The Doctrine on Which the Church Stands or Falls (Foreword by D. A. Carson) Matthew Barrett, 2019-03-14 Many factors contributed to the Protestant Reformation but one of the most significant was the debate over the doctrine of justification by faith alone In fact Martin Luther argued that justification is the doctrine on which the church stands or falls This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history the Bible theology and pastoral practice revealing the enduring significance of this pillar of Protestant theology

Liefeld, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written **Romans** Thomas R.

Schreiner, 1998-12 A fresh analysis of the Book of Romans for scholars pastors and students that blends scholarly depth with readability **When Wright is Wrong** Phillip D. R. Griffiths, 2019-01-14 In today s world the Christian is constantly being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith

According to him the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel Romans: An exposition of Chapter 5. Assurance David Martyn Lloyd-Jones,1970 The Discipline of Grace Jerry Bridges,2018-04-03 Over 200 000 copies sold You are never beyond the reach of God s grace or the need for it Being a Christian is about more than just accepting salvation it s about regularly becoming more like Jesus This is hard work As we struggle to become more like Christ we can easily lose sight of grace in favor of the discipline we put ourselves through It s time to take another look at the role we play and God plays in our growth as a Christian Renowned author Jerry Bridges offers a clear and thorough explanation of the gospel and what it means to the believer A must read for Christians wanting to grow in their faith this book will comfort and challenge you as you learn about the disciplines of Commitment Convictions Choices Adversity And more Equally challenging and comforting Bridges uses his relaxed everyday style alongside hard hitting truths Now with an added study guide for personal use or group discussion so you can dive deeper into this staple of Jerry Bridges s classic collection The writings of Jerry Bridges are a gift to the church He addresses a relevant topic with the wisdom of a scholar and the heart of a servant Max Lucado pastor and bestselling author **The Grace of Christ, Third Edition** Eric Roessing,2023-09-28 The purpose of this book is to communicate as clearly as possible Paul s gospel of God in its depth from what I have learned over five decades of studying Paul s letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul s gospel can only be known by the Spirit of God through comparing Paul s Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther s grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God s saving righteousness is revealed from Christ s faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him *From Death to Life* John J. Cobb,2012-07-18 For the past thirty years John J Cobb has devoted himself to teaching the foundational truths of the Christian faith His first work *Lord When A Biblical Perspective on the Second Coming* embodies the authors passion for the accuracy and purity of Gods word His latest work *From Death to Life* is just another example of his passion for the doctrines of God as it explores some of the core doctrines of the Christian faith such as The Doctrine of God Mans Total Depravity Sin Justification Election Predestination These and others covered in *From Death to Life* are crucial to the Christians understanding of who they are and the

tremendous love God has for us The author is convinced that the main reason so many Christians are so easily misled by false teachers today is a lack of understanding of these doctrines The authors desire is that all who read this book will be strengthened in their faith and rediscover their love for God and His word
