READING UNDER CONTROL JUDITH. KELLY GRAHAM (ALISON.), 2015 **Primary English Curriculum Guide** Christine Moorcroft, Ray Barker, 2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice

Contributions of Behavior Analysis to Reading and Writing Comprehension Alessandra Rocha de Albuquerque, Raquel Maria de Melo, 2023-10-13 This book shows how behavior analysis can be applied to teaching reading and writing to primary school students and to special populations such as children with intellectual and hearing disabilities and illiterate adults Originally published in Portuguese this contributed volume is now translated into English and presents for the first time to international researchers and students a comprehensive overview of a research program developed for more than three decades in Brazil which gave birth to a unique teaching program based on the concept of stimulus equivalence the Learning to Read and Write in Small Steps The book is divided into four parts The first part presents the

theoretical framework and the historical context in which the teaching program was developed by the group led by Drs Julio Cesar de Rose and Deisy das Gra as de Souza currently organized in the National Institute of Science and Technology on Behavior Cognition and Learning INCT ECCE The second part describes the modules that make up the Learning to Read and Write in Small Steps teaching program The third part presents results of empirical research conducted with children with intellectual and hearing disabilities and illiterate adults Finally the fourth part presents contributions from other areas of knowledge such as speech therapy linguistics and education to the understanding of reading and writing and possible dialogues between them and behavior analysis Contributions of Behavior Analysis to Reading and Writing Comprehension will be of interest to researchers and students in the fields of psychology and education interested in the application of behavior analysis to teaching and learning processes It will also be a valuable resource for professionals directly working in educational institutions such as elementary school teachers and psycho pedagogues The translation of the original manuscript in Portuguese was done with the help of artificial intelligence The present version has been revised technically and linguistically by the authors in collaboration with a professional translator
