determine the fate of empires Star Trek: Mirror Universe: The Sorrows of Empire David Mack,2009-12-29 One man can shape the future but at what cost In every revolution there is one man with a vision Captain James T Kirk of the United Federation of Planets spoke those prophetic words to Commander Spock of the Terran Empire hoping to inspire change He could not have imagined the impact his counsel would have Armed with a secret weapon of terrifying power and a vision of the alternate universe's noble Federation Spock seizes control of the Terran Empire and commits it to the greatest gamble in its history democratic reform Rivals within the empire try to stop him enemies outside unite to destroy it Only a few people suspect the shocking truth Spock is knowingly arranging his empire's downfall But why Have the burdens of imperial rule driven him mad Or is this the coldly logical scheme of a man who realizes that freedom must always be paid for in blood Spock alone knows that the fall of the empire will be the catalyst for a political chain reaction one that will alter the fate of his universe forever *Kobayashi Maru* Michael A. Martin,Andy Mangels,2008-08-26 To protect the cargo ships essential to the continuing existence of the fledgling Coalition of Planets the captains of the United Earth's Starfleet are ordered to interstellar picket duty with little more to do than ask Who goes there into the darkness of space Captain Jonathan Archer of the Enterprise seethes with frustration wondering if anyone else can see what he sees A secret closed militaristic society convinced that their survival hangs by a thread who view their neighbors as a threat to their very existence the Spartans of ancient Greece the Russians of the old Soviet Union the Koreans under Kim Il sung with only one goal attain ultimate power no matter the cost The little known never seen Romulans seem to live by these same principles The captain realizes that the bond between the signers of the Coalition charter is fragile and likely to snap if pushed But he knows that the Romulans are hostile and he believes they are the force behind the cargo ship attacks If asked Archer can offer no proof without endangering his friend's life To whom does he owe his loyalty his friend his world the Coalition And by choosing one does he not risk losing all of them What is the solution to a no win scenario **First Contact** Bonnie Kunzel,Suzanne Manczuk,2001 This beginning reader's advisory book helps librarians guide young readers to science fiction and fantasy titles Entries describe titles and list sequels and related books by the same author Entries are in topical sections such as alien contact dragons biotechnology and postapocalypse Classics as well as current titles popular with both younger and older teens are included in each category Kunzel is a teen specialist at Princeton Public Library and is vice president of the Young Adult Library Services Association of the American Library Association Manczuk teaches in the School of Communication Information and Library Studies at Rutgers University c Book News Inc **Star Trek Reader's Reference to the Novels: 1992-1993** Alva Underwood,2011-12-08 Volume seven of the Star Trek Reader's Reference to the Novels offers additional information about the adventures of Kirk and his Bridge officers especially Kirk's early years and Dr McCoy's first deep space assignment Meet a variety of fascinating new villains including Dr Omen who believes he's created the perfect weapon a Romulan captain who seeks to destroy an entire species because he fears they will be weapons against Romulans Roy Moss

who feels he has not received the adulation he deserves and High Assassin Shil Andrachis who believes killing is both a gift and a right Meet other who offer new experiences such as the Reys of Gullrey archeologist and musician Dr Andrea Benar and Variants who are genetically altered human stock Read about a horrid new species now extinct and follow Kirk as he becomes a Kh lict Delve further into the mysteries surrounding the Probe that nearly destroyed Terra Take on the Klingons in a new ploy against the Federation Experience an ice planet almost destroyed when too many of its native marine animals are taken from the seas and meet the Kitka who are aware of an intelligent life form known as a kraken who shares their world Sail along on the Great Starship Race that pits the resourcefulness of Kirk and crew against the machinations of a Romulan captain Study how Kirk resolves a near war situation by reading from the Obirrhat Holy Book learn how Kirk Spock and McCoy evade the Rebirthing process on Sanctuary and discover new theories about orphan cultures

Star Trek: Mirror Universe: Glass Empires David Mack,Greg Cox,Mike Sussman,Dayton Ward,Kevin Dilmore,2007-02-20 There are moments glimpsed only in shadow where darkness rules and evil incarnate thrives You hope against hope that in your lifetime evil is relegated to the shadows But what if it wasn't What if you lived in a universe where your life was measured only by what you could do for the Empire What would you do to survive Would you sell your soul to free yourself If you were offered the chance to rule would you seize it If you could free your universe from the darkness but only at the cost of your life would you pay that price Star Trek Enterprise she seized power in a heartbeat daring to place herself against all the overlords of the Empire Empress Hoshi Sato knows the future that could be now all she has to do is make sure it never happens For her to rule she must hold sway not only over the starship from the future but also over her warlords the resistance and her Andorian husband As quickly and brutally as Hoshi seized power imperial rule is taken from her Her only chance to rule again is to ally herself with a lifelong foe and an alien Star Trek One man can change the future but does he dare Spock intrigued by the vision of another universe's Federation does what no Vulcan no emperor has ever done seize power in one blinding stroke of mass murder And at the same instant he gains imperial power Spock sows the seeds for the Empire's downfall Is this a form of Vulcan madness or is it the coolly logical plan of a man who knows the price his universe must pay for its freedom Star Trek The Next Generation Humanity is a pitiful collection of enslaved indentured and abused peoples No one dares to question the order except at peril of their lives One man survives by blinding himself to the misery around him However Jean Luc Picard resists just once And in that one instant he unlocks a horror beyond the tyranny of the Alliance Can a man so beaten down by a lifetime of oppression stop the destruction

Accords Saga David R. George III, Una McCormack, 2013-01-22 Three thrilling novels set in the universe of Star Trek The Next Generation *Plagues of Night* In the wake of the final Borg invasion which destroyed entire worlds cost the lives of sixty three billion people and struck a crippling blow to Starfleet six nations adversarial to the United Federation of Planets the Romulan Star Empire the Breen Confederacy the Tholian Assembly the Gorn Hegemony the Tzenkethi Coalition and the Holy Order of the Kinshaya joined ranks to form the Typhon Pact For almost three years the Federation and the Klingon Empire allied under the Khitomer Accords have contended with the nascent coalition on a predominantly cold war footing But as Starfleet rebuilds itself factions within the Typhon Pact grow restive concerned about their own inability to develop a quantum slipstream drive to match that of the Federation Will leaders such as UFP President Bacco and RSE Praetor Kamemor bring about a lasting peace across the Alpha and Beta Quadrants or will the cold war between the two alliances deepen and perhaps even lead to an all out shooting war *Raise the Dawn* After the disastrous events in the Bajoran system Captain Benjamin Sisko must confront the consequences of the recent choices he has made in his life At the same time the United Federation of Planets and its Khitomer Accords allies have come to the brink of war with the Typhon Pact While factions within the Pact unsuccessfully used the recent gestures of goodwill the opening of borders and a joint Federation Romulan exploratory mission to develop quantum slipstream drive they have not given up their goals Employing a broad range of assets from Romulus to Cardassia from Ab Tzenketh to Bajor they embark on a dangerous new plan to acquire the technology they need to take control of the Alpha and Beta Quadrants While UFP President Bacco and Romulan Praetor Kamemor work feverishly to reestablish peace Captains Sisko Jean Luc Picard and Ro Laren stand on the front lines of the conflict even as a new danger threatens the Bajoran wormhole as it once more becomes a flashpoint of galactic history *Brinkmanship* The Venette Convention has always remained independent but it is about to become the flashpoint for a tense military standoff between the two power blocs now dominating interstellar space the United Federation of Planets and the recently formed Typhon Pact The Venetan government turns to the Typhon Pact s Tzenkethi Coalition for protection in the new order and has agreed to allow three of their supply bases for Tzenkethi use But these bases if militarized would put Tzenkethi weapons unacceptably close to Federation Cardassian and Ferengi space While Captain Ezri Dax and the crew of the U S S *Aventine* are sent to investigate exactly what is happening at one of the Venette bases Captain Jean Luc Picard and the U S S *Enterprise* are assigned to a diplomatic mission sent to the Venette homeworld in order to broker a mutually acceptable resolution But the Cardassian delegates don t seem particularly keen on using diplomacy to resolve the situation which soon spirals out of control toward all out war **The Good That Men Do** Andy Mangels, Michael A. Martin, 2007-02-27 *Pax Galactica* Enemies become allies Old secrets are at last revealed Long held beliefs and widely accepted truths are challenged Man turns to leisurely pursuits In this golden age two old friends are drawn together They seek to understand and wonder how what they have long believed what they have been taught was never so Over two

hundred years ago the life of one of Starfleet's earliest pioneers came to a tragic end and Captain Jonathan Archer the legendary commander of Earth's first warp five starship lost a close friend Or so it seemed for many years But with the passage of time and the declassification of certain crucial files the truth about that fateful day the day that Commander Charles Trip Tucker III didn't die could finally be revealed Why did Starfleet feel it was necessary to rewrite history And why only now can the truth be told
