Wordsworth, the Intellectual and
Cultural Critique

RICHARD BOURKE

Romantic Discourse And Political Modernity

Tim Milnes

Romantic Discourse And Political Modernity:

Romantic Discourse and Political Modernity Richard Bourke, 1993 This provocative book explores the difficulties surrounding the attempt to understand the relationship between literary and political discourse It examines the initial formulation of these difficulties in Georgian Britain and traces them through the cultural debates of the Victorian men of letters to the critical ideologies of the twentieth century literary academy Richard Bourke offers an incisive critique of the way in which the idea of Culture has been used as a means of resolving the failure to establish an adequate theory of politics in the wake of the French Revolution

Romantic Discourse and Political Modernity Richard Bourke, 1993-01-01 This provocative and demanding book explores the difficulties surrounding the attempt to understand the relationship between literary and political discourse It examines the initial formulation of these difficulties in Georgian Britain and traces them through the cultural debates of the Victorian men of letters to the critical ideologies of the twentieth century literary academy Richard Bourke offers an incisive critique of the way in which the idea of culture has been used as a means of resolving the failure to establish an adequate theory of politics in the wake of the French Revolution Particular emphasis is placed on the work of William Wordsworth and on the nature of its posthumous appeal The author shows how Wordsworth's writings signal a crisis in political thinking precipitated by the emergence of commercial civilisation and by the establishment of the concept of modernity The argument then proceeds to examine how an attempt was made to remedy that crisis by the apostles of culture from Coleridge Mill and Arnold to the literary intelligentsia of the twentieth century Drawing upon cultural theory and the history of political thought Bourke's original and ambitious work succeeds in exposing the critical desire to establish the aesthetic dimension as a medium capable of reconciling the normative basis of political life with its historical predicament

The Politics of Romantic Poetry R. Cronin, 2000-01-13 In recent years critics of Romantic poetry have divided into two groups that have little to say to one another One group as yet the most numerous insists that to study a poem is to investigate the historical circumstances out of which it was produced the other retorts that poetry offers pleasures fully available only to readers whose attention is focused on their language This book attempts to reconcile the two groups by arguing that a poet's most effective political action is the forging of a new language and that the political import of a poem is a function of its style

Imagination under Pressure, 1789-1832 John Whale, 2000-07-07 This ambitious study first published in 2000 offers a radical reassessment of one of the most important concepts of the Romantic period the imagination In contrast to traditional accounts John Whale locates the Romantic imagination within the period's lively and often antagonistic polemics on aesthetics and politics In particular he focuses on the different versions of imagination produced within British writing in response to the cultural crises of the French Revolution and the ideology of utilitarianism Through detailed analysis of key texts by Burke Paine Wollstonecraft Bentham Hazlitt Cobbett and Coleridge *Imagination under Pressure* seeks to restore the

role of imagination as a more positive force within cultural critique The book concludes with a chapter on the afterlife of the Coleridgean imagination in the work of John Stuart Mill and I A Richards As a whole it represents a timely and inventive contribution to the ongoing redefinition of Romantic literary and political culture

Romanticism and Modernity Thomas Pfau, Robert Mitchell, 2014-07-16 Though traditionally defined as a relatively brief time period typically the half century of 1780 1830 the Romantic era constitutes a crucial indeed unique transitional phase in what has come to be called modernity for it was during these fifty years that myriad disciplinary aesthetic economic and political changes long in the making accelerated dramatically Due in part to the increased velocity of change though most of modernity s essential master tropes such as secularization instrumental reason individual rights economic self interest emancipation system institution nation empire utopia and life were also subjected to incisive critical and methodological reflection and revaluation The chapters in this collection argue that Romanticism s marked ambivalence and resistance to decisive conceptualization arises precisely from the fact that Romantic authors simultaneously extended the project of European modernity while offering Romantic concepts as means for a sustained critical reflection on that very process Focusing especially on the topics of form both literary and organic secularization and its political correlates utopia and apocalypse and the question of how one narrates the arrival of modernity this collection collectively emphasizes the importance of understanding modernity through the lens of Romanticism rather than simply understanding Romanticism as part of modernity This book was previously published as a special issue of *European Romantic Review*

William Wordsworth - The Prelude Tim Milnes, 2009-06-02 The Prelude is now seen as a central text in the Wordsworth corpus This Guide identifies and gathers significant critical perspectives interpretations and debates connected with the poem contextualising and explaining criticism from the Victorian period right through to the present day

Women and Enlightenment in Eighteenth-Century Britain Karen O'Brien, Karen Elisabeth O'Brien, 2009-03-05 An original study of how Enlightenment ideas shaped the lives of women and the work of eighteenth century women writers

The Buried Life of Things Simon Goldhill, 2015 Simon Goldhill offers a fascinating new perspective on the material culture of nineteenth century Britain

Romanticism and Masculinity T. Fulford, 1999-03-22 This book examines the male Romantics versions of poetic authority in theory and practice in the context of their involvement in the political debates of Regency Britain and argues that their response to Burke s gendered discourse about power effected radical changes in the definitions of masculinity and femininity It portrays their influence on each other as a series of unstable struggles and alliances in which the formulation of an authoritative masculinity was a political as well as an aesthetic issue The author investigates the writers portrayals of women and their collaborations with women writers and throws new light on their nature poetry by relating it to their reactions to the sexual and political scandals of the Regency

Literacy and Growth John Hodgson, Ann Harris, 2024-08-13 Literacy and Growth is a unique genealogical study of English teaching in the UK and abroad since the 18th century Focusing specifically on the concepts of literacy and growth

this book explores key moments in the development of ideas about English teaching Hodgson and Harris reveal the Enlightenment forebears of such contemporary concepts as cultural capital and critical literacy the significance of growth to the writers and social critics who opposed Victorian Utilitarianism and the 20th century influences that established English as a humane study including the Newbolt Report the Cambridge Scrutiny group and the London School of Percival Gurrey and James Britton The authors examine unpublished Dartmouth Conference papers to reconsider John Dixon's construction of growth in his seminal report *Growth through English* 1967 They reflect on the turbulent aftermath of Dartmouth the changes in the growth model following the cultural turn in English studies and the politics behind the shift from English to literacy in the 1990s Importantly they redefine the growth model for the 21st century to support teachers and students in the current context of performativity high stakes assessment the knowledge curriculum and artificial intelligence Essential reading for tutors and students of English and literacy as well as policymakers in the subject area this book will engage all those interested in the history and philosophy of English in education It will be a key resource for those involved in the education and training of English teachers as well as those undertaking research in English education

The Top Books of the Year Romantic Discourse And Political Modernity The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. Romantic Discourse And Political Modernity : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Romantic Discourse And Political Modernity : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
