**Romances of the Archive in Contemporary British Fiction** Suzanne Keen, 2003-01-01 A detailed examination of the growing genre of British fiction featuring archives and archival research from A S Byatt's Booker Prize winning *Possession* to the paperback thrillers of popular novelists Brief van Gisela Pfützner aan Nicolaas Rost (1896-1967), 1965 **Trauma and Romance in Contemporary British Literature** Jean-Michel Ganteau, Susana Onega, 2013-01-17 Drawing on a variety of theoretical approaches including trauma theory psychoanalysis genre theory narrative theory theories of temporality cultural theory and ethics this book breaks new ground in bringing together trauma and romance two categories whose collaboration has never been addressed in such a systematic and in depth way The volume shows how romance strategies have become an essential component of trauma fiction in general and traumatic realism in particular It brings to the fore the deconstructive powers of the darker type of romance and its adequacy to perform traumatic acting out and fragmentation It also zooms in on the variations on the ghost story as medium for the evocation of trans generational trauma as well as on the therapeutic drive of romance that favors a narrative presentation of the working through phase of trauma Chapters explore various acceptations and extensions of psychic trauma from the individual to the cultural analyzing narrative texts that belong in various genres from the ghost story to the misery memoir to the graphic novel The selection of primary sources allows for a review of leading contemporary British authors such as Peter Ackroyd Martin Amis Ian McEwan Salman Rushdie Graham Swift Sarah Waters and Jeanette Winterson and of those less canonical such as Jackie Kay Alan Moore and Dave Gibbons Justine Picardie Peter Roche and Adam Thorpe **The Fiction of A.S. Byatt** Louisa Hadley, 2017-09-16 This Guide examines the key critical responses to Byatt's fiction both her novels and short stories tracing the wider debates about realism postmodernism and feminism with which they engage The Guide also explores the themes which are central to Byatt's work such as her depiction of writer figures and her conception of artistic vision **Archive Everything** Gabriella Giannachi, 2023-09-19 How the archive evolved to include new technologies practices and media and how it became the apparatus through which we map the everyday In *Archive Everything* Gabriella Giannachi traces the evolution of the archive into the apparatus through which we map the everyday The archive traditionally a body of documents or a site for the preservation of documents changed over the centuries to encompass often concurrently a broad but interrelated number of practices not traditionally considered as archival Archives now consist of not only documents and sites but also artworks installations museums social media platforms and mediated and mixed reality environments Giannachi tracks the evolution of these diverse archival practices across the centuries Archives today offer a multiplicity of viewing platforms to replay the past capture the present and map our presence Giannachi uses archaeological practices to explore all the layers of the archive analyzing Lynn Herschman Leeson's *Women Art Revolution* project a digital archive of feminist artists She considers the archive as a memory laboratory with case studies that include visitors encounters with archival materials in the Jewish

Museum in Berlin She discusses the importance of participatory archiving examining the multimedia roadshow Digital Diaspora Family Reunion as an example She explores the use of the archive in works that express the relationship between ourselves and our environment citing Andy Warhol and Ant Farm among others And she looks at the transmission of the archive through the body in performance bioart and database artworks closing with a detailed analysis of Lynn Hershman Leeson s Infinity Engine

**A Concise Companion to Contemporary British Fiction** James F. English, 2008-04-15 A Concise Companion to Contemporary British Fiction offers an authoritative overview of contemporary British fiction in its social political and economic contexts Focuses on the fiction that has emerged since the late 1970s roughly since the start of the Thatcher era Comprises original essays from major scholars Topics range from the rise and fall of the postcolonial novel to controversies over the celebrity author The emphasis is on the whole fiction scene from bookstores and prizes to the changing economics of film adaptation Enables students to read contemporary works of British fiction with a much clearer sense of where they fit within British cultural life

*Neo-Victorian Fiction and Historical Narrative* L. Hadley, 2010-10-13 Placing the popular genre of neo Victorian fiction within the context of the contemporary cultural fascination with the Victorians this book argues that these novels are distinguished by a commitment to historical specificity and understands them within their contemporary context and the context of Victorian historical and literary narratives

Love Among the Archives Helena Michie, 2015-09-18 Part biography part detective novel part love story and part meditation on archival research Love Among the Archives is the story of two literary critics attempts to track down Sir George Scharf the founding director of the National Portrait Gallery

Colonialism and National Identity Paolo Bertella Farnetti, Cecilia Dau Novelli, 2015-09-04 Until the latter part of the twentieth century Italy s colonial past was a largely neglected topic in historical studies Before then only a handful of historians had shown any inclination for rescuing it from the dusty shelves of history to which it had been relegated With a few exceptions most notably Angelo Del Boca not many had the courage to venture into such treacherous territory Colonial studies experienced a resurgence at the start of the new millennium with remarkable progress in the quantity and quality of research along with the wider public s newfound interest as evidenced by an important conference held in Milan in 2006 and the large audience it attracted This book addresses the relationship between national identity and colonial culture in Italy The centrality of the construction of Otherness in the identity formation of the colonizer has been extensively reported both in Europe and elsewhere and the relevance of colonial heritage has also been attested In Italy however this relationship has been neglected in existing historiography and the colonial experience has traditionally been side lined and marginalized This volume is divided into several sections each organized around an underlying theme Within each theme a broad array of topics and methodologies reflect the authors approach in analysing the role of colonialism in the process of Italian identity formation The rather heterogeneous works contained in this book which attest the vitality and complexity of the debate on Italian colonialism are clustered around one central theme the

reconstruction of uncomfortable memories and a past that will not pass which overlap the challenging present circumstances of rigidity racism and rejection As such this book is a work of critical reflection assembled using varied resources and scientific tools in order to shed light on a common past that is still so near and vivid in the minds of Italians but at the same time so denied distorted and forgotten in the collective memory **A.S. Byatt** Mariadele Boccardi, 2013-02-15 This comprehensive new study offers a detailed analysis of all of Byatt's fiction and also discusses her critical output Mariadele Boccardi examines Byatt's work in the light of postmodern concerns with language narrative and self referentiality
