Romantic Period Writings 1798-1832: An Anthology Ian Haywood, Zachary Leader, 2005-11-01 Romantic Period Writings 1798 1832 provides a valuable insight into the condition of Britain in the early part of the nineteenth century It includes original documents from a range of disciplines and discourses Each section includes a scholarly introduction select bibliography and annotations Among the material assembled in the anthology are writings by previously neglected or under represented women working class men black radicals and conservative and evangelical polemicists as well as several unfamiliar texts by canonical writers The writings are organised into sections on Radical Journalism Political Economy Atheism Nation and State Race and Empire Gender Literary Institutions

The Romantic Period Robin Jarvis, 2015-12-22 The Romantic Period was one of the most exciting periods in English literary history This book provides a comprehensive and up to date account of the intellectual and cultural background to Romantic literature It is accessibly written and avoids theoretical jargon providing a solid foundation for students to make their own sense of the poetry fiction and other creative writing that emerged as part of the Romantic literary tradition

Poetry of the Romantic Period J. R. de J. Jackson, 2016-03-31 First published in 1980 This title provides a critical and historical account of poetry written between 1780 and 1835 The author has been especially concerned to place the great poems and poets of the age in the context of the conventions and traditions in which they wrote offering new perspectives on familiar works Poems still famous are examined often in relation to works of a similar kind fashionable at the time but now neglected and these unconventional groupings throw fresh light on Romantic poetry as a whole An appendix is included designed to be read as a supplement to the main text serving both as a chronology and as a brief guide to works that do not fall within the scope of the main argument This title will be of interest to students of literature

Watson,2014-03-18 On its first appearance English Poetry of the Romantic Period was widely praised as on of the best introductions to the subject This edition includes updated material in the light of recent work in Romanticism and Romantic poetry The book discusses the concerns that linked the Romantic poets from their responses to the political and social upheavals around them to their interest in the poet s visionary and prophetic role It includes helpful and authoritative discussions of figures such as Blake Clare Coleridge Crabbe Keats Scott Shelley and Wordsworth *French Philosophies of the Romantic Period* George Boas,1925 **Plagiarism and Literary Property in the Romantic Period** Tilar J.

Mazzeo,2013-04-23 In a series of articles published in Tait s Magazine in 1834 Thomas DeQuincey catalogued four potential instances of plagiarism in the work of his friend and literary competitor Samuel Taylor Coleridge DeQuincey s charges and the controversy they ignited have shaped readers responses to the work of such writers as Coleridge Lord Byron William Wordsworth and John Clare ever since But what did plagiarism mean some two hundred years ago in Britain What was at stake when early nineteenth century authors levied such charges against each other How would matters change if we were to evaluate these writers by the standards of their own national moment And what does our moral investment in plagiarism tell us about ourselves and about our relationship to the Romantic myth of authorship In *Plagiarism and Literary Property in the Romantic Period* Tilar Mazzeo historicizes the discussion of late eighteenth and early nineteenth century plagiarism and demonstrates that it had little in common with our current understanding of the term The book offers a major reassessment of the role of borrowing textual appropriation and narrative mastery in British Romantic literature and provides a new picture of the period and its central aesthetic contests Above all Mazzeo challenges the almost exclusive modern association of Romanticism with originality and takes a fresh look at some of the most familiar writings of the period and the controversies surrounding them The Reading Nation in the Romantic Period William St Clair,2004-07-08 Publisher

Description **Romantic Poetry** Angela Esterhammer,2002-01-01 Romantic Poetry encompasses twenty seven new essays by prominent scholars on the influences and interrelations among Romantic movements throughout Europe and the Americas It provides an expansive overview of eighteenth and nineteenth century poetry in the European languages The essays take account of interrelated currents in American Argentinian Brazilian Bulgarian Canadian Caribbean Chilean Colombian

Croatian Czech Danish English Estonian Finnish French German Greek Hungarian Irish Italian Mexican Norwegian Peruvian Polish Romanian Russian Serbian Slovak Spanish Swedish and Uruguayan literature Contributors adopt different models for comparative study tracing a theme or motif through several literatures developing innovative models of transnational influence studying the role of Romantic poetry in socio political developments or focusing on an issue that appears most prominently in one national literature yet is illuminated by the international context This collaborative volume provides an invaluable resource for students of comparative literature and Romanticism SPECIAL OFFER 30% discount for a complete set order 5 vols The Romanticism series in the Comparative History of Literatures in European Languages is the result of a remarkable international collaboration The editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived yet interrelated volumes that show not only how Romanticism developed and spread in its principal European homelands and throughout the New World but also the ways in which the affected literatures in reaction to Romanticism have redefined themselves on into Modernism A glance at the index of each volume quickly reveals the extraordinary richness of the series total contents Romantic Irony sets the broader experimental parameters of comparison by concentrating on the myriad expressions of irony as one of the major impulses in the Romantic philosophical and artistic revolution and by combining cross cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams Romantic Drama traces creative innovations that deeply altered the understanding of genre at large fed popular imagination through vehicles like the opera and laid the foundations for a modernist theater of the absurd Romantic Poetry demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments Nonfictional Romantic Prose assists us in coping with the vast array of writings from the personal and intimate sphere to modes of public discourse including Romanticism s own self commentary in theoretical statements on the arts society life the sciences and more Nor are the discursive dimensions of imaginative literature neglected in the closing volume Romantic Prose Fiction where the basic Romantic themes and story types the romance novel novella short story and other narrative forms are considered throughout Europe and the New World This enormous realm is seen not just in terms of Romantic theorizing but in the light of the impact of Romantic ideas and narration on later generations As an aid to readers the introduction to Romantic Prose Fiction explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix No other series exists comparable to these volumes which treat the entirety of Romanticism as a cultural happening across the whole breadth of the Old and New Worlds and thus render a complex picture of European spiritual strivings in the late eighteenth and the nineteenth centuries a heritage still very close to our age **Francisco Tarréga: 17 Pieces from the Romantic Era In Tablature and Modern Notation For Baritone Ukulele** Michael Walker, 2016-10-11 Here are eighteen compositions from the Romantic Era by Francisco Tarréga transcribed for the baritone

ukulele Most are also playable on the tenor and soprano ukulele and of course may be played on the guitar These are somewhat more complex compositions and are for Intermediate to Advanced players **ROMANCE! Compositions from the 19th Century Romantic Movement in Tablature and Musical Notation Transcribed for the Baritone Ukulele** Michael Walker, 2016-08-04 These sixty one compositions were transcribed for baritone ukulele but most are also playable on the soprano and tenor ukulele They are also certainly playable on a standard guitar and in fact are much easier as only the highest four strings are used low E and A are ignored The music encompasses pieces ranging from fairly easy to intermediate to more advanced Matteo Carcassi: 10 Petite Pieces from the Romantic Era In Tablature and Modern Notation For Baritone Ukulele Michael Walker, 2016-09-26 Here are ten compositions from the Romantic Era by Matteo Carcassi transcribed for the baritone ukulele Most are also playable on the tenor and soprano ukulele and of course may be played on the guitar These are somewhat more complex compositions and are for Intermediate to Advanced players Julian Arcas: 10 Pieces from the Romantic Era In Tablature and Modern Notation For Baritone Ukulele Michael Walker, 2016-10 Here are ten compositions from the Romantic Era by Julian Arcas transcribed for the baritone ukulele Most are also playable on the tenor and soprano ukulele and of course may be played on the guitar These are somewhat more complex compositions and are for Intermediate to Advanced players *The Romantic Period* St Martins Press, 1980 **Gender, Surveillance, and Literature in the Romantic Period** Lucy E. Thompson, 2021-12-30 Romantic era literature offers a key message surveillance in all its forms was experienced distinctly and differently by women than men Gender Surveillance and Literature in the Romantic Period examines how familiar and neglected texts internalise and interrogate the ways in which targeted asymmetric and often isolating surveillance made women increasingly and uncomfortably visible in a way that still resonates today The book combines the insights of modern surveillance studies with Romantic scholarship It provides readers with a new context in which to understand Romantic period texts and looks critically at emerging paradigms of surveillance directed at marginal groups as well as resistance to such monitoring Works by writers such as Jane Austen Charlotte Smith and Joanna Baillie as well as Lord Byron and Thomas De Quincey give a new perspective on the age that produced the Panopticon This book is designed to appeal to a wide readership and is aimed at students and scholars of surveillance literature Romanticism and gender politics as well as those interested in important strands of women s experience not only for the additional layers they reveal about the Romantic era but also for their relevance to current debates around asymmetries of power within gendered surveillance *ROMANTIC MOVEMENT: A Journey to Nature, Beauty and Imagination, Idealization of Women and Rejection of Industrialization* Rakesh Rathod (MA English, 2019-01-01 In vain I have struggled It will not do My feelings will not be repressed You must allow me to tell you how ardently I admire and love you Pride and Prejudice by Jane Austen Changes in society beginning in the 18th century and continuing into our own time underlie the Romantic Movement It starts as a reaction against the intellectualism of the Enlightenment against the

rigidity of social structures protecting privilege and against the materialism of an age which in the first stirring of the Industrial Revolution already shows signs of making workers the slaves of machinery and of creating squalid urban environments

Memorializing Animals during the Romantic Period Chase Pielak, 2016-04-22 Early nineteenth century British literature is overpopulated with images of dead and deadly animals as Chase Pielak observes in his study of animal encounters in the works of Charles and Mary Lamb John Clare Samuel Taylor Coleridge Lord Byron and William Wordsworth These encounters Pielak suggests coincide with anxieties over living alongside both animals and cemeteries in the late eighteenth and early nineteenth centuries Pielak traces the linguistic physical and psychological interruptions occasioned by animal encounters from the heart of communal life the table to the countryside and finally into and beyond the wild cemetery He argues that Romantic period writers use language that ultimately betrays itself in beastly disruptions exposing anxiety over what it means to be human what happens at death the consequences of living together and the significance of being remembered Extending his discussion past an emphasis on animal rights to an examination of animals in their social context Pielak shows that these animal representations are both inherently important and a foreshadowing of the ways we continue to need images of dead and deadly Romantic beasts

The Cambridge Companion to Fiction in the Romantic Period Richard Maxwell, Katie Trumpener, 2008-02-21 While poetry has been the genre most closely associated with the Romantic period the novel of the late eighteenth and early nineteenth centuries has attracted many more readers and students in recent years Its canon has been widened to include less well known authors alongside Jane Austen Walter Scott Maria Edgeworth and Thomas Love Peacock Over the last generation especially a remarkable range of popular works from the period have been re discovered and reread intensively This Companion offers an overview of British fiction written between roughly the mid 1760s and the early 1830s and is an ideal guide to the major authors historical and cultural contexts and later critical reception The contributors to this volume represent the most up to date directions in scholarship charting the ways in which the period s social political and intellectual redefinitions created new fictional subjects forms and audiences
