Romans Unlocked Power To Deliver:

Romans Unlocked Rene Lopez,2005-02-01 The author has produced a much needed and wonderfully written commentary on this key book of the New Testament I heartily recommend this new work Joseph C Dillow Ph D P 4 of cover

One Gospel Nathan N. Hoff,2023-12-18 Is faith in Messiah necessary to the content of saving faith in the Old Testament as it is in the New While the dispensational tradition has been clear that salvation in every age includes a common object God a common basis Christ s death and a common requirement faith it has not always agreed on the content of saving faith across the testaments Written within the dispensational tradition One Gospel seeks to advance the discussion by looking at Paul s use of the Abraham story in Romans 4 This work contends there is continuity between the Old Testament and the New as illustrated by Abraham and Paul The content of saving faith must always include faith in Messiah who in the progress of revelation is identified as Jesus Christ [Romans and the Mission of God](#) Mark J. Keown,2021-12-23 Romans is a missional

document Yet strangely while many recognize the missional aspects of Romans few monographs are totally devoted to unpacking Romans from a missional perspective Romans and the Mission of God does this very thing Part one explores the background of the letter with an eye to positioning Romans in the story of the mission of God the apostle the Roman world and the early church Part two considers how Romans is a contextually shaped presentation of the gospel A range of other aspects of the way in which Paul shapes his message for the Romans are explored including salvation history metaphors and rhetorical techniques and aspects of the letter including elements opposed to God salvation ideas human response ethics and Christian living and the eschaton Part three delves into issues that arise in Romans that are important for contemporary mission These include such things as the cosmic scope of the mission the gospel as the power of salvation who does evangelism the miraculous social justice ecology social transformation generosity and hospitality God s sovereignty and human volition prayer the State culture Israel apologetics and theological thinking This is a must read for those serious about Paul Romans and God s mission **Faith in Jesus** Edwin Aaron Ediger,2012-10-11 What is the biblical gospel Do the

scriptures give us a clear picture of what God requires or doesn t for salvation There is only one way to obtain salvation and the language context and logic of all of the Bible s authors demonstrate precisely what the authentic gospel message is The gospel must be clearly understood in order to tell others the good news of salvation Some have either added to or subtracted from the gospel thereby rendering it confusing misleading or ineffective The Word of God emphasizes the one true way of salvation from cover to cover No Bible student pastor teacher or Christian leader should be without this careful incisive and revealing analysis of the precision and clarity of the biblical language that unfolds the good news about Jesus Christ The reader is invited on a biblical journey with the original writers as they identify Jesus who gives eternal life to those who put their trust in Him **Biblical Leadership** Benjamin K. Forrest,Chet Roden,2017-11-28 Biblical Leadership takes the best of evangelical scholarship to make the leadership lessons of Scripture tangible for today s readers All contributors are biblical

scholars who not only think seriously about the texts covered in their individual chapters but have committed their lives to teaching and living the truths therein This volume walks through the sections of the Bible gleanings from each biblical writer Every chapter analyzes the original setting of the writing extrapolates the leadership principles in the text and provides advice on applying that theology of leadership Presented in everyday language understandable to both professionals and practitioners these lessons will equip current and upcoming leaders to make a Christlike impact

The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith

Biblical Leadership Development Stuart W. Boyer, 2018-11-16 This book examines the principles and procedures implemented by Moses for developing leaders Using Exodus 18 as the basis the author explores how leadership skills are best developed in small group settings The author then delves into contemporary leadership principles such as authentic leadership and how organizations can develop leaders at every level of the organization Issues such as accountability ethics and trust will be discussed at length with an examination of the expected outcomes of training leaders at all levels This book will be a valuable addition to the leadership literature in showing how biblical leadership principles can be used in contemporary organizations
