The Romance of the Word Robert Farrar Capon,1995 This volume makes available three of Capon s sought after early works An Offering of Uncles The Third Peacock and Hunting the Divine Fox Each book offers a refreshingly different take on key theological issues the priesthood of humankind the problem of God and evil and the language of theology **Living in**

the Lamblight Hans Boersma,2001-01-08 In recent decades many fundamental Christian assumptions about the nature of God and the world have come under attack No longer can one assume even in many church circles that historic Christian beliefs about the Trinity and providence are generally accepted or understood Scientific knowledge and new technologies have also presented challenges for the church How for example should Christians understand the ecological crisis And how should the opening chapters of Genesis be understood in an age of genetic research and evolutionary science This collection of essays attempts to chart a faithful path for postmodern Christians exploring the foundational ideas and concepts of a Christian worldview and suggesting their implications for Christian living today Contributors Hans Boersma John Cooper Marva J Dawn Michael W Goheen Christopher D Marshall Arnold E Sikkema John G Stackhouse Jr Rikki E Watts John R Wood

Beyond an Angry God Steve McVey,2014-08-01 How would your life change if you really believed and could even feel that God is absolutely crazy about you Steve McVey s penetrating new look at the transforming power of God s grace leads you to that change Steve unpacks the biblical revelation of the Trinity as a loving relationship and he highlights the goal of history God intends to include us in that circle of love Steve answers troubling questions that can keep you from fully sensing God s love acceptance and forgiveness such as Why does God look like a bad cop in the Old Testament and a good cop in the New Testament At Calvary was the Father angry at the Son Is He ever angry with me Why do I sometimes feel separated from God abandoned guilty and ashamed Theologians have described the Trinity as perichoresis a dance Are you ready to be swept into the Father s embrace **A Body of Praise** W. David O. Taylor,2023-03-28 Do our physical bodies really matter in corporate worship Isn t our soul the most important part of us Aren t our bodies at best negligible to worship and at worst a hindrance The answer to this last question is categorically no as Christians have attested throughout history and across the global church The purpose of the body instead is to offer to God in worship what only it can offer and what must be offered to God By drawing on the wisdom of the Bible church history and theology and by taking advantage of the unique insights of the arts and sciences ethics and spiritual formation a respected theologian and pastor argues in this book that there is something for our physical bodies to do that decisively forms Christlikeness in us within the context of corporate worship What we do with our postures gestures and movements in worship matters How our senses of sight scent sound taste and touch are involved in worship matters How our spontaneous and prescriptive activities form us in worship matters All of it matters to faithful and fulsome worship for the sake of a body that is fully alive in the praise of God **The Living Church** ,1995 **An**

Shaver, 2021-12-14 One of the most challenging questions for Christian ecumenical theology is how the relationship between the eucharistic bread and wine and Jesus Christ s body and blood can be appropriately described This book takes a new approach to controverted questions of eucharistic presence by drawing on cognitive linguistics Arguing that human cognition is grounded in sensorimotor experience and that phenomena such as metaphor and conceptual blending are basic building blocks of thought the book proposes that inherited models of eucharistic presence are not necessarily mutually exclusive but can serve as complementary members of a shared ecumenical repertoire The central element of this repertoire is the motif of identity grounded in the Synoptic and Pauline institution narratives The book argues that the statement The eucharistic bread and wine are the body and blood of Christ can be understood both as figurative and as true in the proper sense thus resolving a church dividing dichotomy The identity motif is complemented by four major non scriptural motifs representation change containment and conduit Each motif with its entailments is explored in depth and

suggestions for ecumenical reconciliation in both doctrine and practices are offered The book also provides an introduction to cognitive linguistics and offers suggestions for further reading in that field *Genesis* Robert Farrar Capon, 2003 The creation story stands as one of the most famous and familiar in Scripture But says best selling author Robert Farrar Capon most of us misconstrue it The reason We have fallen into the habit of reading Genesis the way we read all of Scripture as a manual of religious instructions To break this bad habit Capon here offers a whimsical yet wonderfully fruitful approach watching the Bible as a historical movie whose director is God Though Capon does have fun with this concept he s very serious about its liberating effects When you watch a movie he says you never ask questions about whether the events depicted actually happened Instead you accept the history the director shows you on the screen And as Capon points out we typically suspend judgment of a film until we ve seen all of it letting later scenes inform and enrich earlier ones That he says is exactly how we need to see Genesis as just the beginning of the whole movie of Scripture Using this novel approach in *Genesis the Movie* Capon develops a commentary of theological scope and depth on the first three chapters of Genesis He gives every verse as it appears in the Hebrew the Septuagint and the Vulgate as well as in the KJV RSV and NRSV versions of the Bible Making extensive use of Augustine s commentary on Genesis in his *Confessions* and *De Genesi ad Litteram* Capon also shows the interpretive freedom with which the church s fathers and mothers approached Scripture This book is as much Capon the charming writer teacher as it is Capon the scholar characterized as it is by the conversational entertaining style for which Capon is so well known Enriched by Capon s signature wit imaginative wisdom and broad ranging engagement of saints poets and religious thinkers across the centuries *Genesis the Movie* presents a remarkable new look at Scripture that will delight and challenge its many readers *Worship Words* Debra Rienstra, Ron Rienstra, 2009-02 Two worship experts issue a call to renewed appreciation of the role and power of language in worship **Reluctant Horses, Broken Bridges, Magic Feathers, and a Tossed Salad** J. a. Tamel, 2007-09 Employing his tendency towards satire Tamel invites readers to join him on a quest to understand the church within the context of the current culture He exposes what lies at the center of many cynical twentysomethings who are trying to deconstruct what the church has become Practical Life
