she had been trying to conceal the model was herself a talented artist Some found her vibrant still lifes and frank portraits as shocking as her bohemian lifestyle At eighteen she gave birth to an illegitimate child future painter Maurice Utrillo But her friends Toulouse Lautrec and Degas could see her skill Rebellious and opinionated she refused to be confined by tradition or gender and in 1894 her work was accepted to the Salon de la Soci t Nationale des Beaux Arts an extraordinary achievement for a working class woman with no formal art training Renoir s *Dancer* tells the remarkable tale of an ambitious headstrong woman fighting to find a professional voice in a male dominated world

examples Oscherwitz demonstrates how these two seemingly different realms heritage and multicultural cinema are far from mutually exclusive in the construction of French identity Throughout the volume numerous well known French movies are reexamined inviting new interpretations of and challenging old views through investigations of familiar cinematic works Past Forward is arevolutionary volume that boldly reimagines our ideas about French film and its role in communicating history and memory
