

Quantitative Analysis

THE STRATEGY EXECUTION SERIES

New management tools and techniques are needed to implement strategy in the 21st century. Rapid innovation, entrepreneurial competitors, and increasingly demanding customers have radically altered competitive dynamics. While many experts have explored strategy design, little has been written on the execution of strategy. These modules do just that, using concepts and techniques that have been rigorously pre-tested in both the classroom and the boardroom. This series of 15 modules integrates the latest performance measurement and control techniques with the new realities of competition, strategy, and organization design.
