Long,2019-05-29 Galatians is one of the earliest of the Pauline letters and is therefore among the first documents written by Christians in the first century Paul s letter to the Galatians deals with the first real controversy in the early church the status of Jews and gentiles in this present age and the application of the Law of Moses to gentiles Paul argues passionately that gentiles are not converting to Judaism

and therefore should not be expected to keep the Law Gentiles who accept Jesus as Savior are free in Christ not under the bondage of the Law Galatians also deals with an important pastoral issue in the early church as well If gentiles are not under the Law are they free to behave any way they like Does Paul s gospel mean that gentiles can continue to live like pagans and still be right with God For Paul the believer s status as an adopted child of God enables them to serve God freely as dearly loved children Galatians Freedom through God s Grace is commentary for laypeople Bible teachers and pastors who want to grasp how the original readers of Galatians would have understood Paul s letter and how this important ancient letter speaks to Christians living in similar situations in the twenty first century     Romans Tyndale,1998-06 You want your Bible study to help you grow make a difference and change your life This one will Life Application Bible Studies include thought provoking questions complete lesson format full NLT text and the most extensive commentary available in a Bible study booklet giving you everything you need to understand God s Word and apply it to your life The Studies include thirteen ready to use lessons to stimulate thought discussion and practical life application Study questions are thoughtfully arranged and there is generous space for writing answers as well as special application questions at the end of each lesson to help you map out your personal action plan With Life Application Bible Studies you have everything you need in one place FEATURES Contains the entire New Living Translation text of each book studied Study notes are easy to use and understand covering background history geography and culture Application notes help you apply God s Word to your life Contains charts maps and profiles of Bible people     Woman Thou Art Loved from Above Kesha Latonya Hardin,2019-08-19 This book is to reveal to women of all walks of life no matter what they have been in or what they have come out of or what state they are in right now that they may experience the love of Christ that surpasses knowledge and be made complete with all the fullness of life and power that comes from God And that they will know that God s love for them is steadfast unconditional unfailing and unmovable And to enlighten the eyes of their hearts to know the plan will purpose mandate and kingdom destiny that Abba Father has ordained for them before the foundation of the world And to open their eyes so they may know the hope to which He has called them and the riches of His glorious inheritance that He has for them in His kingdom God has called them to His kingdom for such a time as this to place glory honor and favor on them and to give them an inheritance among the family of God and to use them for His glory And to help women establish the kingdom in their hearts and make them aware of Jesus Christ redemptive work for their life and that He was sent to atone for their sins and through His blood and sacrificial life there is forgiveness of sin and that He is the way of eternal salvation And to inspire women all over the world to know their value and self worth that they are priceless jewels and queens who were miraculously and wonderfully made in the image and likeness of God and they don t have to settle for anything or any kind of treatment And they don t have to compromise or lower their standard to be loved And to encourage women to come out of sin and out of that abusive and ungodly relationship and come to Jesus the Bishop and Lover of their soul and let Him love on them clean them up and heal them with spiritual intimacy because He
