

Poetry vs. Prose

Prose

- There are no line breaks. Sentences run to the right margin.
- The first word of each sentence is capitalized.
- Prose looks like large blocks of words.

Poetry

- Poetry uses line breaks for various reasons—to follow a formatted rhythm or to emphasize an idea. Lines can run extremely long or be as short as one word or letter.
- Traditionally, the first letter of every line is capitalized, but many modern poets choose not to follow this rule strictly.
- The shape of poetry can vary depending on line length and the intent of the poet.

Romance In Prose And Poems
