Linda Grant

Roman Propertius And The Reinvention Of Elegy:

Roman Propertius and the Reinvention of Elegy Jeri Blair Debrohun, 2003 Studies how Propertius transformed the elegiac form using Callimachean style as a starting point *A Reading of Propertius' Elegies* Lee Fratantuono, 2024-12-24 Among the surviving poets of the Age of Augustus the elegist Propertius is an enigma Now brooding now buoyant Propertius couplets offer mesmerizing commentary on the history of Rome and the renaissance of the republic in the wake of the Augustan victory at Actium The elusive figure who dominates the poems is Cynthia a literate musically inclined chestnut haired Muse who calls to mind aspects of both the huntress goddess Diana and the battle goddess Minerva Through the course of his Cynthia cycle Propertius composes a breathtaking array of verse meditations on love and death the nature of passion and obsession and the quest to remain forever young In *A Reading of Propertius Elegies* Lee Fratantuono reveals Propertius work to be nothing less than an elegiac Aeneid a spellbinding intertextual edifice whose rooms both charm and terrify Dazzling and decadent gorgeous and ghostly sophisticated and seductive Propertius Cynthia ultimately presents us with the image of wolfish Roma herself a city that is not only an anagram of Amor but also the mistress of the world In a Roman empire that has beheld the drama of Cleopatra and Antony the rites of Isis and the madness inspired by Bacchus and the Great Mother Propertius dispenses elegiac medicine as the horror of civil war and the aftermath of intoxicated excess give way to an Augustan remedy *Roman Love Elegy and the Eros of Empire* Phebe Lowell Bowditch, 2023-05-22 This book explores Roman love elegy from postcolonial perspectives arguing that the tropes conventions and discourses of the Augustan genre serve to reinforce the imperial identity of its elite metropolitan audience Love elegy presents the phenomena and discourses of Roman imperialism in terms of visual spectacle the military triumph literary genre epic in relation to elegy material culture art and luxury goods and geographic space as intersecting with ancient norms of gender and sexuality in a way that reinforces Rome's dominance in the Mediterranean The introductory chapter lays out the postcolonial frame drawing from the work of Edward Said among other theorists and situates love elegy in relation to Roman Hellenism and the varied Roman responses to Greece and its cultural influences Four of the six subsequent chapters focus on the rhetorical ambivalence that characterizes love elegy's treatment of Greek influence the representation of the domina or mistress as simultaneously a figure for captive Greece and a trope for Roman imperialism the motif of the elegiac triumph with varying figures playing the triumphator as suggestive of Greco Roman cultural rivalry Rome's competing visions of an Attic and an Asiatic Hellenism The second and the final chapter focus on the figures of Osiris and Isis respectively as emblematic of Rome's colonialist and ambivalent representation of Egypt with the conclusion offering a deconstructive reading of elegy's rhetoric of orientalism **Latin Elegy and the Space of Empire** Sara H. Lindheim, 2021 This book explores the ways in which Latin poets of the late Republic and the Augustan Age participate in a new cultural preoccupation with the dramatically expanding geographical space of empire **Latin Erotic Elegy and the Shaping of Sixteenth-Century English Love Poetry** Linda

Grant,2019-08-29 Interdisciplinary in approach and methodologically sophisticated this book explores the dynamic reception of Latin erotic elegy in Renaissance love poetry **A Guide to Latin Elegy and Lyric** Barbara K. Gold,Genevieve Liveley,2021-07-27 Provides the necessary context to read elegiac and lyric poetry designed for novice and experienced Classics and Latin students alike A Guide to Latin Elegy and Lyric explores the language of Latin poetry while helping readers understand the socio cultural context of the remarkable period of Roman literary history in which the poetry was composed With an innovative approach to this important area of classical scholarship the authors treat elegy alongside lyric as they cover topics such as the Hellenistic influences on Augustan poetry the key figures that shaped the elegiac tradition of Rome the motifs of militia amoris the warfare of love and servitium amoris the slavery of love in Latin love elegy and more Organized into ten chapters the book begins with an introduction to the literary political and social contexts of the Augustan Age The next six chapters each focus on an individual lyric and elegiac poet Catullus Horace Tibullus Propertius Ovid and Sulpicia followed by a survey of several lesser known poets and post Augustan elegy and lyric The text concludes with a discussion of major tropes and themes in Latin elegy and lyric and an overview and analysis of key critical approaches in current scholarship This volume Includes full translations alongside the Latin throughout the text to illustrate discussions Analyzes recurring themes and tropes found in Latin poetry such as sexuality and gender politics and patronage myth and religion wealth and poverty empire madness magic and witchcraft Reviews modern critical approaches to elegiac and lyric poetry including autobiographical realism psychoanalysis narratology reception and decolonization Includes helpful introductory sections How to Read a Latin Elegiac or Lyric Poem and How to Teach a Latin Elegiac and Lyric Poem Provides information about each poet an in depth discussion of some of their poetry and cultural and historical background Features a dedicated chapter on Sulpicia offering readers an ancient female viewpoint on sex and gender politics and patronage Part of the acclaimed Blackwell Guides to Classical Literature series A Guide to Latin Elegy and Lyric is the perfect text for both introductory and advanced courses in Latin elegy and lyric accessible for students reading the poetry in translation as well as for those experienced in Latin with an interest in learning a different approach to the subject [The Cambridge Companion to Latin Love Elegy](#) Thea S. Thorsen,2013-11-21 Latin love elegy is one of the most important poetic genres in the Augustan era also known as the golden age of Roman literature This volume brings together leading scholars from Australia Europe and North America to present and explore the Greek and Roman backdrop for Latin love elegy the individual Latin love elegists both the canonical and the non canonical their poems and influence on writers in later times The book is designed as an accessible introduction for the general reader interested in Latin love elegy and the history of love and lament in Western literature as well as a collection of critically stimulating essays for students and scholars of Latin poetry and of the classical tradition *Propertius in Love* Sextus Propertius,2002-06-03 These ardent even obsessed poems about erotic passion are among the brightest jewels in the crown of Latin literature Written by Propertius Rome s greatest poet of love who was born

around 50 b c a contemporary of Ovid these elegies tell of Propertius tormented relationship with a woman he calls Cynthia Their connection was sometimes blissful more often agonizing but as the poet came to recognize it went beyond pride or shame to become the defining event of his life Whether or not it was Propertius explicit intention these elegies extend our ideas of desire and of the human condition itself *Roman Readings: Latin Poetry from Lucretius to Ovid* Stephen Harrison, 2025-07-21 This volume collects seventeen pieces on the classical Latin poetry of the late Republican and Augustan period written and published since 2000 They share a common interest in the close reading of poems with a particular focus on the issues of genre intertextuality poetic unity political allusion imagery and literary history Topics treated include the proem to Lucretius I and its relation to Ennian models issues of unity and interpretation in five poems of Catullus On Vergil there are two studies of the similes of the Aeneid one of Aeneas narrative in Aeneid 2 one of Aeneid 6 as a journey into the epic past one of Sibylline elements in the Aeneid and one of the language used by the Aeneid s gods plus a new contribution to the old issue of the identity of the child in Eclogue 4 On Propertius there are accounts of 4 9 and its contemporary political significance and of how some other elegies in Book 4 function as expanded epigrams The chapter on Ovid looks at the chronology and shape of his literary career Taken together these pieces seek to present these central texts of Roman poetry for modern literary study by scholars and advanced students

Introspection and Engagement in Propertius Jonathan Wallis, 2018-04-12 Propertius re invents Latin love elegy in his third collection Nearly a decade into the Augustan principate the early counter cultural impulse of Propertius first collections was losing its relevance Challenged by the publication of Horace s Odes and by the imminent arrival of Virgil s Aeneid in 23 BCE Propertius produced a radical collection of elegy which critically interrogates elegy s own origins as a genre and which directly faces off Horatian lyric and Virgilian epic as part of an ambitious claim to Augustan pre eminence But this is no moment of cultural submission In Book 3 elegy s key themes of love fidelity and political independence are rebuilt from the beginning as part of a subtle critique of emerging Augustan mores This book presents a series of readings of fourteen individual elegies from Propertius Book 3 including nostalgic love poems an elegiac hymn to Bacchus and a lament for Marcellus the recently dead nephew of Augustus

Yeah, reviewing a books **Roman Propertius And The Reinvention Of Elegy** could go to your near contacts listings. This is just one of the solutions for you to be successful. As understood, achievement does not recommend that you have extraordinary points.

Comprehending as competently as promise even more than other will give each success. next to, the statement as capably as insight of this Roman Propertius And The Reinvention Of Elegy can be taken as well as picked to act.
