Qualitative Methods In Social Work Research Challenges And Rewards:

Qualitative Methods in Social Work Research Deborah K. Padgett, 1998-01-14 This introductory manual offers practical advice to students and researchers in social work on how to use qualitative research methods as and when they are most useful and appropriate The author introduces and then dispels commonly held misconceptions about qualitative methods discusses the origins and basic components of methods and presents a four phase approach to conducting a study including formulating the problem collecting data analyzing and interpreting data and writing the report The book concludes with a discussion of the challenges and rewards of using qualitative methods **Qualitative Research in Social Work** Anne E. Fortune, William J. Reid, Robert Miller, 2013-06-11 In this volume progressive experts survey recent trends in qualitative study which relies on small sample groups and interview data to better represent the context and complexity of social work practice Chapters address different approaches to qualitative inquiry applications to essential areas of research and practice integration of qualitative and quantitative methods and epistemological issues This second edition brings even greater depth and relevance to social work qualitative research including new material that tackles traditional research concerns such as data quality ethics and epistemological stances and updated techniques in data collection and analysis To increase the usefulness for students and researchers the editors have reorganized the text to present basic principles first and then their applications and they have increased their focus on ethics values and theory New and revised illustrative studies highlight more than ever the connection between effective research and improved social functioning among individuals and groups The collection continues to feature scholars and practitioners who have shaped the social work research practice canon for more than twenty years while also adding the innovative work of up and coming talent **Handbook of Research Methods in Social Work** Margaret Alston, Penny Buykx, Wendy Foote, David Betts, 2025-01-09 This insightful Handbook provides a comprehensive overview of the unique and varied methods of social work research drawing on examples of research projects undertaken in a variety of countries cultures and social work settings **The Handbook of Social Work Research Methods** Bruce Thyer, 2010 This updated Handbook addresses the changes in the field of social work as qualitative research gains more prominence as well as mixed methods and various issues regarding race ethnicity and gender Edited by a leading scholar in the field this text covers meta analysis designs to evaluate treatment and key Internet resources *Social Work Research Methods: Oxford Bibliographies Online Research Guide* Allen Rubin, 2010-05 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most

reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

Sexual Minorities Michael K. Sullivan, 2013-10-31 Explore the crucial issues facing the GLBT population in their struggle for acceptance in contemporary America *Sexual Minorities Discrimination Challenges and Development in America* examines the stumbling blocks that prevent gays lesbians bisexuals and transgenders from living wholesome healthy lives This book concentrates on the effects of outside influences on the homosexual psyche from adolescence to mid life and programs and services that need to be developed to improve quality of life While some outside influences can make positive changes such as Internet based outreach to educate men in chat rooms about HIV sexual minority groups face negativity from society in the forms of homophobia and heterosexism *Sexual Minorities* uses statistics charts graphs and surveys to reveal a remarkable trend correlating how contemporary American society treats sexual minorities and how it affects their psychological and psychosocial health This book also reveals how when internalized this hurtful discrimination can cause self hatred and depression Each chapter focuses on a different aspect of the GLBT population including the history of homophobia and intolerance toward homosexuals with its basis in cultural religious and sociological views an in depth survey utilizing Erikson s psychosocial model to determine the lifespan development of seven out gay males who discuss their coming out period their roles in society their legacies and later life issues the lack of federal legislation protecting GLBT employees in the workplace and recommendations for creating a sense of security for these employees a case study revealing the high incidence rate of heterosexism amongst social workers and the repercussions this could have among homosexual clientele surveys and statistics investigating the rate of abusive behavior in lesbian relationships three chapters involving specific issues of gay lesbian and bisexual adolescents such as coming out risk and protective factors and being homosexual in a rural environment as opposed to a city *Sexual Minorities* is an important tool for everyone in today s society from students and practitioners of social work health care human sexuality psychology and sociology to legislators lawyers activists and business owners This book is also vital for every parent relative or friend of a man or woman labeled as a sexual minority

The Empowerment Approach to Social Work Practice Judith A. B. Lee, 2001-03-07 First published in 1994 this book was hailed as a cutting edge theory driven report from the front line trenches in the battle for social justice Both clinical and community oriented and written from a global perspective it presents clients speaking for themselves alongside reports of prominent social work educators This new edition puts greater

emphasis on how to skills in working with people toward their own empowerment and stresses multiculturalism A new chapter identifies worldwide issues of oppression such as abuse of women and children and neglect of the mentally ill

Practice-Based Research in Social Work Sarah-Jane Dodd,Irwin Epstein,2012-03-12 This unique textbook explores practice based research PBR using numerous practice examples to actively encourage and engage students and practitioners to embrace research as a meaningful support for their practice Whilst evidence based practice gives practitioners access to information about universal best practices it does not prioritize practitioner generated knowledge or promote new research based interventions relevant to their own practice circumstances as PBR does This book discusses the evolution of PBR as a distinct social work research approach describes its principles and methods and presents a range of exemplars illustrating the application of PBR within different practice methods in different practice settings The chapters cover Identifying the research question in a PBR model Designing a study and identifying a methodology Sampling Literature reviews Gathering data Ethics Analyzing data and interpreting results Putting research into practice Viewing the practitioner as central to the research process and research as a necessary component of practice this invaluable book emphasizes the seamless integration of practice and research It is about research in social work practice rather than research on social work practice Each chapter includes an overview an introduction and a key concepts summary **Practice Based Research in Social Work** is a very accessible text suitable for social work students particularly MSW students and practitioners

The Social Work Dissertation: Using Small-Scale Qualitative Methodology Carey, Malcolm,2013-02-01 The book guides the student through the research process relevant to the completion of a social work dissertation examining the process of both empirical and literature based dissertations highlighting potential obstacles essential techniques and methods involved in research

Research: Oxford Bibliographies Online Research Guide Michael Saini,2010-05 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more

Social Work Research and Evaluation Richard M. Grinnell Jr, Yvonne A.

Unrau, 2018-03-14 Since the first edition in 1981 *Social Work Research and Evaluation* has provided graduate level social work students with basic research and evaluation concepts to help them become successful evidence based practitioners evidence informed practitioners and practitioners who are implementing evidence based programs Students will gain a thorough understanding and appreciation for how the three dominant research methodologies quantitative qualitative and mixed methods will help them achieve their professional goals regardless of their area of specialization Written in clear everyday language this edition also includes the pedagogical features that will make it easy and effective for classroom use

Practising Social Work Research Rick Csiernik, Rachel Birnbaum, 2017-04-24 Research skills are as critical to social work practitioners as skills in individual and group counselling policy analysis and community development Adopting strategies similar to those used in direct practice courses this book integrates research with social work practice and in so doing promotes an understanding and appreciation of the research process This second edition of *Practising Social Work Research* comprises twenty three case studies that illustrate different research approaches including quantitative qualitative single subject and mixed methods Six are new to this edition and examine research with First Nations organizing qualitative data and statistics Through these real life examples the authors demonstrate the processes of conceptualization operationalization sampling data collection and processing and implementation Designed to help the student and practitioner become more comfortable with research procedures *Practising Social Work Research* capitalizes on the strengths that social work students bring to assessment and problem solving

Group Work Urania Glassman, 2008-10-08 A book that supports the human spirit and the humanistic visions of those who champion personal and social change through the social work group The Second Edition of *Group Work A Humanistic and Skills Building Approach* identifies the humanistic values and democratic norms that guide the group practitioner's interventions The book presents seven stage themes of group development 29 techniques for group work practice and more than 60 new illustrations from contemporary group work The Second Edition remains centered on the role of the social group work practitioner who employs group work methods to further the personal growth and empowerment of members in community and institutional contexts Features of the Second Edition Offers 29 new descriptions of group work practice techniques which have applicability in clinical support and organizational groups Provides seven stage themes of group development describing member reactions and highlighting worker pitfalls self awareness issues and skills for maximizing member growth within each stage Presents 60 new illustrations of group meetings which demonstrate the practitioner role and conclude with discussion and analysis Includes an updated Chapter 10 which highlights ethical values in mental health substance abuse treatment and health care groups Intended Audience This is an ideal core text for advance undergraduate and graduate courses such as *Group Work Foundation Practice Skills of Counseling and Group Dynamics* in the fields of social work psychology and counseling

Finding and Evaluating Evidence Denise E. Bronson, Tamara S. Davis, 2012 This pocket guide provides a concise overview of how to complete a systematic review and criteria that should be used for assessing the quality of existing reviews It examines evidence based practice systematic reviews and meta analysis WorldCat

Terrorist Minds: From Social-psychological Profiling To Assessing The Risk Sagit Yehoshua, 2020-10-19 This book s excellent discussion of the theories and concepts involved in profiling terrorists including those who are incarcerated is a major contribution to the academic discipline on these issues Perspectives on Terrorism Terrorist Minds From Social Psychological Profiling to Assessing the Risk explores the process of terrorist behavioural analysis from the social psychological profiling of terrorists to the development of risk assessment tools Most of the research for this book was conducted in cooperation with the Intelligence Department of the Israeli Prison Service via qualitative in depth interviews with leaders of terrorist organisations in Israeli prisons Once social psychological profiles were established terrorist risk assessment tools were developed to allow for better observation and practical management of associated problems This book fills the gaps in existing literature on the psychology of imprisoned terrorist group leaders through the analysis of individuals social professional and personal lives as well as their attitudes and perceptions The book also covers the practical aspects of risk assessment based on social psychological profiling and discusses relevant tools that have been developed in recent years It aims to better inform counter terrorism initiatives and policymaking as well as improve methods of communication counter terrorism and conflict resolution

The Dissertation Peter Lyons, Howard J. Doueck, 2010-01-13 Many otherwise strong doctoral students get stuck at the dissertation stage but this trusty guide takes students from the early planning phase to finishing the final draft It contains straightforward advice for each stage of the dissertation process selecting a chair completing the literature review developing a hypothesis selecting a study sample and appropriate measures managing and analyzing both quantitative and qualitative data establishing good writing habits and overcoming obstacles to completing the dissertation on schedule Practical guidelines tips and strategies and action steps checklists in each chapter make this a handy pocket guide for students as well as advisors seeking a comprehensive unintimidating road map to the social work dissertation

Living with Dying Joan Berzoff, Phyllis R. Silverman, 2004 The first resource on end of life care for healthcare practitioners who work with the terminally ill and their families Living with Dying begins with the narratives of five healthcare professionals who when faced with overwhelming personal losses altered their clinical practices and philosophies The book provides ways to ensure a respectful death for individuals families groups and communities and is organized around theoretical issues in loss grief and bereavement and around clinical practice with individuals families and groups Living with Dying addresses practice with people who have specific illnesses such as AIDS bone marrow disease and cancer and pays special attention to patients who have been stigmatized by culture ability sexual orientation age race or homelessness The book includes content on trauma and developmental issues for children adults and the aging who are dying and it addresses legal ethical spiritual

cultural and social class issues as core factors in the assessment of and work with the dying It explores interdisciplinary teamwork supervision and the organizational and financing contexts in which dying occurs Current research in end of life care ways to provide leadership in the field and a call for compassion insight and respect for the dying makes this an indispensable resource for social workers healthcare educators administrators consultants advocates and practitioners who work with the dying and their families *Research Design for Social Work and the Human Services* Jeane W.

Anastas,2000-01-28 *Research Design for Social Work and the Human Services* integrates a range of research techniques into a single epistemological framework and presents a balanced approach to the teaching of research methods in the helping professions Jeane W Anastas begins with a discussion of the different philosophical perspectives within which social research occurs and continues with problem formulation research design and methodological issues influencing data collection analysis and dissemination She presents both fixed quantitative and flexible qualitative methods of research granting legitimacy value utility and relevance to both styles of inquiry Utilizing complete case studies to illustrate different methodological approaches *Research Design for Social Work and the Human Services* integrates material on women and people of color and draws attention to the ways racism heterosexism sexism and classism affect the conceptualization and conduct of research Anastas not only exposes these biases but actively addresses the experiences needs and concerns of clients of both genders and different races ethnicities sexual orientations cultures and classes *Social Work with Groups*

N. Sullivan,L. Mitchell,D. Goodman,N.C. Lang,E.S. Mesbur,2013-10-11 Help change the world by bringing ideas of social justice into your group work practice Social workers who use hip hop music to reach out to troubled adolescents Practitioners who compare First Nations talking circles with social work practice with groups A retired professor who transforms the way her fellow senior living center residents participate in their world Fathers of children with spina bifida who help one another through an online discussion group These and other examples you ll discover in *Social Work with Groups* Social Justice Through Personal Community and Societal Change will help you to assist groups to gain a sense of empowerment and create change in their own lives and communities In *Social Work with Groups* Social Justice Through Personal Community and Societal Change you ll also find definitions of social justice within the context of social work a proposal to help focus on social justice in teaching guidelines for group facilitators making decisions about self disclosure studies of innovative group work discussion of the challenges to achieving social justice in group work valuable ways to ground social group work in rich cultural traditions This new book rides the crest of the growing wave of justice in social work with groups Culled from the proceedings of the 22nd International Symposium of the Association for the Advancement of Social Work with Groups it gives you the innovations and current thinking of professionals who while coming from different cultural and professional backgrounds are focused on helping all people enjoy the same rights and opportunities If you want to use group work to challenge social inequality *Social Work with Groups* will be a welcome addition to your library

Social action that gets results has to start somewhere let it begin with you **Change Research** Corey S. Shdaimah, Roland W. Stahl, Sanford Schram, 2011 Collaborating with community members adds a critical dimension to social work research providing practitioners with intimate knowledge of a community's goals and needs while equipping community advocates with vital skills for social change Sharing the inspiring story of one such partnership Corey Shdaimah Roland Stahl and Sanford F Schram recount their efforts working with an affordable housing coalition in Philadelphia helping activists research low income home ownership and repair Their collaboration helped create the Philadelphia Housing Trust Fund which funnels millions of dollars to people in need This volume describes the origins of their partnership and its growth including developing tensions and their diffusion in ways that contributed to the research The authors personalize methods of research and the possibilities for advocacy ultimately connecting their encounters to more general critical themes Building on the field's commitment to social justice they effectively demonstrate the potential of change research to facilitate widespread long term difference and improve community outcomes
