Encountering the Book of Romans (Encountering Biblical Studies) Douglas J. Moo,2014-07-08 In this updated edition of his successful textbook a leading evangelical New Testament scholar offers a guide to the book of Romans that is informed by current scholarship and written at an accessible level The new edition has been updated throughout and features a new interior design After addressing introductory matters and laying the groundwork for reading Romans Douglas Moo leads readers through the weighty argument of this significant book highlighting key themes clarifying difficult passages and exploring the continuing relevance of Romans As with other volumes in the well received Encountering Biblical Studies series this book is designed for the undergraduate classroom and includes pedagogical aids such as photos and sidebars A test bank for professors is available through Baker Academic s Textbook eSources Covenant Theology Phillip D. R.

Griffiths,2016-06-10 God has always dealt with his people through the covenant yet covenant theology from a Baptist perspective is a teaching that is all too often neglected Many Baptists don t know why they are Baptist If questioned they are most likely to respond by alluding to the mode of baptism rather than its underlying theology This book is easily accessible providing the reader with a clear understanding of the historical Baptist position The work points out the errors inherent in the Reformed paedobaptist paradigm and seeks to show that the only covenant of grace is the new covenant in Christ

Making Christianity Work: Letters and Lessons on Leadership, Theology and the Church Carl Shank,2012-08-06 Insights shared by an author and church leadership consultant from letters emails and various mentoring situations involving many lay and professional ministry leaders over an almost forty year ministry span Sections include Feeling About God and Life Knowing God Better Faith and Culture On Church Health and Growth On Church Difficulties On Preaching and Teaching and On Theology **SUPERABOUNDING GRACE AN EXPOSITION OF ROMANS 5-8 FOR MEN** G. Brian

Christie,2024-01-31 This book is intended for Christian men who want to grow in their faith by understanding knowing and applying God s Word to their daily lives It is a solid exposition of Romans 5 8 in which the apostle Paul sets out the benefits of justification and God s superabounding grace which include reconciliation salvation from God s wrath on that Final Judgment Day eternal life new life in Christ serving in the new way of the Spirit freedom from the old realm of sin and death and the benefits and blessing of being indwelt by the Spirit But the thrust of these chapters is God s unstoppable purpose to bring us justified sinners to glory resurrection bodies on the restored earth with Christ forever This book is not written by a seminary professor pastor or full time Christian worker It is written by a businessman to businessmen as a fellow traveler who has spent a lifetime immersed in the hurly burly of the business world So the application of the exposition directly addresses the issues men in the business world face on a daily basis like greed pride sexual temptation anger patience priorities humility lying exaggeration and perseverance It is heavy on grace forgiveness and restoration Each chapter can be read in about ten

to twelve minutes Ideal for busy men Recommend reading one a day for forty days or as part of a men s Bible study group a chapter or two a week G Brian Christie ThM Dallas Theological Seminary JD University of Texas a transactional deal lawyer business executive and company director has taught men s Bible studies in churches in Texas and California for over the past forty five years He is the author of 12 Marks of a Man of God and Jesus the Messiah the Son of God an Exposition of the Gospel of Mark for Men When Wright is Wrong Phillip D. R. Griffiths,2019-01-14 In today s world the Christian is constantly being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith According to him the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel **The Grace of Christ, Third Edition** Eric Roessing,2023-09-28 The purpose of this book is to communicate as clearly as possible Paul s gospel of God in its depth from what I have learned over five decades of studying Paul s letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul s gospel can only be known by the Spirit of God through comparing Paul s Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther s grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God s saving righteousness is revealed from Christ s faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him NIVAC Bundle 7: Pauline Epistles Douglas J. Moo,Craig L. Blomberg,Scott J. Hafemann,Scot McKnight,Klyne Snodgrass,Frank S. Thielman,Daniel Garland,Michael W. Holmes,Walter L. Liefeld,2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues
