Rolling Stones In Their Own Words:

Rolling Stones in Their Own Words, 1983 **Rolling Stones in Their Own Words** David Dalton, 1980 **Rolling Stones in Their Own Words** David Dalton, Mick Farren, 1994 The rock group's colorful history is recorded in photographs, anecdotes and reviews and is supported by the words and music to all their songs **According to the Rolling Stones** Mick Jagger, Charlie Watts, 2003 Members of the band offer an inside chronicle of their careers as musicians, songwriters, performers and colleagues discussing the evolution of their music and their lives **In Their Own Words** Raymond Smullyan, Peter Bispham, 2009-02-09 The Piano Society is an international Internet based non profit organization. Both amateur and professional pianists can join and submit recordings which if accepted are made freely available on a website for anyone to hear. A number of members were approached by the editors to provide profiles for this book and the result is a wonderfully diverse range of contributions from pianists from around the world *Icons of Rock - In Their Own Words* Jenny Boyd, 2023-10-26 There have been innumerable rock star biographies and music histories before but there is no book that presents the deepest innermost thoughts from some of the industry's most legendary musicians on not only how they create but what drives their creative process. Have you ever wondered how your favourite rock stars get inspired? How they write a song? How an album is put together? What made them choose a life devoted to music? Written and compiled by Jenny Boyd who has lived at the heart of the rock world since the 1960s and experienced many of its most iconic moments, the book contains interviews with each musician to give the reader a compelling and groundbreaking insight into the creative process at the heart of each rock star's musical success. From Eric Clapton to Mick Fleetwood, Joni Mitchell to George Harrison, this is a bible of rock royalty that provides an intimate portrait of their craft. *Icons of Rock* is the perfect book for any fan that wants to know more about their favourite musicians and bands or any budding composer and performer who wants a unique insight into how the world's most legendary rock stars created and delivered their greatest music *The Rolling Stones' Some Girls* Cyrus R.K. Patell, 2011-06-09 It's October 1977 and the Rolling Stones are in a Paris recording studio. They're under siege. Keith Richards's legal troubles after his arrest for heroin possession threaten the band's future and the broad consensus among rock aficionados is that the band will never again reach the heights of *Exile on Main Street*. But Mick Jagger is writing lyrics inspired by the year he has just spent in New York City where he was hanging out with the punks at CBGB and with the glitterati at Studio 54. And new bandmember Ron Wood is helping Richards recapture the two guitar groove that the band had been missing since the Brian Jones era. The result: *Some Girls*, the band's response both to punk rock and to disco, an album that crackles with all the energy, decadence and violence of New York in the 1970s. Weaving together the history of the band and the city, Cyrus R.K. Patell traces the genesis and legacy of the album that Jagger would later call the band's best since *Let It Bleed*. **Rolling Stones: Off The Record** Mark Paytress, 2009-12-15 A collection of original off the cuff remarks by and about The Rolling Stones unearthed and reassembled into a vivid verbal documentary. Containing outrageous

opinions unrehearsed interviews and impromptu but headline grabbing quotes A candid and insightful history and an authentic taste of the group in their heyday and the cultural landscape they helped define *The Rolling Stones All the Songs* Philippe Margotin, Jean-Michel Guesdon, 2016-10-25 Comprehensive visual history of the World's Greatest Rock through their collaboration with legendary producer Jimmy Miller in the ground breaking albums from 1968 to 1973 to their later work with Don Was who has produced every album since Voodoo Lounge Packed with more than 500 photos All the Songs is also filled with stories fans treasure such as how the mobile studio they pioneered was featured in Deep Purple's classic song Smoke on the Water or how Keith Richards used a cassette recording of an acoustic guitar to get the unique riff on Street Fighting Man **What Would Keith Richards Do?** Jessica Pallington West, 2009-09-07 What is a wiseman What is a prophet Someone with a strange unflappable demeanor Someone who speaks in cryptic koans words whose meanings take years to unravel Someone who has confronted death God sin and the immortal soul Someone unfit for this world but too brilliant to depart it Someone in short like Keith Richards Here at last the wisdom of this indefatigable man is recorded and set forth These are his visionary words I would rather be a legend than a dead legend Or Whatever side I take I know well that I will be blamed And indeed I've never had a problem with drugs only with policemen Not merely a compendium of wisdom this book is also a complete guide to the inner workings of a complex and inspired belief system and the life of a man sanctified by fame What Would Keith Richards Do reminds us to learn from our mistakes let our instincts lead us and above all do what Keith has done better than anyone survive
