Galatians and Romans William Douglas Mackenzie, 1912 **Focusing on Paul** Andrie du Toit, 2012-02-13 In the early 1970's due to serious epistemological flaws the demise of traditional New Testament research paradigms became imminent A new generation of scholars started the search for a fresh approach based on scientifically sound principles Working within the stimulating atmosphere of the New Testament Society of South Africa the author was one of the pioneers in developing a new multi dimensional research approach for New Testament studies The articles in the present volume written over a period of 25 years reflect part of this journey as viewed from a Pauline perspective Combining the positive aspects of the traditional biblical research paradigms with the important insights of modern linguistics literary science semantics and pragmatics particularly rhetoric the author investigates the convergence of various influences in Paul's pre christian career He proposes new possibilities of understanding Paul's language and style such as hyperbolic contrasts typical of his Semitic background Various aspects of his strategies of persuasion are investigated such as creating an ethos vilification alienation and re identification The majority of articles concentrate on central elements in Pauline theology belief in the resurrection of Jesus the centrality of grace the in Christ and related formulae faith and obedience justification in Romans Christian identity ethics and ethos as portrayed in Romans

Galatians and Romans Brendan Byrne, 2010-11-01 Of all the writings of Paul none have made so signal a contribution to Christian life and identity as the Letter to the Galatians and the Letter to the Romans While written at quite separate stages of his apostolic career and very different in tone the two letters unite in projecting above all a common Vision of God as a God of grace Both call for a human response of faith and love from which will flow a Christian life lived in freedom and hope This commentary brings out these

positive emphases in Galatians and Romans while also remaining sensitive to the part these letters have played in divisions between Protestants and Catholics on the one hand and Christian caricature of Judaism on the other The aim is to clarify and shed light where Paul can be obscure as well as to bring out the full riches of his powerful presentation of the Good News for the life of believers today *Romans and Galatians* Word Among Us Press,2002 This series contains each passage of Scripture from books of the Bible and practical commentaries that include faith filled meditation Drawing from solid Catholic scholarship these commentaries inspire readers to grow in their love for Christ Readers will find a new rich meaning as they meet Jesus through the eyes of the writers of the New Testament **A Systematic Study of Romans and Galatians**

Willard Conchin,1959 **Pillars of Paul's Gospel** John F. O'Grady,1992 An introductory overview of Paul s letters to the Galatians and Romans that integrates the influence of this apostle s personality and history Can be used as a companion text to the Paulist Bible Study Program **The Apostle Paul and His Letters** Edwin D. Freed,2014-12-05 The Apostle Paul and His Letters presents a detailed examination of the apostle s seminal writings in the Book of Acts Paul was writing primarily to converts who had joined church communities only recently mostly forsaking either Judaism or paganism Paul s emphases on faithfulness toward God the faithfulness of Jesus and his moral teachings are always primary themes The book discusses a range of topics the circumstances that led Paul to write each letter Paul s emphasis on the morality of the believers to whom he was writing the influence of Old Testament Qumran and pagan writings on Paul s own the intellectual and cultural context of the time and how careful attention to Paul s language can shed light on his meaning This book is written for a wide range of interested readers including students pastors church workers and others interested in learning about Paul as a person and his work *Romans & Galatians* Murray Hollingsworth,2021-07-10 Both Galatians and Romans have a section on law righteousness Pistis Abraham Jews and gentiles Gal 3 1 16 and Rom 4 and another section that brings together most of the same topics but features a decisive intervention by Christ Gal 3 25 4 6 Rom 9 30 10 13 We can go on a treasure hunt in the Bible to not only know more about our Lord Jesus Christ but also God s plan and purpose for the body of Christ We will find that when we understand the word of God rightly divided we can function properly by His life working in and through us But we have this treasure in earthen vessels that the excellency of the power may be of God and not of us 2 Cor 4 7 There is a supernatural interaction that takes place between the word of God and His Spirit in us when we believe it **Romans, Galatians** Douglas J. Moo,Ralph P. Martin,Julie Wu,2016-04-05 Brimming with lavish full color photos and graphics the Zondervan Illustrated Bible Backgrounds Commentary walks you verse by verse through all the books of the New Testament It s like slipping on a set of glasses that lets you read the Bible through the eyes of a first century reader Discoveries await you that will snap the world of the New Testament into gripping immediacy Things that seem mystifying puzzling or obscure will take on tremendous meaning when you view them in their ancient context You ll deepen your understanding of the teachings of Jesus You ll discover the close sometimes startling interplay between God s kingdom and the practical affairs of
