and community planners   Practice Leadership in Challenging Behaviour Services for Autism and Intellectual Disabilities Tony Osgood,2022-03-21 Practice Leadership refers to individuals who have direct front line responsibility for leading the practice of staff on a day to day basis such as operational leaders and managers in services for people with autism and intellectual disabilities A good practice leader creates cultures and puts values into action They deliver great support A practice leader implements our best endeavours A good leader makes all the difference This book lays out the steps to achieving great practice leadership in services for people with autism and intellectual disabilities such as care homes or supported living It explains how practice leadership delivers support and care using the principles of Positive Behaviour Support PBS The book outlines what practice leadership should look like in context how to do it and why it matters It draws from real life case studies throughout and each section encourages discussion and reflection Refreshingly warm humorous and jargon free this is an indispensable guide for professionals in services working with people with intellectual disability or autism at any level   **Quality Enhancement in Developmental Disabilities** Valerie J. Bradley,Madeleine H. Kimmich,2003 As person centered services and supports become more prevalent people with disabilities are enjoying more choices and opportunities making it challenging to ensure the quality of every service offered This timely book helps meet that challenge Diverse contributors including researchers care providers policy makers self advocates and family members combine their expertise to help readers understand the changed expectations of people with disabilities and their families and the resulting challenges to quality enhancement clarify the roles of Medicaid and the Centers for Medicare and Medicaid Services address health and safety issues including investigation of abuse neglect and death design databases that track outcomes and target areas for service improvement translate quality information into reliable quality enhancement approaches manage staffing challenges like recruitment retention and professional development consider future recommendations and policy directions Building on Bradley Bersani s Quality Assurance for Individuals with Developmental Disabilities this important resource clarifies the shift toward self determination and individually tailored supports and shows professionals in the human services field how to enhance service quality in this rapidly changing world   **Changing Practice in Health and Social Care** Celia Davies,2000-02-11 New Ways of Working in Health and Social Care explores the range and depth of recent challenges facing professionals in health and social care   *OSERS News in Print* ,1985

Deinstitutionalization and Community Living Jim Mansell,Kent Ericsson,2013-11-11   **Designs for Living** Steven Carnaby,2018-12-17 First published in 1999 this volume explores how the principle of normalisation informs British learning disability services by instructing them to help service users acquire behaviours and characteristics which are as culturally normative as possible While many studies have attempted to assess the efficacy of this approach their measurement criteria are usually based on levels of competence and participation values themselves derived from the principle of normalisation The case study in this volume compares services in London to services in Milan Northern Italy where the concept of

deinstitutionalisation has been interpreted differently Recommendations are made for increasing good practice in certain aspects of British provision A key suggestion is that consistent legislated training for support staff in British learning disability services might contribute towards ameliorating current difficulties described by much of the contemporary research **Focus Heilpädagogik - Projekt Zukunft** Günther Opp,Franz Peterander,1996-03-01 Vielfalt und Differenz kennzeichnen alle individuellen und gesellschaftlichen Lebensbereiche in der Moderne Neue Orientierungen Wege und Antworten sind in dieser Situation auch f r die Heilp dagogik zu suchen Focus Heilp dagogik thematisiert gesellschaftliche Ver nderungsprozesse bezieht Position und zeigt Entwicklungslinien einer modernen Heilp dagogik auf Dabei werden aus der Sicht von ber 30 nahmhaften Autoren aus Sonderp dagogik Psychologie und Medizin die Verlustdimensionen der Moderne ebenso markiert wie ihre Chancen f r die Erziehung und Lebensf hrung von Menschen mit Behinderungen Focus Heilp dagogik ist ein optimistisches Buch das alle in diesem Bereich T tigen gelesen haben sollten *A Quarter-century of Normalization and Social Role Valorization* Robert John Flynn,Raymond A. Lemay,1999 During the late 1960s Normalization and Social Role Valorization SRV enabled the widespread emergence of community residential options and then provided the philosophical climate within which educational integration supported employment and community participation were able to take firm root This book is unique in tracing the evolution and impact of Normalization and SRV over the last quarter century with many of the chapter authors personally involved in a still evolving international movement Published in English

Quality of Life for Persons with Disabilities David Goode,1994 Focuses attention on the quality of life issues for disabled individuals around the world as they live work play and go to school *Quality Performance in Human Services* James F. Gardner,Sylvia Nudler,1999 Seventeen contributions discuss quality leadership and organizational capacity in human services from the standpoint of personal outcomes that is from outcomes people expect as the result of service and support rather than traditional planning methodology The book suggests that leadership is developed through a process of learning by doing and that the qualities of vision and values coupled with flexible leadership and skillful managerial work are what produce success Under discussion are issues of organization management quality leadership services and performance Annotation copyrighted by Book News Inc Portland OR *Challenges for a Service System in Transition* Mary F.
