that women used to reinforce kinship ties were crucial to building and maintain their faith communities over extended geographic distances This book will be of interest to scholars of early Ohio economic history and development Quaker history and settlement in Ohio gender and the household in 19th century American history Writings of Warner Mifflin Warner Mifflin, 2021-05-21 In The Writings of Warner Mifflin Gary Nash and Michael McDowell present the correspondence petitions and memorials to state and federal legislative bodies semi autobiographical essays and other materials of the key figure in the U S abolitionist movement between the end of the American Revolution and the Jefferson presidency Virtually unknown to Americans Mifflin has been brought to life in Nash's recent biography Warner Mifflin Unflinching Quaker Abolitionist 2017 This volume provides an

array of insights into the mind of this conscience bound pacifist Quaker who became instrumental in making Kent County Delaware a bastion of free blacks liberated from slavery and a seedbed of a reparationist doctrine that insisted that enslavers owed restitution to manumitted Africans and their descendants Mifflin's writings also show how he became the most skilled lobbyist of the antislavery campaigners who haunted the legislative chambers of North Carolina Virginia Maryland Delaware and Pennsylvania as well as the halls of the Continental Congress and the First and Second Federal Congresses An opening introduction and introductions to each of the five chronologically arranged parts of the book provide context for the documents and a narrative of the life of this remarkable American

Warner Mifflin Gary B. Nash, 2017-07-28 Warner Mifflin energetic uncompromising and reviled was the key figure connecting the abolitionist movements before and after the American Revolution A descendant of one of the pioneering families of William Penn's Holy Experiment Mifflin upheld the Quaker pacifist doctrine carrying the peace testimony to Generals Howe and Washington across the blood soaked Germantown battlefield and traveling several thousand miles by horse up and down the Atlantic seaboard to stiffen the spines of the beleaguered Quakers harried and exiled for their neutrality during the war for independence Mifflin was also a pioneer of slave reparations championing the radical idea that after their liberation Africans in America were entitled to cash payments and land or shared crop arrangements Preaching restitution Mifflin led the way in making Kent County Delaware a center of reparationist doctrine After the war Mifflin became the premier legislative lobbyist of his generation introducing methods of reaching state and national legislators to promote antislavery action Detesting his repeated exercise of the right of petition and hating his argument that an all seeing and affronted God would punish Americans for national sins many Southerners believed Mifflin was the most dangerous man in America a meddling fanatic who stirred the embers of sectionalism after the ratification of the Constitution of 1787 Yet he inspired those who believed that the United States had betrayed its founding principles of natural and inalienable rights by allowing the cancer of slavery and the dispossession of Indian lands to continue in the 1790s Writing in beautiful prose and marshaling fascinating evidence Gary B Nash constructs a convincing case that Mifflin belongs in the Quaker antislavery pantheon with William Southeby Benjamin Lay John Woolman and Anthony Benezet

Selected Letters of Lucretia Coffin Mott Lucretia Mott, 2002 This landmark volume makes widely available for the first time the correspondence of the Quaker activist Lucretia Coffin Mott Scrupulously reproduced and annotated these letters illustrate the length and breadth of her public life as a leading reformer while providing an intimate glimpse of her family life Dedicated to reform of almost every kind temperance peace equal rights woman suffrage nonresistance and the abolition of slavery Mott viewed woman's rights as only one element of a broad based reform agenda for American society A founder and leader of many antislavery organizations including the racially integrated American Antislavery Society and the Philadelphia Female Anti slavery Society she housed fugitive slaves maintained lifelong friendships with such African American colleagues as Harriet Tubman and Sojourner Truth and agitated to bring her fellow

Quakers into consensus on taking a stand against slavery Mott was a seasoned activist by 1848 when she helped to organize the Seneca Falls Woman s Rights Convention whose resolutions called for equal treatment of women in all arenas Mott tried to pursue a neutral course when her friends Elizabeth Cady Stanton and Susan B Anthony disagreed with other woman s rights leaders over the Fifteenth Amendment which guaranteed equal rights for freedmen but not for any women Her private views on this breach within the woman s movement emerge for the first time in these letters An active public life however is only half the story of this dedicated and energetic woman Mott and her husband of fifty six years James raised five children to adulthood and her letters to other reformers and fellow Quakers are interspersed with the informal hurried scraps she wrote to and about her cherished family An invaluable resource on an extraordinary woman these selected letters reveal the incisive mind clear sense of mission and level headed personality that made Lucretia Coffin Mott a natural leader and a major force in nineteenth century American life

Captain Ahab Had a Wife Lisa Norling,2014-02-01 During the eighteenth and nineteenth centuries the whaling industry in New England sent hundreds of ships and thousands of men to distant seas on voyages lasting up to five years In *Captain Ahab Had a Wife* Lisa Norling taps a rich vein of sources including women s and men s letters and diaries shipowners records Quaker meeting minutes and other church records newspapers and magazines censuses and city directories to reconstruct the lives of the Cape Horn widows left behind onshore Norling begins with the emergence of colonial whaling on the island of Nantucket and then follows the industry to mainland New Bedford in the nineteenth century tracking the parallel shift from a patriarchal world to a more ambiguous Victorian culture of domesticity Through the sea wives compelling and often poignant stories Norling exposes the painful discrepancies between gender ideals and the reality of maritime life and documents the power of gender to shape both economic development and individual experience

The Other Islanders Frances Ruley Karttunen,2005 Contrary to what public history and popular literature might have led us to believe Nantucket is historically an island of rich cultural diversity Here author Frances Ruley Karttunen introduces us to the original Nantucketers the Wampanoags as well as to African slaves Pacific Islanders Irish refugees Azoreans and Cape Verdeans who over the years have found a home on Nantucket Here too is a look at the island s connection to Jamaica the Middle East Europe and Asia all sources of people who have contributed to the island s economy and added dimensions to Nantucket s culture Back cover

Imaginary Friends James Emmett Ryan,2009-08-06 Spanning four centuries *Imaginary Friends* takes readers through the shifting representations of Quaker life in a wide range of literary and visual genres from theological debates missionary work records political theory and biography to fiction poetry theater and film It illustrates the ways that during the long history of Quakerism in the United States these imaginary Friends have offered a radical model of morality piety and anti modernity against which the evolving culture has measured itself

Inscrutable Malice Jonathan A. Cook,2012-12-15 In *Inscrutable Malice* Jonathan A Cook expertly illuminates Melville s abiding preoccupation with the problem of evil and the dominant role of the Bible in shaping his best known novel *Drawing*

on recent research in the fields of biblical studies the history of religion and comparative mythology Cook provides a new interpretation of Moby Dick that places Melville's creative adaptation of the Bible at the center of the work Cook identifies two ongoing concerns in the narrative in relation to their key biblical sources the attempt to reconcile the goodness of God with the existence of evil as dramatized in the book of Job and the discourse of the Christian end times involving the final destruction of evil as found in the apocalyptic books and eschatological passages of the Old and New Testaments With his detailed reading of Moby Dick in relation to its most important source text Cook greatly expands the reader's understanding of the moral religious and mythical dimensions of the novel Both accessible and erudite *Inscrutable Malice* will appeal to scholars students and enthusiasts of Melville's classic whaling narrative

Normalites Kelly Ann Kolodny, 2014-04-01

Normalites The First Professionally Prepared Teachers in the United States is a new original work which explores the experiences of three women Lydia Stow Mary Swift and Louisa Harris who were pioneers in the movement in teacher education as members of the first class of the nation's first state normal school established in Lexington Massachusetts in 1839 The book is biographical offering new insights derived from exceptional research into the development of the normal school movement from the perspectives of the students While studies have provided analysis of the movement as a whole as well as some of the leaders of the initiative such as Horace Mann and Henry Barnard there is a lack of rich published information about the first groups of students Understanding their accounts and experiences however provides a critical foreground to comprehending not only the complexity of the nineteenth century normal school movement but more broadly educational reform during this period Arranged chronologically and in four parts this book explores the experiences of Lydia Stow Mary Swift and Louisa Harris during their normal school studies their entrance into the world and commencement of their careers the transitions in their personal and professional lives and the building of their life work Throughout these periods their formal educational experiences as well as broader moments of transformation are considered and how life paths were shaped This book will be of interest to undergraduate and graduate students and faculty connected to teacher preparation programs More than 100 000 students are currently awarded baccalaureate degrees each year in Education Over 80 000 of these students are women Their experiences are rooted in the pioneering efforts of Lydia Stow Mary Swift and Louisa Harris at our nation's first state normal school It is a particularly fitting time to share their experiences as the 175th anniversary of the start of formal state sponsored teacher education the normal school movement will be celebrated in 2014

Quaker Nantucket The Religious Community Behind The Whaling Empire Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Quaker Nantucket The Religious Community Behind The Whaling Empire PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Quaker Nantucket The Religious Community Behind The Whaling Empire PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Quaker Nantucket The Religious Community Behind The Whaling Empire free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Quaker Nantucket The Religious Community Behind The Whaling Empire Books

1. Where can I buy Quaker Nantucket The Religious Community Behind The Whaling Empire books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
