*Rebuilding the Temple* Robert P. Vande Kappelle,2022-04-21 As the Bible indicates our lives are a construction zone for our bodies are temples of the divine Spirit Formed initially in the image of God human beings lost intimacy with God through corruption rebellion or neglect In response the divine Creator loves us back into relationship providing means of grace to help restore us to wholeness beginning with our body and continuing through our mind soul and spirit As buildings need cleaning maintenance and ongoing care so our inner temple needs spiritual stimulus cleaning and care Rebuilding the Temple is the fourth book in Vande Kappelle s series on spirituality and the arts Books in this series reinforce the essential principle underlying all authentic spirituality Go deep in any one place and you will meet the infinite aliveness that is God for God is everywhere Whereas earlier books consider the connection of spirituality with creative arts such as poetry film music theater drama dance and modern literature this volume takes readers on a journey through classic Christian literature beginning with the Bible and continuing through inspirational works written by diverse spiritual mentors such as Augustine Dante Luther Calvin Teresa of Avila George Fox Blaise Pascal Henri Nouwen A W Tozer John McLaren John Shelby Spong Richard Rohr and Marcus Borg Reading their works reminds us that Christian literature is most practical and inspirational when it takes a narrative approach to theology interpreting the spiritual journey through the ongoing stories of people and

communities rather than trying to capture timeless truths analytically or through rational argumentation Like its companion texts *Wading on Water*, *Deep Splendor*, and *Deeper Splendor*, this volume is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection
